The House on Mango Street - Sandra Cisneros 2013-04-30

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our

time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

A self evaluative tool for students to augment their study skills and to maximize their learning efficiency. Originally developed 30 years ago for New York City's elite Regis High School, it remains a cornerstone of

Regis guidance and advisement programs since that time. The study guide addresses multiple aspects of student learning, including time management, reading comprehension, information retention, note taking, paper writing, and timed testing. Each unit includes questions for self evaluation, goals, and suggestions for improvement. This revised edition offers additional material on increasing role of technology in learning, most notably focusing on Internet research.

Note-Taking Manual - Virginia Valencia 2013-05-30

Many people have the need to take notes: interpreters, attorneys, health care providers, and students, among others. Some try to learn shorthand, a complex system which requires several months (even years) of practice to master. There is a widely unknown but simple alternative to take notes more clearly and efficiently. Jean Francois Rozan and Andrew Gillies, two pioneer conference interpreters, provide techniques to significantly streamline note-taking. Although originally created for interpreters, these practical guidelines are extremely helpful to anyone who takes notes. The Note-Taking Manual will help you master note-taking symbols as well as Rozan and Gillies' techniques. You will acquire up to 40 new symbols through dictations (available as audio files at www.interpretrain.com). Each exercise offers a sample of notes to compare with your own and discover additional tips. These educational tools will help you become the best interpreter and/or note-taker you can be.

FIREARM SAFETY CERTIFICATE - M - California Department of Justice 2016-12-01

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..

The American Crisis - Thomas Paine 2021-04-26T23:11:56Z

The American Crisis is a collection of articles by Thomas Paine, originally published from December 1776 to December 1783, that focus on rallying Americans during the worst years of the Revolutionary War. Paine used his deistic beliefs to galvanize the revolutionaries, for example by claiming that the British are trying to assume the powers of God and that God would support the American colonists. These articles were so influential that others began to adopt some of their more stirring phrases, catapulting them into the cultural consciousness; for example, the opening line of the first Crisis, which reads "These are the times that try men's souls." This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Lord of the Flies - William Golding 2003-12-16

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an

unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
