The Life Beyond the Veil - George Vale Owen 1921

Light Beings Journey - Roger Nichols 2012-08-01

This is a history of the world from creation to the present day from an unique viewpoint hardly ever told, that of the spiritual dimension. This insightful overview reveals spiritual solutions to many present day personal and world problems. The author hopes that through this book you will rekindle a friendship to a very true, very old and most dear and precious of friends - yourself, and in doing so maybe you will be able to find just a little bit more of yourself; how truly wondrous you are, how you can balance your individuality with the realisation that you are a part of an enormous whole and that too is wondrous, for it links us all to the common cause.

Ultimate Transformation - Marietta Theunissen 2012-06-01

This book deals with the tricky subject of passing over in a non-threatening way, making it easier to accept the abundant life that is

possible beyond this dimension. Through her long running TV Series and in private practice the author has gained experience of the wide variety of sometimes traumatic events that occur in people's lives and has interspersed her text with real life stories that are relevant to the problems that so many of us face but are sometimes afraid to ask about or don't know whom to ask. Some of the topics considered are: psychic attack, illness, reincarnation and karma, cot death, interacting with entities, suicide and the afterlife of pets.

Love From Beyond the Light - Gail Bond 2013-07

This book has been produced with the assistance of Spirit World and consists of Spiritual writings from my late husband. They are word for word as expected of Spiritual writings and look closely at the loss of a loved one and how those behind may help to have an understanding of beyond the veil. They are written as in part conversation form with an easy to understand logic and explanations of how feelings are involved at this very raw time. How an understanding of life after death should be more understood by everyone to be able to help those they have lost transcend the heavens. It is hoped that the book may be of use not only

for an individual to read, but also to begin discussions in groups, or for readings at church. A useful thought provoking, encouraging and romantic book that can be read over and over again to understand the different aspects of life.

On the Death of My Son - Jasper Swain 1974

Bringing Death to Life - Patricia Scanlan 2019-04-04

Take a heart-lifting journey into the great unknown ... In *Bringing Death to Life*, well-known author Patricia Scanlan, along with soul friends and metaphysical healers Dr Mary Helen Hensley, Aidan Storey and Pamela Young, shine a light into an area that they believe needs to become part of the ordinary conversation of life, not to be feared or avoided in our communications, but recognised, understood, accepted: death. Patricia, whose experience of the loss of her parents was the catalyst for this book, shares her own journey through grief, while Aidan, Mary Helen and Pamela -- who have abilities to channel, communicate with angels, and intuit and heal between this life and the next -- share personal experiences along with insight into death and the afterlife gained through their work. Included are chapters on facing fear of death, being present during death of a loved one, the aftermath of loss, and connecting to signs and messages from beyond, along with remarkable stories of the afterlife in the everyday. Prayers, affirmations and messages from the angels also make up this special, thought-provoking and ultimately deeply comforting book.

[We Don't Die](#) - Joel Martin 2002-08-06

This is the phenomenal true story of the world-renowned psychic medium George Anderson—the groundbreaking book that first brought afterlife experience into the light. For over 12 years Joel Martin documented evidence of Anderson's powers—the ability to reach 'the other side'—and repeatedly astonished believers and skeptics. This is the book of those universal visions, the inspiring messages of hope, truth, and peace, and a glimpse into eternity to answers to the unfathomable questions about life

and death.

[At Heaven's Door](#) - William J. Peters 2022-01-18

A groundbreaking, authoritative exploration—rich with powerful personal stories and convincing research—of the many ways the living can and do accompany the dying on their journey into the afterlife. In 2000, end-of-life therapist William Peters was volunteering at the Zen Hospice Project in San Francisco when he had an extraordinary experience as he was reading aloud to a patient: he suddenly felt himself floating in midair, completely out of his body. The patient, who was also aloft, looked at him and smiled. The next moment, Peters felt himself return to his body...but the patient never regained consciousness and died. Perplexed and stunned by what had happened, Peters began searching for other people who'd shared similar experiences. He would spend the next twenty years gathering and meticulously categorizing their stories to identify key patterns and features of what is now known as the "shared crossing" experience. The similarities, which cut across continents and cultures and include awe-inspiring visual and sensory effects, and powerful emotional after-effects, were impossible to ignore. Long whispered about in the hospice and medical communities, these extraordinary moments of final passage are openly discussed and explained in *At Heaven's Door*. The book is filled with powerful tales of spouses on departing this earth after decades together and bereaved parents who share their children's entry into the afterlife. Applying rigorous research, Peters digs into the effect these shared crossing experiences impart—liberation at the sight of a loved one finding joy, a sense of reconciliation if the relationship was fraught—and explores questions like: What can explain these shared death experiences? How can we increase our likelihood of having one? What do these experiences

tell us about what lies beyond? And, most importantly, how can they help take away the sting of death and better prepare us for our own final moments? How can we have both a better life and a better death?

