An African Elegy - Ben Okri 2015-04-30

Dreams are the currency of Okri's writing, particularly in this first book of poems, *An African Elegy*, but also in his books of short stories and prize-winning novel *The Famished Road*. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an upbeat restorative ending' - Giles Foden, *Times Literary Supplement*

Fiela's Child - Dalene Matthee 2012-10-02

A child wanders too far into the Knysna Forest ... he never returns. Nine years later government officials working on a census find a white child living with a Coloured family in the mountains beyond the forest. They take him away from the stricken Fiela, who has brought him up as her son, and give him back to his 'original' family. Stunned and helpless, Benjamin waits for Fiela to reclaim him. But, powerless against

authority, Fiela never comes. Benjamin has to grow up before he can go in search of the truth ...

Dancing with Hyenas - Mzi Mahola 2021-10-04

Dancing with Hyenas is a tour-de-force that blends excellent prose with fact-driven stories to give a fresh perspective of the black struggle against the oppressive conditions of apartheid South Africa. The reader is taken 'behind the scenes' to conversations and strategy sessions in which successive generations of black youths are conscientized about the ideals of the liberation struggle. In the book, author Mzi Mahola tells the stories in evocative, authentic, and thought-provoking narrative.

Elsewhere he recounts the deep soul-searching exchanges among the black youth about the goals and efficacy of the Black Consciousness Movement in advancing cause of black liberation. His accounts are remarkably accurate, especially given the fifteen-year range over which the book is written. What is most refreshing about Dancing with Hyenas is the emic perspective it takes since most of the books on the topic are written by outside observers. This is a one-of-a-kind book- amust-read for any interested in learning from indigenous blacks how they were able to make meaning of the lives while confronted by vagaries and vicissitudes of that vicious system, which was finally brought down in the early 1990s. Mzamo P Mangaliso Profesor, Isenberg School of Management University of Massachusetts - Amherst MA Dancing with Hyenas is a bout rites of passage of a young man hurled into maturity in a troubled land. Mzikayise Mahola conveys the story choosing words with the precision and dexterity of a poet, recalling events and painting them with the skill reserved for great story tellers. The book enthrals as it enables the reader to journey with Lizo through the labyrinth of dark paths in a perilous South Africa. We do not know how he will, survive the wrath of the system whose vultures always hover with devilish zeal and sickening patience. Lizo thrives in a world that betrays talented and ambitious youth. Mahola lucidly captures the snippets of history, sharing hopes and

shattered dreams in the trapping of the old South Africa. Indeed, this book is a piece of history that exemplifies how many young people experienced the rough ride into brittle futures. Vuysile T. Msila Professor and Head, Institute for African Renaissance Studies, University of South Africa (UNISA)

Burger's Daughter - Nadine Gordimer 1980-11-20

This is the moving story of the unforgettable Rosa Burger, a young woman from South Africa cast in the mold of a revolutionary tradition. Rosa tries to uphold her heritage handed on by martyred parents while still carving out a sense of self. Although it is wholly of today, Burger's Daughter can be compared to those 19th century Russian classics that make a certain time and place come alive, and yet stand as universal celebrations of the human spirit. Nadine Gordimer, winner of the 1991 Nobel Prize in Literature, was born and lives in South Africa.

The Road to Democracy in South Africa - South African Democracy Education Trust 2004

The third volume in the series examines the role of anti-apartheid movements around the world and their success in both creating awareness of the liberation struggle in South Africa, and in contributing to the downfall of the apartheid government. This volume, in two parts, brings together analysis written by activist scholars with deep roots in the movements and organisations they are writing about. This first part focuses on International Solidarity with the liberation struggle. It covers the contribution of various international organisations, governments and

their peoples, and solidarity organisations, to the liberation struggle in South Africa. In particular, the roles of nine western European countries are discussed: West Germany; Belgium; Austria; France; The Netherlands; Portugal; Spain; Greece and Switzerland. The second part focuses on African solidarity, with an emphasis on the Organisation of African Unity (OAU) and its Liberation Committee; various countries in the southern African region, including the role that Tanzania and Zambia played; as well as countries in west, east and North Africa. This is a major resource for historians, scholars and anyone interested in the history of South Africa, and will be valued by future generations for its sensitive collection of highly significant historical material.

