Sixteen-year-old Nina Kane should be worrying about her immortal soul, but she's too busy trying to actually survive. Her town's population has been decimated by soul-consuming demons, and souls are in short supply. Watching over her younger sister, Mellie, and scraping together food and money are all that matters. The two of them are a family. They gave up on their deadbeat mom a long time ago. When Nina discovers that Mellie is keeping a secret that threatens their very existence, she'll do anything to protect her. Because in New Temperance, sins are prosecuted as crimes by the brutal Church and its army of black-robed exorcists. And Mellie's sin has put her in serious trouble. To keep them both alive, Nina will need to put her trust in Finn, a fugitive with deep green eyes who has already saved her life once and who might just be an exorcist. But what kind of exorcist wears a hoodie? Wanted by the Church and hunted by dark forces, Nina knows she can't survive on her own. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her, Stark must find a way to get to her. But how? He will have to die to do so, the Vampyre High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. The truth is, Stevie Rae's hiding a secret that might be the key to getting Zoey home but also threatens to explode her whole world. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). She's always been blessed (if you could call it that) with visions that can reveal the future, but now it seems Nyx has decided to speak through her with the goddess's own voice, whether she wants it or not. Aphrodite's loyalty can swing a lot of different ways, but right now Zoey's fate hangs in the balance. Three girls... playing with fire... if they don't watch out, everyone will get Burned.

Tempted - P. C. Cast 2009-10-27

So...you'd think after banishing an immortal being and a fallen High Priestess, saving Stark's life, biting Heath, getting a headache from Erik, and almost dying, Zoey Redbird would catch a break. Sadly, a break is not in the House of Night school forecast for the High Priestess in training and her gang. Juggling three guys is anything but a stress reliever, especially when one of them is a sexy Warrior who is so into protecting Zoey that he can sense her emotions. Speaking of stress, the dark force lurking in the tunnels under the Tulsa Depot is spreading, and Zoey is beginning to believe Stevie Rae could be responsible for a lot more than a group of misfit red fledglings. Aphrodite's visions warn Zoey to stay away from Kalona and his dark allure, but they also show that it is Zoey who has the power to stop the evil immortal. Soon it becomes obvious that Zoey has no choice: if she doesn't go to Kalona he will exact a fiery vengeance on those closest to her. Will Zoey have the courage to chance losing her life, her heart, and her soul? Find out in the next spectacular installment in the House of Night Series, Tempted.

Marked - P. C. Cast 2010-04-01

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. Awakened - P. C. Cast 2011-01-04

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same - and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does

he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

Speaking of rare: Zoey finds herself in the very unexpected and rare position of having three boyfriends. Mix a little bloodlust into the equation and the situation has the potential to spell social disaster. Just when it seems things couldn't get any tougher, vampyres start turning up dead. Really dead. It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth... Chosen is the third in the House of Night series by P. C. Cast and Kristin Cast.

Amber Smoke - Kristin Cast 2015-06-09

Armentrout). In a world parallel to our own, the souls of the damned are caged, spending eternity in a torment that mirrors the suffering they created in life. goes terribly wrong. Someone has opened the cage. When untold terrors cross into our world, the Furies send a great, albeit untested warrior—their only son, Alek—to bring those souls back. Now, after being hunted in an ancient feud that threatens her life, she will become the hunter. Redeemed - P. C. Cast 2015-09-29

The final electrifying installment in the #1 New York Times bestselling vampyre series Zoey Redbird is in trouble. Having released the Seer Stone to Aphrodite, and surrendered herself to the Tulsa Police, she has isolated herself from her friends and mentors, determined to face the punishment she deserves—even if that means her body will reject the change, and begin to die. Only the love of those closest to her can save her from the Darkness in her spirit; but a terrible evil has emerged from the shadows, more powerful than ever... Neferet has finally made herself known to mortals. Crowning herself a Dark Goddess, she is evil unleashed and is enslaving the citizens of Tulsa. The vampyres of the House of Night have banded with the police, and are gathering every last resource they have, but they know that no single vampyre is strong enough to vanquish her—unless that vampyre has the power to summon the elements as well as the ability to wield Old Magick. Only Zoey is heir to such power...but because of the consequences of using Old Magick, she is unable to help. In the final novel in the House of Night series, an epic battle of Light versus Darkness will decide who is redeemed...and who is forever lost. The House of Night series by P.C.