Good Heavens! - Janelle "Jellybean" Smith-Haff 2007-07

Dying to Be Me - Anita Moorjani 2022-03-08

THE NEW YORK TIMES BESTSELLER! "I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place" In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In "Dying to Be Me," Anita Freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being!

Imagine Heaven - John Burke 2015-10-13

It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. *Imagine Heaven* is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

Beyond the Veil to Heaven - Jr. Ward Edward Barcafer 2016-12-15

"When Ward Barcafer's wife Suzette passed away after a short illness, he was devastated with grief, thinking he would never see her again. He was wrong... Do we ever think about death unless it happens to someone

we love? We certainly don't consider the possibility of life after death, where the departed is in another realm but still around in personality and spirit... After the manifestations started, Ward started to search for answers. Could it be that Sue was trying to communicate with him through a series of signs and messages? This is Sue's true story as told to Ward through signs and messages over several months. Ward recorded each occurrence in a series of hand written journals. You will read about her transition, where she is now and how the departed can communicate with loved ones left behind by a series of signs and messages"-- Amazon.com. Whispers Beyond the Veil - Jessica Estevao 2016-09-06

First in a dazzling new historical mystery series featuring Ruby Proulx, a psychic with a questionable past who suddenly finds her future most uncertain... Canada, 1898. The only life Ruby Proulx has ever known is that of a nomad, traveling across the country with her snake-oil salesman father. She dreams of taking root somewhere, someday, but, until she can, she makes her way by reading tarot cards. Yet she never imagined her own life would take such a turn... After one of her father's medical "miracles" goes deadly wrong, Ruby evades authorities by hiding in the seaside resort town of Old Orchard, Maine, where her estranged aunt, Honoria, owns the Hotel Belden, a unique residence that caters to Spiritualists—a place where Ruby should be safe as long as she can keep her dark secret hidden. But Ruby's plan begins to crumble after a psychic investigator checks into the hotel and senses Ruby is hiding more than she's letting on. Now Ruby must do what she can to escape both his attention and Aunt Honoria's insistence that she has a true gift, before she loses her precious new home and family forever...

Spiritual Chat® On: Death and the Loss of a Loved One - Allison Scott 2016-09-15

Spiritual Chat on: Death and the Loss of a Loved One is about the extraordinary journey that Allison embarked on, from loss to healing, after the death of her husband in December 1987. Asking for signs and

receiving confirmation throughout her life that her husband is indeed still aware of what is going on with her and with her son. After challenging everything (she calls herself the the worlds biggest sceptic), then getting signs, and then some, which she could not possibly explain away, she is convinced that there is definitely more to life and death than how things appear to be on the surface. Allison shares her personal experiences and those of others she had the privilege of meeting along the way, as well as those of clients she has helped throughout the years. She shares the understanding and insights she has gained on death and loss, so that others may move on with their lives after their experience of loss, knowing that ALL IS TRULY WELL with their loved ones and that all was, and is, exactly as it is supposed to be.

My Time in Heaven - Richard Sigmund 2009-12-14

Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas, and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children, talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of "the other place"—a place where no one wants to go.

Heaven Talks To Children - Christine Duminiak 2010-08-01

"Grandma, sometimes Papa isn't in Heaven. Sometimes he's here." In this fascinating book, after-death communications expert Christine Duminiak shares more than 100 true stories of children up to the age of seventeen who have been contacted by deceased loved ones. From cases where the child was born after the death of the relative who appeared to him, to comforting messages from those who died under troubling

circumstances, the testimonials will help adults understand this common paranormal occurrence, find the larger meaning in such visitations, and nurture the child's invaluable gift. Ultimately, familiarizing ourselves with this natural phenomenon may shed light on some of our most complex questions about life, death, and our purpose here on earth. "A fascinating collection of children's experiences of communication with departed loved ones. I encourage everyone to open up their hearts and minds to what the purest littlest ones are telling us." --Msgr. Thomas Hartman, co-host of TV's The God Squad "At last, a really sincere book that will give you many answers and open your mind to the spiritual world of children." --Joseph Wright, author of The Psychic Hypnotist "An extraordinary book, teeming with wisdom and riveting stories." --Louis E. Trial of Intentions - Peter Orullian 2015-05-26

