Each unit is systematically broken down to make it simple for any student to Top the IELTS. First, "Simple Steps" are condensed at the outset for easy reference. Next begins "Elaboration with Examples" — a section where the "Simple Steps" are put into practice. As an added bonus, actual student work is included in the elaboration section to reveal the common mistakes made by IELTS-takers. The unit concludes with the "IELTS Trainer" which allows students a chance to directly put the strategies to practice rather than just throwing students into the deep end by providing a full set of IELTS practice tests.
