Hiking Central Florida - M. Timothy O'Keefe 2008-12-30

Hiking Central Florida describes thirty of the region's best and most varied hikes, those that offer the chance to observe unspoiled, natural Florida at its finest. With terrain ranging from wet cypress swamps to dry pinewood forests, the region offers subtly striking scenery and it harbors rich diversity. Covering the area from Ocala to State Road 60 near Lake Wales and Yeehaw Junction—and also embracing the northern stretch of the Florida Trail in the Ocala National Forest and the Bulow Plantation/Bulow Creek hike on the Atlantic coast—this user-friendly guide takes you from short family hikes in places such as Canaveral National Seashore, to backpackers' delights. It provides all the information you need to make the most of exploring Central Florida by foot. Look inside to find: • Hikes suited to every ability • Directions to the trailheads • Comprehensive trail descriptions and maps • Mile-by-mile directional cues • Difficulty ratings, average hiking times, and best hiking seasons for every featured hike • Area-specific tips on safety, hiking ethics, plants and animals, preserving the environment, and more

Florida's Coast-to-Coast Trail Guide - Nanci Adler 2022-10-01

Florida's Coast-to-Coast Trail Guide is a guidebook designed specifically for the 250-mile dedicated bicycle/pedestrian trail that provides an uninterrupted cross-Florida trail from Titusville to St. Petersburg. The trail (over 80% complete and to be completed by 2025) already attracts not only local cyclists and walkers, but also out-of-state cycling enthusiasts. This book provides readers with a broad background of the communities through which they will travel. Although maps are included, this is not a detailed "how-to" guide, nor does it provide extensive

lodging, camping or restaurant information; much of that information changes frequently and can be easily obtained via online searches. Instead, this book focuses on interesting cultural and natural aspects of the route. By highlighting the local flavor of small towns, the beauty of natural Florida, as well as local historical events, this book will introduce readers to the uniqueness of Florida. Distinctive features covered in the book include the Greek heritage of Tarpon Springs, Winter Garden's thriving downtown based on its citrus and bass-fishing past, Titusville's role in space exploration, and St. Petersburg's lively waterfront and flourishing art scene. Also covered is the natural world of beautiful freshwater springs, moss-shrouded oak trees, and migratory birds found in protected areas along the trail such as Gemini Springs Park, Brooker Creek Preserve and the Green Swamp. In addition, readers will be introduced to important historical Florida figures such as civil rights leaders Harry T. and Harriett V. Moore and Russian entrepreneur and railway builder Peter Demens.

The Rough Guide to New York - Andrew Rosenberg 2011-01-20

The Rough Guide to NYC covers all the sights and attractions and has up-to-date listings, detailed maps and the extensive practical information you'll need to make the best of your visit to the city. The introduction gives you an overview of the city and a select list of things not to miss - the best museums, festivals, night-time activities and much more. The guide then goes neighbourhood by neighbourhood, covering everything from the historic Financial District and the landmark architecture of Midtown to Central Park, Prospect Park and the furthest reaches of the Bronx. Essentials on how to get around, a list of recommended New York books and films, inserts on architecture and the city's ethnic neighbourhoods, and much more.

A Guide to Historic Winter Park, Florida - Steve Rajtar 2008

A Guide to Historic Winter Park chronicles the founding and growth of this extraordinary community, one that thrives today as a mecca for both boutique shoppers and outdoor enthusiasts. Established during the 1880s, historic Winter Park will delight the senses. Explore the city along five self-guided neighborhood walks that wind amidst the quaint shops, stately churches and "cottages" of the turn-of-the-century elite. Stroll through historic Rollins College, oak-shaded and reminiscent of the New England alma maters of its founders. Enjoy the lush parklands and canals that connect the city's picturesque lakes and botanical treasures. Wander the halls of the city's museums, libraries and numerous mansions once filled with Baroque music and opulent décor.

