Morgawr - Terry Brooks 2002

Shocking revelations challenge the beliefs of the Druids and their comrades as they continue to battle the unspeakable forces of darkness that threaten to engulf them.

Indomitable - Terry Brooks 2003-11-04

An epilogue to The Wishsong of Shannara The time of the Shannara follows in the wake of an apocalypse that has destroyed the old world and very nearly annihilated its people as well. A thousand years of savagery and barbarism have concluded at the start the series with the emergence of a new civilization in which magic has replaced science as the dominant source of power. A Druid Council comprised of the most talented of the new races—Men, Dwarves, Trolls, Gnomes, and Elves, names taken from the old legends—has begun the arduous task of rebuilding the world and putting an end to the racial warfare that has consumed the survivors of the so-called Great Wars since their conclusion. But the wars continue, albeit in a different form. Magic, like science, is often mercurial, can be used for good or evil, and can have a positive or negative effect on those who come in contact with it. In The Sword of Shannara, a Druid subverted by his craving for magic's power manipulated Trolls and Gnomes in his effort to gain mastery over the other races. He failed because of Shea Ohmsford, the last of an Elven family with the Shannara surname. Shea, with the help of his brother and a small band of companions, was able to wield the fabled Sword of Shannara to destroy the Dark

Lord. Subsequently, in The Elfstones of the Shannara, his grandson Wil was faced with another sort of challenge, one that required the use of a magic contained in a set of Elfstones. But use of the Stones altered Wil's genetic makeup, so that his own children were born with magic in their blood. As a result, in the third book of the series, the Wishsong of Shannara, Brin and her brother Jair were recruited by the Druid Allanon to seek out and destroy the Ildatch, the book of dark magic that had subverted the Warlock Lord, and was now doing the same with the Mord wraiths. The story that follows takes place several years after the conclusion of The Wishsong and again features Jair Ohmsford, who must come to terms with his obsession with the past and his use of his magic that his sister has warned him not to trust

The terrorists want to kidnap Laura Davidson, the Presidents daughter, to hold the peace process hostage. Lt. Alan Lambrow and Laura barely escape the attack and are on the run. They are ruthlessly pursued by terrorists with orders to capture Laura, or failing that, to kill her. Alan and Laura cant phone in because they discover that the phone lines to the White House are tapped. They are out of money and out of places to hide. In addition to the terrorists hunting them, the FBI thinks the Lt. might be one of the kidnapers. An extraordinarily fast-moving adventure, the story's unexpected ending will leave you breathless.

*Female Chauvinist Pigs* - Ariel Levy 2005-09-13  
A classic work on gender culture exploring how the women's movement has evolved to Girls Gone Wild in a new, self-imposed chauvinism. In the tradition of Susan Faludi's Backlash and Naomi Wolf's The Beauty Myth, New York Magazine writer Ariel Levy studies the effects of

modern feminism on women today. Meet the Female Chauvinist Pig—the new brand of “empowered woman” who wears the Playboy bunny as a talisman, bares all for Girls Gone Wild, pursues casual sex as if it were a sport, and embraces “raunch culture” wherever she finds it. If male chauvinist pigs of years past thought of women as pieces of meat, Female Chauvinist Pigs of today are doing them one better, making sex objects of other women—and of themselves. They think they're being brave, they think they're being funny, but in Female Chauvinist Pigs, Ariel Levy asks if the joke is on them. In her quest to uncover why this is happening, Levy interviews college women who flash for the cameras on spring break and teens raised on Paris Hilton and breast implants. She examines a culture in which every music video seems to feature a stripper on a pole, the memoirs of porn stars are climbing the bestseller lists, Olympic athletes parade their Brazilian bikini waxes in the pages of Playboy, and thongs are marketed to prepubescent girls. Levy meets the high-powered women who create raunch culture—the new oinking women warriors of the corporate and entertainment worlds who eagerly defend their efforts to be “one of the guys.” And she traces the history of this trend back to conflicts between the women's movement and the sexual revolution long left unresolved. Levy pulls apart the myth of the Female Chauvinist Pig and argues that what has come to pass for liberating rebellion is actually a kind of limiting conformity. Irresistibly witty and wickedly intelligent, Female Chauvinist Pigs makes the case that the rise of raunch does not represent how far women have come, it only proves how far they have left to go.

