A History of the Republic of Biafra - Samuel Fury Childs Daly 2020-07-31

The Republic of Biafra lasted for less than three years, but the war over its secession would contort Nigeria for decades to come. Samuel Fury Childs Daly examines the history of the Nigerian Civil War and its aftermath from an uncommon vantage point - the courtroom. Wartime Biafra was

glutted with firearms, wracked by famine, and administered by a government that buckled under the weight of the conflict. In these dangerous conditions, many people survived by engaging in fraud, extortion, and armed violence. When the fighting ended in 1970, these survival tactics endured, even though Biafra itself disappeared from the map. Based on research using

an original archive of legal records and oral histories, Daly catalogues how people navigated conditions of extreme hardship on the war front, and shows how the conditions of the Nigerian Civil War paved the way for the country's long experience of crime that was to follow.

A History of the English Language - Elly van Gelderen
2014-04-03

The English language in its complex shapes and forms changes fast. This thoroughly revised edition has been refreshed with current examples of change and has been updated regarding archeological research. Most suggestions brought up by users and reviewers have been incorporated, for instance, a family tree for Germanic has been added, Celtic influence is highlighted much more, there is more on the origin of Chancery English, and internal and external change are discussed in much greater detail. The philosophy of the revised book remains the same with an emphasis on the

linguistic history and on using authentic texts. My audience remains undergraduates (and beginning graduates). The goals of the class and the book are to come to recognize English from various time periods, to be able to read each stage with a glossary, to get an understanding of typical language change, internal and external, and to understand something about language typology through the emphasis on the change from synthetic to analytic. The Curse of Lord Stanstead - Mia Marlowe 2015-07-28
London, 1819. Wherever Cassandra Darkin goes, fire is sure to follow. It's not until she's swept into the arms of a handsome, infuriating stranger that she learns she's responsible for the fires. As it turns out, Cassandra is a fire mage...and with her gift comes a blazing desire for sins of the flesh. With his preternatural ability to influence the thoughts of others, Garrett

Sterling is sent to gather Cassandra for the Order of the M.U.S.E. He's entirely unprepared for his immediate attraction to the comely little firestarter. But it's an attraction that he must quell, even as his body craves her touch and her fiery, sensual hunger. For Garrett's gift has a dark side...and the moment he begins to care too much for Cassandra, he knows he will doom her to an inescapable fate. The Order of the M.U.S.E. series is best enjoyed in order. Reading Order: Book #1 The Curse of Lord Stanstead Book #2 The Madness of Lord Westfall Book #3 The Lost Soul of Lord Badewyn
The Moderate Soprano - David Hare 2015-11-12
'I want to give my country a model of perfection... Nothing less. My country needs cheering up. I'm the man to do it.' Nobody can doubt John Christie's passion nor his formidable will: his wooing of his opera singer wife has been marked by a determination befitting a man who won the Military Cross at the Battle of

Loos. Now, in 1934, this Etonian science teacher's admiration for the works of Wagner has led him to embark on an ambitious project: the construction of an Opera House on his estate in Sussex. But such is the scale of the enterprise that passion alone may not be enough. It's only when a famous violinist is delayed by fog overnight in Eastbourne that Christie hears word of a group of refugees for whom life in Germany is becoming impossible. Perhaps they can deliver Christie's vision of the sublime - assuming they're willing to cast his wife in the lead. David Hare's new play is the story of an intense love affair between some unlikely bedfellows, and of the unrelenting search for artistic excellence in the face of searing scrutiny, sacrifice and war. *The Moderate Soprano* premieres at Hampstead Theatre, London, in October 2015.

An Ennie- and Golden Geek-award-winning supplement for

Trail of Cthulhu. These cycles of experience, of course, all stem from that worm-riddled book. I remember when I found it in a dimly lighted place near the black, oily river where the mists always swirl. The Book. Forbidden Tomes. Bookhounds of London is a brand new campaign setting for Trail of Cthulhu, packed with period detail, where the Investigators seek out books about horror and strangeness and become, seemingly inevitably, drawn into the horror themselves. It provides in-depth material on London in the 1930s, carefully slanted towards Mythos investigators. An Ancient City. Bookhounds London is a city of cinemas, electric lights, global power and the height of fashion. Its about the horrors the cancers that lurk in the capital, in the very beating heart of human civilization. A Templar altar might well crouch, mostly forgotten, in the dreary Hackney Marshes, but altars to false gods tower over the metaphorical swamps of Fleet Street and Whitehall. And as for lost, prehuman ruins

