**Death Waits in the Dark** - Mark Edward Langley 2020-08-04

It took all of thirty seconds for two shots to bring

the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Emma takes a position as a governess on Star Frost, an elusive island off the coast of Cornwall. From the moment of his birth, Calvin Stanley West, Duke of Renvere, was blessed. But none of his successes and wealth could have prepared him

for the fire that killed his wife and left him and one of his daughters horrifically scarred. Worse still, the same glittering aristocratic society that had bowed in his presence now whispered cruel insults about his children. He abandoned his life, his prestige, and secreted his daughters away to a place where no whispered barbs would reach their precious ears. **THEY CAN'T HIDE FOREVER** Calvin's prayers are answered when a governess arrives on his doorstep, but this is no ordinary governess. She's young, beautiful, and she stirs a passion inside him he thought had been burned away forever. Emma swiftly becomes enamored with Star Frost and her new charges. But the duke, though scarred and intimidating, is also kind, dedicated to his children, and the most handsome man she'd ever seen. He makes her long for things she'd been raised to never feel. Is it a trick of the mysterious island or is the duke the one man her heart has yearned for all along? Just when she feels safe and the attraction between them ignites into a passionate affair, the people she ran from have hunted her down, shattering her hopes. Emma's instinct is to run again, but if she does, she will have to give up everything she loves or stay and fight for her heart's desire. The choice should be easy, but is desire enough for her? **Kabbalah for Beginners: An Introduction to Jewish Mysticism** - Theo Lalvani 2021-08-19  
The Kabbalah has long languished in darkness, unknown outside the confines of Jewish

Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

**DNS FIT KID Exercise Journal** - Eliška Urbářová 2020-03-25

DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children

to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.