AIA Guide to New York City - Norval White 2010-06-09

Hailed as "extraordinarily learned" (New York Times), "blithe in spirit and unerring in vision," (New York Magazine), and the "definitive record of New York's architectural heritage" (Municipal Art Society), Norval White and Elliot Willensky's book is an essential reference for everyone with an interest in architecture and those who simply want to know more about New York City. First published in 1968, the AIA Guide to New York City has long been the definitive guide to the city's architecture. Moving through all five boroughs, neighborhood by neighborhood, it offers the most complete overview of New York's significant places, past and present. The Fifth Edition continues to include places of historical importance--including extensive coverage of the World Trade Center site--while also taking full account of the construction boom of the past 10 years, a boom that has given rise to an unprecedented number of new buildings by such architects as Frank Gehry, Norman Foster, and Renzo Piano. All of the buildings included in the Fourth Edition have been revisited and re-photographed and much of the commentary has been rewritten, and coverage of the outer boroughs--particularly Brooklyn--has been expanded. Famed skyscrapers and historic landmarks are detailed, but so, too, are firehouses, parks, churches, parking garages, monuments, and bridges. Boasting more than 3000 new photographs, 100 enhanced maps, and thousands of short and spirited entries, the guide is arranged geographically by borough, with each borough divided into sectors and then into neighborhood. Extensive commentaries describe the character of the divisions. Knowledgeable, playful, and beautifully illustrated, here is the ultimate guided tour of New York's architectural treasures. Acclaim for earlier editions of the AIA Guide to New York City: "An extraordinarily learned, personable exegesis of our metropolis. No other American or, for that matter, world city can boast so definitive a one-volume guide to its built environment." -- Philip Lopate, New York Times "Blithe in spirit and unerring in vision." -- New York Magazine "A definitive record of New York's architectural heritage... witty and helpful pocketful which serves as arbiter of architects, Baedeker for boulevardiers, catalog for the curious, primer for preservationists, and sourcebook to students. For all who seek to

know of New York, it is here. No home should be without a copy." -- Municipal Art Society "There are two reasons the guide has entered the pantheon of New York books. One is its encyclopedic nature, and the other is its inimitable style--'smart, vivid, funny and opinionated' as the architectural historian Christopher Gray once summed it up in pithy W & W fashion." -- Constance Rosenblum, New York Times "A book for architectural gourmards and gastronomic gourmets." -- The Village Voice *The Comparative Guide to American Suburbs* - 2009

Guide to U.S. Foundations, Their Trustees, Officers, and Donors - 1993

Fellowship Guide - American College of Dentists 2006

The Comparative Guide to American Suburbs - Grey House Publishing Inc. 2007-06

2500 suburban communities in the 60 largest metro areas are reported on statistics and rankings. In Bexar County Texas suburban cities listed are: Canyon Lake, Converse, Live Oak, New Braunfels, Schertz, Seguin and Universal City.

Historical Traveler's Guide to Florida - Eliot Kleinberg 2015-10-17

From Fort Pickens in the Panhandle to Fort Jefferson in the ocean 40 miles beyond Key West, historical travelers will find many adventures waiting for them in Florida. In this new updated edition the author presents 74 of his favorites--17 of them are new to this edition, and the rest have been completely updated. Along the Gulf Coast, see Henry Plant's Moorish jewel of a hotel in Tampa; John Ringling's home and art and circus museums in Sarasota; and the humble homes of Cuban and Italian cigar workers in legendary Ybor City. Up in north Florida visit Civil War battlefields; stroll the University of Florida campus; and see buffalo and wild Spanish horses on Paynes Prairie. In central Florida explore Eatonville, home of writer Zora Neale Hurston, and listen to carillon music as you stroll the gardens around Bok Tower. Down in the keys find the 250-year-old wreck of the San Pedro, a "living museum in

the sea" and the Key West home of famous author Ernest Hemingway.

Drama Is Her Middle Name - Wendy Williams 2007-12-18

Shock jock extraordinaire Wendy Williams lets loose with the first in a series of novels based on her alter ego, the divalicious radio DJ Ritz Harper. Ritz puts the s in shock and the g in gossip, and Drama is her middle name. Ritz is a suburban girl on the outside, but inside she's a hustler's hustler who's masterfully maneuvered her way into the spotlight after ruining the career of a well-respected newswoman (and former college friend). Ritz's "exclusive" rockets her to the top of the ratings, and she's rewarded with her very own show. Like a talking Venus flytrap, she verbally seduces her on-air guests, only to have them for lunch as she spews gossip about their lives. Ritz becomes the darling of the station's afternoon slot. But when Ritz goes from drive-time diva to drive-by victim, all she can think as she struggles to maintain consciousness is "Who did this to me?" Has Ritz bad-mouthed the wrong person? Has her signature cat-and-mouse "bomb drop" been dropped on her instead? Readers will salivate as they try to figure out where the fictional Ritz ends and the real-life Wendy begins.
