It's a heartwarming tale that kept me smiling all the way through. Every character entertains and satisfies, from the engaging scapegrace hero who I loved more and more through the book, his wild and insecure love-child and the loving, down-to-earth heroine, right down to the devious old butler and the dyslexic assassin. It's a sweet, sexy, fun romp with so much heart. I can't wait to read the next book in the series.” Anne Gracie, author of *The Winter Bride*

*The Gentlemen's Book of Etiquette and Manual of Politeness* - Cecil B. Hartley 2018-06-25  
This book provides rules for the etiquette to be observed in the street, at table, in the ball room, evening party, and morning call; with full directions for polite or responsive, dress, conversation, manly exercises, and accomplishments. Man was not intended to live like a bear or a hermit, apart from others of his own nature, and, philosophy and reason will each agree with me, that man was born for sociability and finds his true delight in society. Society is a word capable of many meanings, and used here in each and all of them. Society, par excellence; the world at large; the little clique to which he is bound by early ties; the companionship of friends or relatives; even society tete a tete with one dear sympathizing soul, are pleasant states for a man to be in. All in all this is a great book on etiquette. A great place to learn the rules of etiquette.

**Wicked Gentleman** - Christy Pastore  
2018-06-19

Stevie My Fairy Godmother had a wicked sense

of humor, of that I was certain. The first time I met Jackson Hart, I was on all fours with my ass in the air. At the time of our meet not so cute, I didn't know that the handsome man with the most captivating blue eyes was the wealthy, charismatic, and hot as sin hotelier, oh and my new boss. Well, technically he is my boss's boss. Just skimming the company manual was maybe not the best idea. But, I digress. Working at Hart Hotels & Spa was a temporary plan. Now, that plan has changed. Jackson Hart not only wanted me in his bed and in his life, he wanted me

working alongside him. Some offers are too good to pass up. Jackson Premium scotch aged to perfection, making money before sunrise, nine holes of golf and interesting conversation. Those are the things most known about me. Toss in a leggy brunette or a stunning redhead at a society event for good measure and there's a story to amuse the public. But, my story goes deeper-to the past that I left behind. Sooner or later past and present collide. I never dreamed Stevie Brockman would be part of both.