**True Women** - Janice Woods Windle 1994-11-30  
Alive and pulsating with the events of our history, TRUE WOMEN tells the story of two dynastic family lines in Texas, the Kings and the Woodses. Euphemia Texas Ashby King could ride and shoot like any man, and she was there when Sam Houston's rag-tag army routed Santa Anna

at San Jacinto . . . . Though she risked her plantation running the Yankee cotton blockade during the Civil War, Georgia Virginia Lawshe Woods still had to defend her family from a corrupt Yankee officer . . . . Bettie Moss King survived wolves, storms, and the Ku Klux Klan to steer her family through the turbulent birth of modern times. Inspired by the author's own Texas roots, here is an unforgettable saga of the grit, determination, and courage of TRUE WOMEN. ""Heartfelt . . . The hardships and adventures faced by [this] family are so movingly described that I was in tears." -- The New York Times Book Review

**How Can I Get Through to You?** - Terrence Real 2010-05-11

"What happened to the passion we started with? Why aren't we as close as we used to be?"

PROBLEM: If you are a woman who is unfulfilled in your marriage...if you feel unheard or overburdened...if you quietly live in a state of slow-burn resentment... PROBLEM: If you are a man unhappy that your partner seems so unhappy with you...if you feel bewildered, unappreciated, or betrayed... This book offers a solution Bestselling author and nationally renowned therapist Terrence Real unearths the causes of communication blocks between men and women in this groundbreaking work. Relationships are in trouble; the demand for intimacy today must be met with new skills, and Real -- drawing on his pioneering work on male depression -- gives both men and women those skills, empowering women and connecting men, radically reversing the attitudes and emotional stumbling blocks of the patriarchal culture in which we were raised. Filled with powerful stories of the couples Real treats, no other relationship book is as straight talking or compelling in its innovative approach to healing wounds and reconnecting partners with a new strength and understanding.

**Circe** - Madeline Miller 2018-04-10

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra

Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

**High Druid of Shannara: Tanequil** - Terry Brooks 2004-08-31

BONUS: This edition contains an excerpt from Terry Brooks's The Measure of the Magic. Events that began in Jarka Ruus, Book One of High Druid of Shannara, come swiftly to a head in this second thrilling volume. Alliances are made, trusts are betrayed, and prices are paid. Through it all, Terry Brooks orchestrates the action with the flawless hand of a master mythmaker- fashioning another exquisite link in

his chain of bestselling epics. Loyal to none but herself and lethal even to those closest to her, Shadea a'Ru now holds sway as High Druid of Paranor—her ascension to power all but unchallenged in the wake of Grianne Ohmsford's sudden, mysterious vanishing. Only Shadea and her catspaw—the treacherous Prime Minister Sen Dunsidan—know the secret fate of the true Ard Rhys . . . for it was they who engineered it, by means of dark magic. And now Grianne languishes in the fearsome and inescapable netherworld called the Forbidding. Their bloodless coup a success, the corrupt pair, and their confederates within the Druid Council, seeks to make their dominion over the Four Lands absolute—with the aid of a devastating new weapon. But it could all be undone if Grianne's young nephew, Penderrin, succeeds in his frantic quest to rescue her. Shadea's airship-borne minions and the relentless assassin under her command continue their fierce pursuit of Pen and his comrades. Eluding death is only half the battle for Pen. To breach the Forbidding and bring Grianne back to the natural world means finding the fabled Tanequil . . . and the talisman it alone can provide. That means journeying into the Inkrim—a dreaded region thick with shadows and haunted by harrowing legends. It also means striking a bargain more dire than Pen could ever imagine. But there can be no turning back. For in her unearthly prison, the Ard Rhys faces a demonic plight too hideous to countenance. . . .

