*Equity by Design* - Mirko Chardin 2020-07-20

When it comes to the hard work of reconstructing our schools into places where every student has the opportunity to succeed, Mirko Chardin and Katie Novak are absolutely convinced that teachers should serve as our primary architects. And by “teachers” they mean legions of teachers working in close collaboration. After all, it’s teachers who design students’ learning experiences, who build student relationships . . . who ultimately have the power to change the trajectory of our students’ lives. *Equity by Design* is intended to serve as a blueprint for teachers to alter the all-too-predictable outcomes for our historically under-served students. A first of its kind resource, the book makes the critical link between social justice and Universal Design for Learning (UDL) so that we can equip students (and teachers, too) with the will, skill, and collective capacity to enact positive change. Inside you’ll find: Concrete strategies for designing and delivering a culturally responsive, sustainable, and equitable framework for all students Rich examples, case studies, and implementation spotlights of educators, students (including Parkland survivors), and programs that have embraced a social justice imperative Evidence-based application of best practices for UDL to create more inclusive and equitable classrooms A flexible format to facilitate use with individual teachers, teacher teams, and as the basis for whole-school implementation “Every student,” Mirko and Katie insist,

“deserves the opportunity to be successful regardless of their zip code, the color of their skin, the language they speak, their sexual and/or gender identity, and whether or not they have a disability.” Consider *Equity by Design* a critical first step forward in providing that all-important opportunity. “Our calling is to drop our egos, commit to removing barriers, and treat our learners with the unequivocal respect and dignity they deserve.” ~Mirko Chardin and Katie Novak

**Doña Perfecta** - Benito Pérez Galdós 2021-09-28

*Doña Perfecta* (1876) is a novel by Benito Pérez Galdós. Published toward the beginning of Pérez Galdós' career, *Doña Perfecta* is a powerful story of romance and religion that raises timeless questions regarding the meaning of love and the restrictions placed on individual lives by the Catholic Church. Adapted several times for film and television in Spain and abroad, the novel is one of Pérez Galdós' most beloved works of fiction. "What more can I tell you of Dona Rosarito but that that she is the living image of her mother? You will have a treasure, Señor Don Jose, if it is true, as I hear, that you have come to be married to her. She will be a worthy mate for you, and the young lady will have nothing to complain of, either.'" Don Jose Rey, known to friends and family as Pepe, arrives in the cathedral city of Orbajosa to marry his cousin Rosario. A young liberal, Jose has mixed feelings regarding the institution of marriage and the place of the Catholic church, but decides to obey his father's wishes and go ahead with the marriage as it has been arranged. When a disagreement arises between Pepe's father and

Doña Perfecta, the mother of Rosario, their spite threatens to destroy the lives of the two young lovers. With a beautifully designed cover and professionally typeset manuscript, this edition of Benito Pérez Galdós's Doña Perfecta is a classic of Spanish literature reimagined for modern readers.