Instead, they acquire maps (and maybe guidebooks) to those forbidden frontiers from fusty libraries and prestigious auction houses. They are Book-Hounds, looking for profit in mouldy vellum and leather bindings, balancing their own books by finding first editions for Satanists and would-be sorcerers. They may not quite know what they traffic in, or they may know rather better than their clientele, but needs must when the bills come in. Dance Until Dawn - Berni Stevens 2014-03-03

In the first book of this dark, sexy paranormal series, an unlikely girl becomes the one thing a vampire needs more than blood . . . A twenty-two-year-old dancer in London's West End, Ellie Wakefield should be in the prime of her life. But now, she is no longer alive. And yet, she's not quite dead. Ellie has been turned into a fledgling vampire—despite her lifelong aversion to blood and her dread of the dark. And when she meets the powerful creature who changed her, she defies him as no other has ever dared . . . At three hundred years old, William Austen thought he was above such mortal feelings as love—until he saw Ellie. After a year of desiring her from afar, he was forced to bite her to rescue her soul from oblivion. And now he will finally have the chance to be truthful about who he is, and take her as his own . . . Forever. "If you love Paranormal Romance, if vampires and their ladies fill

you with anticipation, if you enjoy a knockdown, all out fight between the good and the evil of the paranormal world—then this novel is for you. I highly recommend Dance Until Dawn and I'm hoping for a sequel, or better yet a series in the future." —Keeper Bookshelf

The Lost Soul of Lord Badewyn

- Mia Marlowe 2015-11-23

He vowed to never fall in love... Meg Anthony was never raised a lady. Instead, she grew up amongst grifters who used her unique "finding" ability for their own selfish purposes. Recently, she's been taken under the wing of the Duke of Camden and the Order of M.U.S.E., learning not only the fine art of becoming a lady, but how to use her extraordinary talent to help others. But Meg's gift is a beacon to unsavory characters who would possess her. Charged with her protection, Lord Badewyn knows—too well—that his wild, Welsh castle is no safe haven

for this lovely, all-too-desirable creature. Part human, part fallen angel, he is one of the Nephilim. He is a recluse sworn never to love. As the dangers to Meg grow more threatening, he cannot help but find himself tempted beyond all reason...and tested to see if he has both a heart and a soul. The Order of the M.U.S.E. series is best enjoyed in order. Urban Regeneration in the UK - Andrew Tallon

2009-08-21

Exploring the streets of London, Manchester, Belfast, Edinburgh or Cardiff, one cannot help but notice the striking transformations taking place in the urban landscapes. This prominent regeneration of urban areas in the UK and around the world has become an increasingly important issue amongst governments and populations. The growing concern has been a result of the impacts of the decline of cities since the collapse of manufacturing industries and the heightening of global competition. A range of innovative approaches to tackle urban problems have been

taken over many decades to attempt to regenerate the fortunes of towns and cities across the UK. This text provides an accessible, yet critical, synthesis of urban regeneration in the UK incorporating key policies, approaches, issues and debates. The central objective of the book is to place the historical and contemporary regeneration agenda into context. Section one sets up the conceptual and policy framework for urban regeneration in the UK. Section Two traces policies that have been adopted by central government to influence the social, economic and physical development of cities, including early municipal interventions in the late nineteenth century, community-focused urban policies of the late 1960s, entrepreneurial property-led regeneration of the 1980s and competition for urban funds in the 1990s. The penultimate section illustrates the key thematic policies and strategies that have been

pursued by cities themselves, focusing particularly on improving economic competitiveness and tackling social disadvantage. These approaches are contextualized by discussions covering, for example, urban competitiveness policies and the focus on sustainable urban regeneration. The final section summarizes key issues and debates facing urban regeneration, and speculates upon future directions. Urban Regeneration in the UK blends the approaches taken by central government programmes and cities themselves in the regeneration process. The latest ideas and examples from across disciplines and across the UK's urban areas are illustrated. This book provides a comprehensive and up-to-date synthesis that will fill a significant gap in the current literature on regeneration and will be a tool for students as well as a seminal read for practitioners and researchers.