**Rituals of Manhood** - Gilbert H. Herdt  
2017-09-08

Rituals of Manhood provides some of the most dramatic and richly textured accounts of ritual passages known to anthropologists of the late twentieth century. When in an earlier time anthropologists and sociologists described collective initiation rituals, the political and gender aspects of these practices were seldom underscored. Today, the power relationships of the body and domination, and the social arena of gender politics are widely regarded as critical to the cultural meaning and interpretation.

*A Dangerous Garden* - Brent Maxwell 2001  
Daniel Mathews was strong, industrious and honest. He was a nice guy. He was also a drug dealer. He cultivated marijuana for a living. During the course of one fateful year in the mid 1980s, Daniel would have the metal of his character tested to its limits. His illegal lifestyle was rife with treacherous pitfalls. Was it possible for him to retain his integrity and continue his dangerous business? The tranquil and beautiful valleys of British Columbia are the setting for this story of intrigue and betrayal where Daniel Matthews resides. He farms and ranches there, his main crop consisting of the illegal plant marijuana. He has several partners, other local residents. This novel takes place over the course of one year in four parts, from summer to spring wherein Daniel questions his dangerous lifestyle - the growing and selling of marijuana. His son is sixteen, and at the age when he is exposed to marijuana and other drugs- a fact which greatly concerns Daniel. Daniel and his friends Tommy and Brian cultivate large plots of the crop and spend most of their time tending to them, and worrying about them. Numerous other neighbours in the rural area also grow the illegal herb. An unexpected visitor, Cheyenne, arrives at Daniel's farm. He is an old friend whom they suspect has become a narcotics agent. This complicates an already dangerous situation. Through the harrowing and dangerous summer and autumn months of growing and harvesting Daniel grows increasingly unhappy with his lifestyle. He begins to question what he does, who his friends are, and what he really wants in his life. The climax sees Daniel discovering evidence of betrayal and perhaps even murder. His life-altering decision can no longer be postponed.

BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. The fate of a world rests on an unlikely hero. . . . Tucked away in peaceful Shady Vale, the young half-elf Shea Ohmsford gives little thought to the outside world. Yet far to the north, the evil Warlock Lord has dispatched shadowy Skull Bearers, creatures twisted by dark sorcery, to hunt him down. At the same time, a black-cloaked giant of a man appears in Shady Vale. He claims to be the mysterious Druid known as Allanon, a wizardly wanderer of vast knowledge and power—and he has come to see Shea. For Shea, he says, is the last descendant of an ancient Elven king. Only he, in all the world, can wield the fabled Sword of Shannara. And only the Sword can stop the Warlock Lord from destroying all that lives. The Sword lies far from Shady Vale, in the Druid castle of Paranor. And Paranor has fallen under the shadow of the Warlock Lord. Yet all is not lost. Shea will rise to the challenge. Together with Allanon and a handful of brave companions, he begins a desperate quest into the very heart of evil. . . .

**The Last Saxon King** - Andrew Varga  
2023-03-07

One jump to save all time Life is progressing normally for sixteen-year-old Dan Renfrew when he accidentally transports himself to England in the year 1066. He soon realizes that he's trapped there, and that's not his only astonishing discovery. Dan learns that he's descended from a long line of time jumpers—secret heroes who travel to the past and resolve glitches in the time stream that threaten to alter subsequent history. The only way Dan can return home is to set history back on its proper course in the Anglo-Saxon age. This is no easy task. A Viking horde is ravaging England in the north while a Norman army threatens to invade from the south. In between and desperately struggling to hold on to his throne is Harold Godwinson, the newly-crowned English king. Dan is fighting to ensure that events play out correctly when he finds himself plunged into an even more lethal conflict. To save history, Dan must battle a band of malevolent time jumpers whose lust for wealth and power threatens the entire future of the world.