Welcome to the Monkey House: The Special Edition - Kurt Vonnegut 2014-04-08

Since its original publication in 1968, *Welcome to the Monkey House* has been one of Kurt Vonnegut's most beloved works. This special edition celebrates a true master of the short-story form by including multiple variant drafts of what would eventually be the title story. In a fascinating accompanying essay, "Building the Monkey House: At Kurt Vonnegut's Writing Table," noted Vonnegut scholar Gregory D. Sumner walks readers through Vonnegut's process as the author struggles—false start after false start—to hit upon what would be one of his greatest stories. The result is the rare chance to watch a great writer hone his craft in real time. Includes the following stories: "Where I Live" "Harrison Bergeron" "Who Am I This Time?" "Welcome to the Monkey House" "Long Walk to Forever" "The Foster Portfolio" "Miss Temptation" "All the King's Horses" "Tom Edison's Shaggy Dog" "New Dictionary" "Next Door" "More Stately Mansions" "The Hyannis Port Story" "D.P." "Report on the Barnhouse Effect" "The Euphio Question" "Go Back to Your Precious Wife and Son" "Deer in the Works" "The Lie" "Unready to Wear" "The Kid Nobody Could Handle" "The Manned Missiles" "Epicac" "Adam" "Tomorrow and Tomorrow and Tomorrow"

Advancement of Assistive Technology - Association for the Advancement of Assistive Technology in Europe 1997

People go traveling for two reasons: because they are searching for something, or they are running from something. Katie's world is shattered by the news that her headstrong and bohemian younger sister, Mia, has been found dead at the bottom of a cliff in Bali. The authorities say that Mia jumped—that her death was a suicide. Although they'd hardly spoken to each other since Mia suddenly left on an around-the-world trip six months earlier, Katie refuses to accept that her sister would have taken her own life. Distraught that they never made peace, Katie leaves her orderly, sheltered life in London behind and embarks on a journey to find out the truth. With only the entries in Mia's travel journal as her guide, Katie retraces the last few months of her sister's life and—page by page, country by country—begins to uncover the mystery surrounding her death. . . . Weaving together the exotic settings and suspenseful twists of Alex Garland's *The Beach* with a powerful tale of familial love in the spirit of Rosamund Lupton's *Sister, Swimming at Night* is a fast-paced, accomplished, and gripping debut novel of secrets, loss, and forgiveness.

New Day in Babylon - William L. Van Deburg 1993-09-01

The most comprehensive account available of the rise and fall of the Black Power Movement and of its dramatic transformation of both African-American and larger American culture. With a gift for storytelling and an ear for street talk, William Van Deburg chronicles a decade of deep change, from the armed struggles of the Black Panther party to the cultural nationalism of artists and writers creating a new aesthetic. Van Deburg contends that although its tactical gains were sometimes short-lived, the Black Power movement did succeed in making a revolution—one in culture and consciousness—that has changed the context of race in America. "New Day in Babylon is an extremely intelligent synthesis, a densely textured evocation of one of American history's most revolutionary transformations in ethnic group consciousness."—Bob Blauner, New York Times Winner of the Gustavus Myers Center Outstanding Book Award, 1993

In Mortal Combat - John Toland 2016-05-31

A history of the Korean War with soldier's-eye views from both sides, by the Pulitzer Prize-winning author of *The Rising Sun and Infamy*. Pulitzer Prize-winning author John Toland reports on the Korean War in a revolutionary way in this thoroughly researched and riveting book. Toland pored over military archives and was the first person to gain access to previously undisclosed Chinese records, which allowed him to investigate Chairman Mao's direct involvement in the conflict. Toland supplements his captivating history with in-depth interviews with more than two hundred American soldiers, as well as North Korean, South Korean, and Chinese combatants, plus dozens of poignant photographs,

bringing those who fought to vivid life and honoring the memory of those lost. *In Mortal Combat* is comprehensive in its discussion of events deemed controversial, such as American brutality against Korean civilians and allegations of American use of biological warfare. Toland tells the dramatic account of the Korean War from start to finish, from the appalling experience of its POWs to Mao's prediction of MacArthur's Inchon invasion. Toland's account of the "forgotten war" is a must-read for any history aficionado.

And Still I Rise - Maya Angelou 2011-08-17

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."
