The Edge of Dominance - Shayla Black 2016-09-11

Since Macen "Hammer" Hammerman shares the bond he's long craved with Raine Kendall and his best friend, Liam O'Neill, he should be looking forward to a bright future. But a vengeful force from the past returns to cast a long shadow. As Hammer reels from a bombshell that exhumed struggles he'd buried after his late wife's passing, he learns her death may not be ruled a suicide after all. Worse, a figure from Raine's childhood surfaces, determined to rip her away for good. As the threats against the trio multiply, Hammer must confront his demons while leaning on Liam to keep their new family intact. But with emotions running high and forces mounting against them, can their love survive so they can finally live happily ever after?

Twelve Years a Slave - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Bold and the Dominant - Jenna Jacob 2015-02-10

After spending weeks trying to reach Raine Kendall, Dominants Liam O'Neill and Macen Hammerman have finally broken past the walls to their submissive's wounded heart. Before they can enjoy their newfound closeness, Liam's past comes back to haunt him when his ex-wife drops in-with a secret that could tear his world apart. Forced to leave Raine in Hammer's care, Liam is stuck on the outside, stewing in frustration and insecurity...and wondering if Raine no longer needs him or if Hammer alone completes her. Always the pillar of strength, Hammer tries to help Liam while sheltering their woman. But Raine soon discovers the truth that threatens the trio's chance of a happily-ever-after. Determined to hold them together, the two men cook up a scheme to uncover the ex's secret. When an old nemesis returns and targets Raine, can Liam and Hammer come together to slay the danger and save the woman they both love?

[Hollywood Highbrow](#) - Shyon Baumann 2018-06-05

Today's moviegoers and critics generally consider some Hollywood products—even some blockbusters—to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie "art." Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies—and not just European ones—deserved to be considered art.

A woman on a missionPhoebe Graham is a specialist in deep cover

espionage, infiltrating the enemy, observing their practices, and when necessary eliminating the threat. Her latest assignment is McKay-Taggart Security Services, staffed with former military and intelligence operatives. They routinely perform clandestine operations all over the world but it isn't until Jesse Murdoch joins the team that her radar starts spinning. Unfortunately so does her head. He's gorgeous and sweet and her instincts tell her to trust him but she's been burned before, so he'll stay where he belongs-squarely in her sights. A man on the runSince the moment his Army unit was captured by jihadists, Jesse's life has been a nightmare. Forced to watch as those monsters tortured and killed his friends, something inside him snapped. When he's finally rescued, everyone has the same question-why did he alone survive? Clouded in accusations and haunted by the faces of those he failed, Jesse struggles in civilian life until McKay-Taggart takes him in. Spending time with Phoebe, the shy and beautiful accountant, makes him feel human for the first time in forever. If someone so innocent and sweet could accept him, maybe he could truly be redeemed.A love they never expectedWhen Phoebe receives the order to eliminate Jesse, she must choose between the job she's dedicated her life to and the man who's stolen her heart. Choosing Jesse would mean abandoning everything she believes in, and it might mean sharing his fate because a shadowy killer is dedicated to finishing the job started in Iraq.

THE FIRST PSY/CHANGELING NOVEL from the New York Times bestselling author of *Shards of Hope*, *Shield of Winter*, and *Heart of Obsidian*... The book that Christine Feehan called "a must-read for all of my fans." In a world that denies emotions, where the ruling Psy punish any sign of desire, Sascha Duncan must conceal the feelings that brand her as flawed. To reveal them would be to sentence herself to the horror of "rehabilitation"—the complete psychic erasure of everything she ever was...Both human and animal, Lucas Hunter is a Changeling hungry for the very sensations the Psy disdain. After centuries of uneasy coexistence, these two races are now on the verge of war over the brutal murders of several Changeling women. Lucas is determined to find the Psy killer who butchered his packmate, and Sascha is his ticket into their closely guarded society. But he soon discovers that this ice-cold Psy is very capable of passion—and that the animal in him is fascinated by her. Caught between their conflicting worlds, Lucas and Sascha must remain bound to their identities—or sacrifice everything for a taste of darkest temptation...

Kushiel's Chosen - Jacqueline Carey 2003-03-14

Following hard on the heels of *Kushiel's Dart*, Jacqueline Carey's spectacular debut novel, comes *Kushiel's Chosen*, a glittering and riveting historical fantasy. The land of Terre d'Ange is a place of unsurpassed beauty and grace. It is said that the angels found the land and saw it was good, and the ensuing race that rose from the seed of angels and men live by one simple rule: Love as thou wilt. Phèdre nó Delaunay is a young woman who was born with a scarlet mote in her left eye and sold into indentured servitude as a child. Her bond was purchased by Anafiel Delaunay, a nobleman with a very special mission-- and the first to recognize her for who and what she is: one pricked by *Kushiel's Dart*, chosen to forever experience pain and pleasure as one. Phèdre has trained in the courtly arts and the talents of the bedchamber, but, above all, the ability to observe, remember, and analyze. Having stumbled upon a plot that threatened the very foundations of her homeland, she gave up almost everything she held dear to save it. She survived, and lived to have others tell her story, and if they embellished the tale with fabric of mythical splendor, they weren't far off the mark.

The hands of the gods weigh heavily upon Phèdre's brow, and they are not yet done with their charge--for while the young queen who sits upon the throne is well loved by the people, there are those who believe that other heads should wear the crown. And those who escaped the wrath of the mighty are not yet done with their schemes for power and revenge. To protect and serve, Phèdre will once again leave her beloved homeland. From the sun-drenched villas of La Serenissima to the wilds of old Hellas, from a prison designed to drive the very gods mad to an island of immutable joy. Phèdre will meet old friends and new enemies and discover a plot so dreadful as to make the earth tremble, masterminded by the one person she cannot turn away from. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Guardian of the Republic - Allen West 2014-04-01

The inspiring life and uncensored views of a veteran, patriot, former Congressman, conservative icon, and warrior for personal liberty... Over the course of the past few decades, Allen West has had many titles bestowed on him, among them Lt. Colonel, U.S. Representative, "Dad," and Scourge of the Far Left. He rose from humble beginnings in Atlanta where his father instilled in him a code of conduct that would inform his life ever after. Throughout his years leading troops, raising a loving family, serving as Congressman in Florida's 22nd district, and emerging as one of the most authentic voices in conservative politics, West has never compromised the core values on which he was raised: family, faith, tradition, service, honor, fiscal responsibility, courage, freedom. Today, these values are under attack as never before, and as the far Left intensifies its assaults, few have been as vigorous as West in pushing back. He refuses to let up, calling out an Obama administration that cares more about big government than following the Constitution, so-called black "leaders" who sell out their communities in exchange for pats on the head, and a segment of the media that sees vocal black conservatives as threats to be silenced. Now more than ever, the American republic needs a guardian: a principled, informed conservative who understands where we came from, who can trace the philosophical roots of our faith and freedom, and who has a plan to get America back on track. West isn't afraid to speak truth to power, and in this book he'll share the experiences that shaped him and the beliefs he would die to

defend.