*Soul Shattering Sex* - John Laundre 2017-06-09  
In his only advice on sex to the author, one rainy afternoon, his father commented on a friend's ongoing divorce where the wife contended that she, mother of eight children, had never had an orgasm in 20 years of marriage. His father sadly shook his head and said that if a woman does not achieve an orgasm, it means that sex to her is just another sticky mess. From this rainy afternoon, came the foundation for this book: Sex has to be a two person journey where each partner in the journey should be committed to satisfying the other. Women have always met this commitment. Should not women expect the same commitment from men? And what does this mean practically? In six chapters and six areas the author reveals the techniques, attitudes and behaviors that separate good lovers from poor ones. He contends that these have to extend beyond the orgasm and beyond the bedroom - since how we treat each other out of bed, the other 99% of the time IS tremendously important to sexual satisfaction for both partners. How can you dramatically improve your chances of having mutually satisfying sexual encounters with your spouse, lover, one-night-friend? You will know after reading in this book about the "complete love making" process that provides you with the missing links that enable you to have soul shattering experiences in bed ... every time! On the practical side, the book discusses disease and pregnancy, both of which can result in a woman having an even less satisfying experience than just a sticky mess between her legs. Principally, what is discussed is how to avoid disease and pregnancy, if desired, so that both partners can relax, a prerequisite to having truly satisfying sex, especially for the woman. The main chapter discusses in detail the attitude a man should have when engaging in sex with a woman. The goal should be her sexual enjoyment and ultimately her sexual satisfaction. Placing her needs ahead of ours, ours will not only be satisfied but will be even more enjoyable for us. The following chapter discusses the importance of good hygiene making sex an olfactory pleasant experience ... rather than just two pigs wrestling in the dirt. This is followed by a discussion of how men and women should treat each other, out of the bed. Sex only takes up a

brief period of time and between those encounters both partners need to interact with each other, talk, do things. How we men as sensitive lovers treat women during these "off times" will have a huge impact on how satisfying our partner found the sex you just had and if she would want to engage in it again. The last chapter discusses how women can save some time by spotting jerks who will eventually lead to sexual disappointing encounters. In sum, this book is for men who wish to be better lovers, for women who no longer want to feel inadequate or guilty, and for young adults who with this book get a very practical directory into the adventure of a happy sex life - without too many sticky messes.

**Early Christians and Animals** - Robert M. Grant 2002-01-04

Early Christians and Animals presents a lively study of the significance of animals in early Christian thought, tradition, text and art. Robert M. Grant: \* examines the diverse and often conflicting sources, from the pagan antecedents Aristotle and Pliny, to Biblical animal references and the Church fathers \* provides fresh translations of key texts concerning animals - the Physiologus, Basils homilies and Isidores chapters.

**Animal Farm** - George Orwell 2021-02-02

All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.

**The Lonely Detective** - Charles E. Schwarz 2002-03

Fire on the Island - Tom Bratrud 2022-04-08

In 2014, the island of Ahamb in Vanuatu became the scene of a startling Christian revival movement led by thirty children with 'spiritual vision'. However, it ended dramatically when two men believed to be sorcerers and responsible for much of the society's problems were hung by persons fearing for the island's future security. Based on twenty months of ethnographic fieldwork on Ahamb between 2010 and 2017, this book investigates how upheavals like the Ahamb revival can emerge to address and sometimes resolve social problems, but also carry risks of exacerbating the same problems they arise to address.

**The Measure of the Magic** - Terry Brooks 2012-07-31

NEW YORK TIMES BESTSELLER For five hundred years, the survivors of the Great Wars lived peacefully in a valley sanctuary shielded by powerful magic from the dangerous outside world. But the enchanted barriers have crumbled, and the threat of annihilation looms large once more. As he lay dying, Sider Ament, bearer of the last black staff and protector of the valley, gave stewardship of the powerful talisman to the young Tracker Panterra Qu. Now the newly anointed Knight of the Word must take up the battle against evil wherever it threatens: from without, where an army of bloodthirsty Trolls is massing for invasion; and from within, where the Elf king of Arborlon has been murdered, his daughter stands accused, and a heinous conspiracy is poised to subjugate the kingdom. But even these affairs will pale beside the most harrowing menace Panterra is destined to confront—a nameless, merciless agent of darkness on a relentless mission: to claim the last black staff . . . and the life of whoever wields it.
