So you don't have to risk ruining any of the designs experimenting with new pens, pencils, paints or whatever medium you chose. The designs in this book range in complexity, from simple easy to color designs to more complex and intricate design. So you can start off on the easy patterns and work your way up if you're new to coloring books,

or jump straight in if you are already a coloring book enthusiast. Alternatively, if you yourself like coloring, you can use this book as a way to create a personalized 55th birthday gift by coloring in the pages yourself and giving them to the birthday boy or girl. So they get a nice custom birthday present from you. We have created a family friendly adult coloring book for every birthday! Which can be found here on amazon. So you'll never be short of quality birthday gift ideas for anybody you know no matter how old they are!