The gods who created this world have abandoned it. In their mercy, however, they chained the rogue god—and the monstrous creatures he created to plague mortalkind—in the vast and inhospitable wasteland of the Bourne. The magical Veil that contains them has protected

humankind for millennia and the monsters are little more than tales told to frighten children. But the Veil has become weak and creatures of Nightmare have come through. To fight them, the races of men must form a great alliance to try and stop the creatures. But there is dissent. One king won't answer the call, his pride blinding him even to the poison in his own court. Another would see Convocation fail for his own political advantage. And still others believe Convocation is not enough. Some turn to the talents of the Sheason, who can shape the very essence of the world to their will. But their order is divided, on the brink of collapse. Tahn Junell remembers friends who despaired in a place left barren by war. One of the few who have actually faced the unspeakable horde in battle, Tahn sees something else at work and wonders about the nature of the creatures on the other side of the Veil. He chooses to go to a place of his youth, a place of science, daring to think he can find a way to prevent slaughter, prevent war. And his choices may reshape a world The second title in the Vault of Heaven series, Peter Orullian's Trial of Intentions is a mesmerizing fantasy epic that turns the conventions of the genre on its head At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Visions Beyond the Veil - H. A. Baker 2006-08-01

Beggars...Outcasts...Homeless Such were the forgotten, uneducated children in China when the Spirit of God fell upon their humble orphanage, the Adullam Home. The boys spent days in powerful meetings, praying and praising God. Under the anointing of the Holy Spirit, they prophesied, saw visions, and discovered: Angels...how they operate and protect us Unbelievers...and their fate Heavenly occupations...what our jobs will be Paradise...revealed through the eyes of children The throne of God...experiencing true worship Death...what happens when we die Demons...and their evil works This mighty outpouring was a fulfillment of God's promise: "And it shall come to pass in the last days, saith God, I will pour out of My Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions." Acts 2:17

Heaven's Reality - Sarah McGee 2016-07-13

Quantum physics studies the boundary zone between the physical part of the universe and the nonphysical realm. The Bible frequently refers to the non-physical realm as the unseen or spiritual realm. So, quantum physics has a lot to say about how the spiritual realm works, but there are many confusing and inaccurate interpretations out there in popular media these days. This book will provide simple and easy ways to demystify quantum physics and to understand the Bible. We will lift the veil of the confusion surrounding the unseen realm as we explore many intriguing scientific discoveries that show us about Heaven's reality. We will also see how well the latest discoveries about the unseen realm point back to realities revealed in Scripture.

The Veil - Blake K. Healy 2018-01-09

For as long as he can remember, Blake K. Healy has seen angels and demons. He sees them as clearly as he would see you if you were standing right in front of him. He sees angels dancing in worship services and whispering words of encouragement in people's ears. He also sees demons latching on to people and perpetuating addiction and bitterness in their hearts. The Veil chronicles how Blake matured in this gifting, while overcoming the fear and confusion of what he saw, how he learned to use his gift of seeing for God's glory, and how to teach others to do the same. This new and updated version of The Veil also includes a brief guide on how to begin growing in the gift of seeing in the spirit yourself, as well as an appendix of scriptural references to the spirit realm and angels, along with Blake's commentary on these passages.

[Is Heaven for Real?](#) - Patrick Doucette 2013-03-20

Some people feel that death is an indication of the cruelty of God, that life is nothing more than chaotic randomness, yet the passage of time reminds us that in the light of eternity we are all passing away in short order and we will follow those who have died very soon; even within just a few moments later when measured on the scale of eternal time. The accounts documented in this book are from different people at different times and in different places. They are all sincere; they all had a story to tell and they attempted to share their experience to the best of their ability. They each have unique aspects even though they share some similarities. Some of these stories will likely resonate and encourage and inspire you. Some may be difficult to relate to or to understand; if that is the case, I would suggest you skip that particular story for the time being and move on to the next one. Perhaps the afterlife is revealed to us in such a way that allows each of us to understand and comprehend the process of passing in a way that we can accept. The uniqueness of each experience may be in part due to the individual; their ability to take in the awesomeness of such an event may be reflected in their memory of the event. In any case, these incidents are presented to the reader in the hopes that they will encourage and inspire; my hope is that you will find, as I did, a common theme within these experiences which seem to reflect the powerful love of God towards humanity, towards each one of us.

