'Kubla Khan' Poetic Structure, Hypnotic Quality, and Cognitive Style - Reuven Tsur 2006-01-01

This book endorses Coleridge's statement: "nothing can permanently please which does not contain in itself the reason why it is so". It conceives of "Kubla Khan" as of a hypnotic poem, in which the "obtrusive

rhythms" produce a hypnotic, emotionally heightened response, giving false security to the "Platonic Censor", so that our imagination is left free to explore higher levels of uncertainty. Critics intolerant of uncertainty tend to account for the poem's effect by extraneous background information. The book consists of three parts employing different research methods. Part One is speculative, and discusses three aspects of a complex aesthetic event: the verbal structure of "Kubla Khan", validity in interpretation, and the influence of the critic's decision style on his critical decisions. The other two parts are empirical. Part Two explores reader response to gestalt qualities of rhyme patterns and hypnotic poems in perspective of decision style and professional training. Part Three submits four recordings of the poem by leading British actors to instrumental investigation.

Czech Lands, Part 1 - Lucie Storchová 2020-09-07

The Companion to Central and Eastern European Humanism: The Czech Lands is the first reference work on humanists and their literary activities in this region to appear in English. It provides biographical and bibliographical data about humanist literary life between c. 1480 and 1630, in two volumes, organised alphabetically by authors' names. This first volume includes three introductory chapters together with more than 130 biographical entries covering the letters A-L and a complete overview of the most recent research on humanism in Central Europe. The interdisciplinary research team behind this Companion paid particular attention to local approaches to the classical tradition, to humanistic multilingualism and to Bohemian authors' participation in European scholarly networks. The Companion is a highly relevant resource for all academics who are interested in humanism and the history of early modern literature in Central Europe.

Irresistible Shakespeare - Carol Rawlings Miller 2001-03

Make Shakespeare come to life through these exciting, reproducible scenes from his famous plays, such as Romeo and Juliet, A Midsummer Night's Dream, and As You Like It. Polysemy - Brigitte Nerlich 2003-01-01

About fifty years ago, Stephen Ullmann wrote that polysemy is 'the pivot of semantic analysis'. Fifty years on, polysemy has become one of the hottest topics in linguistics and in the cognitive sciences at large. The book deals with the topic from a wide variety of viewpoints. The cognitive approach is supplemented and supported by diachronic, psycholinguistic, developmental, comparative, and computational perspectives. The chapters, written by some of the most eminent specialists in the field, are all underpinned by detailed discussions of methodology and theory.

And Still I Rise - Maya Angelou 2011-08-17

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

Advertising and Popular Culture - Sammy Richard Danna 1992

"Subliminal perception debunked, senior citizen advertising comes of age, Mona Lisa goes commercial, and male ad image changes are questioned! These and a host of other insightful, informative essays comprise this volume. Numerous advertising and marketing scholars united to bring the reader some of their most instructive, stimulating and entertaining works." "Advertising today, more than ever, is a field filled with change, challenge, and controversy. For about a decade, the Popular Culture Association's Advertising Area has proved to be a forum for a variety of topics that highlight advertising's impact on culture and society. This volume stems from a proposal to collect into a book some of the papers presented at PCA Conferences in the Advertising Area from 1985-1989. Authors represent a variety of interests and research areas." "While original plans did not call for any specific topic divisions in this volume, the articles do present variety, though somewhat loosely categorized. In general, these categories fall under the broad umbrella of popular culture studies. Besides the familiar historical and critical presentations, articles of controversy and interest are included, such as the one on subliminal advertising. Some of these articles attempt to debunk previously written pieces and serve as a stepping stone to much further discussion." "All-in-all, you will find something to amuse, amaze, inform and stimulate in this volume of advertising variety and versatility."--BOOK JACKET.
