The Great Derangement - Matt Taibbi 2009-01-13

A REVELATORY AND DARKLY COMIC ADVENTURE THROUGH A NATION ON THE VERGE OF A NERVOUS BREAKDOWN—FROM THE HALLS OF CONGRESS TO THE BASES OF BAGHDAD TO THE APOCALYPTIC CHURCHES OF THE HEARTLAND Rolling Stone's Matt Taibbi set out to describe the nature of George Bush's America in the post-9/11 era and ended up vomiting demons in an evangelical church in Texas, riding the streets of Baghdad in an American convoy to nowhere, searching for phantom fighter jets in Congress, and falling into the rabbit hole of the 9/11 Truth Movement. Matt discovered in his travels across the country that the resilient blue state/red state narrative of American politics had become irrelevant. A large and growing chunk of the American population was so turned off—or radicalized—by electoral chicanery, a spineless news media, and the increasingly blatant lies from our leaders ("they hate us for our freedom") that they abandoned the political mainstream altogether. They joined what he calls The Great Derangement. Taibbi tells the story of this new American madness by inserting himself into four defining American subcultures: The Military, where he finds himself mired in the grotesque black comedy of the American occupation of Iraq; The System, where he follows the money-slicked path of legislation in Congress; The Resistance, where he doubles as chief public antagonist and undercover member of the passionately bonkers 9/11 Truth Movement; and The Church, where he infiltrates a politically influential apocalyptic mega-ministry in Texas and enters the lives of its desperate congregants. Together these four interwoven adventures paint a portrait of a nation dangerously out of touch with reality and desperately searching for answers in all the wrong places. Funny, smart, and a little bit heartbreaking, The Great Derangement is an audaciously reported, sobering, and illuminating portrait of America at the end of the Bush era.

Love the One You Hate - R S Grey 2020-05-17

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

Captain Grimm commands the merchant ship, Predator. Fiercely loyal to Spire Albion, he has taken their side in the cold war with Spire Aurora, disrupting the enemy's shipping lines by attacking their cargo vessels. But when the Predator is severely damaged in combat, leaving captain and crew grounded, Grimm is offered a proposition from the Spirearch of Albion—to join a team of agents on a vital mission in exchange for fully restoring Predator to its fighting glory. And even as Grimm undertakes this dangerous task, he will learn that the conflict between the Spires is merely a premonition of things to come. Humanity's ancient enemy, silent for more than ten thousand years, has begun to stir once more. And death will follow in its wake...

He just wants everything to end one way or another, but preferably the way in which he can continue to enjoy fish and chips. He does have some small hope of survival: The Morrigan, the Irish Chooser of the Slain, is on his side, and so is Brighid, First Among the Fae. His lawyer is literally a bloodsucking vampire, and he has a loyal Irish wolfhound with opinions about poodles. But he's facing down some mighty enemies: Aenghus Óg, a vengeful Irish god, plus a coven of witches and even the local police. On top of all that, Aenghus has a direct line to the firepower of hell. Atticus will need all the luck of the Irish and more if he's going to stay alive.