The After Death Chronicles - Annie Mattingley 2017-10-01

This is a book about ordinary people—plumbers, artists and accountants, bakers and beauticians, teachers and lawyers—who have been able to receive communication from loved ones who have died. Included here are accounts from over 80 people across the country who have had contact with the dead through the diaphanous veil that separates them from the living. The book begins with the story of Annie's deceased daughter speaking to her in the early morning hours. The communication was so transformative that she began to share her experience. Much to her surprise, she discovered that after-death communication is much more common than is normally assumed, and she began to connect with other folks across the country who had similar experiences. Each of the

ten chapters is organized around a specific kind of after-death communication. Included here are chapters on dreams, verbatim conversations, and synchronicity through nature and various other physical manifestations, descriptions of the results of these occurrences, and advice on how to open up to after-death communication. This book inspires in the reader reassurance, courage, healing, and a sense of wonder. From the author: "The time is ripe for people to recognize the blessing of how frequently our dead beloveds return . . . to confirm the reality that consciousness continues beyond the grave and to remind us that there is much more to death than the physical cessation of breath and pulse. It is time to break the silence, time to stop keeping these powerful healing experiences to ourselves. It is time to allow the experiences themselves, and the positive effect they have on the living."

I Saw Heaven - Lawrence E. Tooley 2006-11

On September 19, 1972, when Larry Tooley's scaffold fell and he plunged to the concrete floor below, one of the most remarkable near-death experiences ever recorded began. I Saw Heaven! is the complete account of his accident and his extensive tour beyond the veil. As Larry's spirit left his body and journeyed upward, he passed through a foreboding fog and witnessed agonized souls in outer darkness. Then, drawn to a brilliant light and greeted by a being who emanated overwhelming love, he underwent a life review and experienced the stripping away of earthly

impurities. He entered a receiving station through a suspended arched doorway. His name was recorded, he was dressed in a white robe and was greeted by a deceased former acquaintance who was to be his guide on an extensive reacquaintance tour of the spirit world. They communicated through telepathic speech and flew by thought projection from place to place together. He was re-taught concerning the powers he enjoyed before birth: of projecting thoughts, levitation, unassisted flight, and that all matter exists at varying levels of vibrational frequencies. Larry was shown through a kingdom of beauty and order. He saw communities with buildings made from a marble-like material, surrounded by beautiful trees and landscaping. They visited a learning center where he was shown advanced ways of obtaining knowledge. They toured a genealogical research center where people were working to establish their relationships with their forefathers, and he was taught the importance of linking families together. a family reunion was held for him to acquaint himself with many of his relatives, and he found that he could learn all about them by embracing them. He met his sister, Wendy, who had died shortly after her birth, and found her adorned in a brilliant white robe which reflected her advanced level of progression. His guide led him to the outskirts of the heavenly city where God dwells, nestled at the base of a mountain. He saw from afar the immensity of the city with its beautiful domed spires. He felt the city's divinity and was told of the restrictions concerning who may enter it. Larry was also shown other worlds and traveled among them. He was able to re-experience his conversation with his pre-mortal sweetheart just before their birth into mortality. One of his most intriguing encounters was with the council which eventually gave him permission to return to earth and resume his mortal life. I Saw Heaven! is the true account of one of the most informative near-death experiences ever recorded. All who want to learn more of the next stage of their existence will be fascinated by the many insights and details it contains. It's a must-read book!

Beyond the Veil: Our Journey Home - Diane Goble 2015-01-01

Diane Goble had a near-death experience in 1971 and received specific

information to bring back with her to share with others. For the past 35 years she has been involved in the field of death and dying as a spiritual counselor and hospice volunteer, and is the author of several books, a blog "Let's talk about death and dying..." and a major NDE web site since 1996, BeyondtheVeil.net. She created a training course to teach paraprofessionals to be Transition Guides for those who are getting ready to leave their bodies and return to their spiritual home according to their own beliefs. Her message is that we don't die, only our bodies die but we don't need them any more. Our soul consciousness existed before we were born into a body and continues beyond the death of our body. We are beautiful spiritual beings of light on an eternal journey and shedding our skin is part of our spiritual growth and the evolution of consciousness. In "Beyond the Veil: Our Journey Home," Goble condensed her Transition Guide Training Program into this handbook for caregivers and patients. It offers a simple, non-denominational method of

meditation and guided imagery practice to help us remember who we really are while still in our body. "By practicing to die consciously before we die physically," she says, "we are prepared and aware of what's happening when we find ourselves out of our body no matter how it died. This book is for every one because we are all, after all, going to make our transition one day, but it is especially germane to anyone who has received a terminal diagnosis and for adult children caring for their aging parents. It will help you and your family to have the conversations you need to have about end of life care and your last wishes. It will help the person leaving reconcile this life and prepare for a peaceful transition on their own terms. You'll find information about palliative and hospice care, final arrangements, and Death With Dignity laws. You'll delve into the subject of near-death experiences and the current research into the survival of consciousness, and the ancient mysteries that gave birth to our understanding of death and the afterlife. This is no ordinary book and it is guaranteed to change your life!