When snow forces Gina to stop and spend the night at the Enchanted Inn, she's less than happy to find her ex-fiancé there, too. But she can be civil for one night, especially after the innkeeper gives them a bottle of homemade wine to share. A few glasses of that wine sends Luke and Gina back to 1778, where Luke seems to think he's someone called John—a man who knows more about life in colonial times than he should. Gina may be able to deal with the hardships her new reality throws at her, but she doesn't give up hope of finding a way home. And when she does find a way, she's determined to take John with her—whether he wants to go or not.

Uncertain Magic - Laura Kinsale 2014-04-01
Convenience turns to love when an heiress weds a disreputable rake in this sweeping Irish romance by a New York Times–bestselling author. Cursed with the gift of mind reading, Roddy Delamore has little chance of finding a husband. Driven mad by the dishonorable thoughts of her suitors, she struggles to trust any man she meets. She seizes on the chance to marry Lord Faellan Savigar, the Earl of Iveragh, despite his poor reputation and murky past. Strangely his mind projects only blankness. With him, her other senses stretch and heighten. She begins to wonder if she has finally met the man she has been waiting for her entire life. Condemned by dark rumors, Iveragh is taken aback by Roddy’s proposal. His name is ruined by poverty and a blackened past; he could be a liar, a swindler, or worse. Yet she believes in him.. Soon he is stirred by her gentle trust, and he is prepared to give his life and his heart. From the

Bordering intimacy - Joe Turner 2020-09-29

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. *Bordering intimacy* explores the interconnected role of borders and dominant forms of family intimacy in the governance of postcolonial states. Combining

a historical investigation with postcolonial, decolonial and black feminist theory, the book reveals how the border policies of the British and other European empires have been reinvented for the twenty-first century through appeals to protect and sustain 'family life' - appeals that serve to justify and obfuscate the continued organisation of racialised violence. The book examines the continuity of colonial rule in numerous areas of contemporary government, including family visa regimes, the policing of 'sham marriages', counterterror strategies, deprivation of citizenship, policing tactics and integration policy.

The Church on British

Television - Marcus Harmes
2020-04-28

This book will be the first systematic and comprehensive text to analyze the many and contrasting appearances of the Church of England on television. It covers a range of genres and programs including crime drama, science fiction, comedy, including the specific genre of 'ecclesiastical comedy', zombie horror and non-fiction broadcasting. Readers interested in church and political history, popular culture, television and broadcasting history, and the social history of modern Britain will find this to be a lively and timely book. Programs that year after year sit enshrined as national favourites (for example Dad's Army and Midsomer Murders) foreground the Church. From the Queen's Christmas Message to royal weddings and Coronation Street, the clergy and services of England's national church abound in television. This book offers detailed analysis of landmark examples of small screen

output and raises questions relating to the storytelling strategies of program makers, the way the established Church is delineated, and the transformation over decades of congregations into audiences.

SABR 50 at 50 - Bill Nowlin
2020-09-01

SABR 50 at 50 celebrates and highlights the Society for American Baseball Research's wide-ranging contributions to baseball history. Established in 1971 in Cooperstown, New York, SABR has sought to foster and disseminate the research of baseball—with groundbreaking work from statisticians, historians, and independent researchers—and has published dozens of articles with far-reaching and long-lasting impact on the game. Among its current membership are many Major and Minor League Baseball officials, broadcasters, and writers as well as numerous former players. The diversity of SABR members' interests is reflected in this fiftieth-anniversary volume—from baseball and the arts to

statistical analysis to the Deadball Era to women in baseball. SABR 50 at 50 includes the most important and influential research published by members across a multitude of topics, including the sabermetric work of Dick Cramer, Pete Palmer, and Bill James, along with Jerry Malloy on the Negro Leagues, Keith Olbermann on why the shortstop position is number 6, John Thorn and Jules Tygiel on the untold story behind Jackie Robinson's signing with the Dodgers, and Gai Berlage on the Colorado Silver Bullets women's team in the 1990s. To provide history and context, each notable research article is accompanied by a short introduction. As SABR celebrates fifty years this collection gathers the organization's most notable research and baseball history for the serious baseball reader.
