*The Princess and the Fangirl* - Ashley Poston  
2019-04-02

The Prince and the Pauper gets a Geekerella-style makeover in this witty and heartfelt novel for those who believe in the magic of fandom—now with an excerpt from Ashley Poston’s latest, *Bookish and the Beast*. Imogen Lovelace is an ordinary fangirl on an impossible mission: to save her favorite Starfield character, Princess Amara, from being killed off. On the other hand, the actress who plays Amara wouldn’t mind being axed. Jessica Stone doesn’t even like being part of the Starfield franchise—and she’s desperate to leave the intense scrutiny of fandom behind. Though Imogen and Jess have nothing in common, they do look strangely similar to one another—and a case of mistaken identity at ExcelsiCon sets off a chain of events that will change both of their lives. When the script for the Starfield sequel leaks, with all signs pointing to Jess, she and Imogen must trade places to find the person responsible. The deal: Imogen will play Jess at her signings and panels, and Jess will help Imogen’s best friend run their booth. But as these “princesses” race to find the script leaker—in each other’s shoes—they’re up against more than they bargained for. From the darker side of fandom to unexpected crushes, Imogen and Jess must find a way to rescue themselves from their own expectations...and redefine what it means to live happily ever after.

Rejected Princesses - Jason Porath 2016-10-25  
Blending the iconoclastic feminism of The Notorious RBG and the confident irreverence of Go the F\*\*ck to Sleep, a brazen and empowering illustrated collection that celebrates inspirational badass women throughout history, based on the popular Tumblr blog. Well-behaved women seldom make history. Good thing these women are far from well behaved . . . Illustrated in a contemporary animation style, *Rejected Princesses* turns the ubiquitous "pretty pink princess" stereotype portrayed in movies, and on endless toys, books, and tutus on its head, paying homage instead to an awesome collection of strong, fierce, and yes, sometimes weird, women: warrior queens, soldiers, villains, spies, revolutionaries, and more who refused to behave and meekly accept their place. An entertaining mix of biography, imagery, and humor written in

a fresh, young, and riotous voice, this thoroughly researched exploration salutes these awesome women drawn from both historical and fantastical realms, including real life, literature, mythology, and folklore. Each profile features an eye-catching image of both heroic and villainous women in command from across history and around the world, from a princess-cum-pirate in fifth century Denmark, to a rebel preacher in 1630s Boston, to a bloodthirsty Hungarian countess, and a former prostitute who commanded a fleet of more than 70,000 men on China's seas.

**Dangerously Ever After** - Dashka Slater  
2012-09-13

Not all princesses are made of sugar and spice--some are made of funnier, fiercer stuff Princess Amanita laughs in the face of danger. Brakeless bicycles, pet scorpions, spiky plants--that's her thing. So when quiet Prince Florian gives her roses, Amanita is unimpressed . . . until she sees their glorious thorns! Now she must have rose seeds of her own. But when huge, honking noses grow instead, what is a princess with a taste for danger to do? For readers seeking a princess with pluck comes an independent heroine who tackles obstacles with a bouquet of sniffing noses. At once lovely and delightfully absurd, here's a story to show how elastic ideas of beauty and princesses can be.

*Princesses, Inc.* - Mari Mancusi 2017-07-18  
Twelve-year-old Hailey and her friends form a unique babysitter's club in order to raise money to see their favorite YouTube star at a local ComicCon in this hilarious MIX novel. Twelve-year-old Hailey and her BFFs are all big fans of Collin Prince, a YouTube star, and swoon-worthy crush. So when the opportunity to meet him at a local Comic-Con comes up, the girls jump at the chance. The problem? The convention isn't cheap—and the girls don't have the money to go. But Hailey isn't ready to give up just yet. In addition to meeting Collin at the convention, there is a young writer's competition that she is determined to enter—and win. The girls dream up Princesses and Pirates, Inc., a babysitting service where the girls will dress up in costume to entertain their charges. Of course, they aren't as prepared as they thought they would be to deal with bratty kids, scheming older siblings (who are less than thrilled that their own

babysitting jobs have dried up), and trying to balance their new "jobs" with school. And more responsibilities means less time for Hailey to work on her contest entry. Will their plan to make it to Comic-Con pay off...or could their business end up as shipwrecked as the pirates they portray?

The author of *Rejected Princesses* returns with an inspiring, fully illustrated guide that brings together the fiercest mothers in history—real life

matriarchs who gave everything to protect all they loved. Mothers possess the "maternal instinct"—an innate fierceness that drives them to nurture, safeguard, fight, and sacrifice for the most important things that matter to them. For some mothers, it's their children. For others, it's artistic expression, invention, social cause, or even a nation that they helped to birth. In *Tough Mothers*, Jason Porath brings his wisdom and wit to bear on fifty fascinating matriarchs.
