The Ultimate Jack the Ripper Sourcebook - Keith Skinner 2013-02-07

Two experienced Ripperologists have applied their joint knowledge and expertise to the painstaking collation of all the known official records to produce the ultimate Ripper book - a narrative account of the murders encompassing all the known evidence. The most complete work on the Ripper case ever, contains: the entire contents of the Scotland Yard files covering the full series of murders; extensive press reports; witness statements and extracts from police notebooks; documents missing from the official files and many rare photographs. The Ultimate Jack the Ripper Sourcebook is not only an invaluable reference, but is also a compelling account of the Victorian serial murderer whose identity remains one of criminology's greatest mysteries.

The Corporate Tribe - Danielle Braun 2018-11-22

No challenge is entirely new. In 60,000 years of human existence, nearly every problem we face in modern business has already been seen...and solved. We just have to figure out how to apply that age-old tribal wisdom to our current circumstances. The Corporate Tribe will take you on a journey to discover the essence of culture and the secret to successful change programs. Along the way, it will introduce you to the cultural traditions of different people across the globe and provide you with the practical tools you need to apply what you find to today's organizations. Through thirty compelling stories, The Corporate Tribe will reveal what, deep down, you already know. At turns unfamiliar and disruptive, illuminating and inspirational, The Corporate Tribe offers a powerful paradigm and skillset for tackling organizational and leadership challenges in the twenty-first century and beyond. It is a book for leaders, consultants and advisors who are looking for a fresh perspective and proven solutions, for those who want to build strong communities that are safe for diversity and ready for change. Danielle Braun and Jitske Kramer are corporate anthropologists. They look at organizations as tribes, organizational charts as kinship systems, leaders as chiefs and mission documents as totem poles. Travel with them to places where spirits linger after death, magic is real and rituals are the key to maintaining order and facilitating transition. You will never look at your organization—or approach its problems—the same way again.

Eeny Meeny - M. J. Arlidge 2015-06-02

The "dark, twisted, thought-provoking"* international bestseller—first in the series featuring Detective Helen Grace. Two people are abducted, imprisoned, and left with a gun. As hunger and thirst set in, only one walks away alive. It's a game more twisted than any Detective Helen Grace has ever seen. If she hadn't spoken with the shattered survivors herself, she almost wouldn't believe them. Helen is familiar with the dark sides of human nature, including her own, but this case—with its seemingly random victims—has her baffled. But as more people go missing, nothing will be more terrifying than when it all starts making sense.... *#1 New York Times bestseller Tami Hoag

The Darwin Awards II - Wendy Northcutt 2001-12-01

The hilarious New York Times bestselling phenomenon and the perfect funny gift! The Darwin Awards II: Unnatural Selection brings together a fresh collection of the hapless, the heedless, and the just plain foolhardy among us. Salute the owner of an equipment training school who demonstrates the dangers of driving a forklift by failing to survive the filming of his own safety video. Gawk at the couple who go to sleep on a sloping roof. Witness the shepherd who leaves his rifle unsecured—only to be accidentally shot by one of his own flock. With over one hundred Darwin Award Winners, Honorable Mentions, and debunked Urban Legends, plus science and safety tips for avoiding the scythe of natural selection, The Darwin Awards II proves once again how uncommon common sense can be.

The Misfortunates - Dimitri Verhulst 2013-10-15

Frank, tender, and brutally funny, Dimitri Verhulst's semi-autobiographical story details the vibrantly entertaining journey of a boy growing up in a family of alcoholics in Belgium. Sobriety and moderation are alien concepts to the men in Dimmy's family. Useless in all other respects, his three uncles have a rare talent for drinking, a flair for violence, and an unwavering commitment to the pub. And his father Pierre is no slouch either. Within hours of his son's birth, Pierre plucks him from the maternity ward, props him on his bike, and takes him on an introductory tour of the village bars. His mother soon leaves them to it and as Dimmy grows up amid the stench of stale beer, he seems destined to follow the path of his forebears and make a low-life career in inebriation, until he begins to piece together his own plan for the future. Bringing to life the shambolic upbringing that The Guardian describes as, "the odd, ugly, excremental poetry of their grubby lives," The Misfortunates "can be unexpectedly tender as well as uncomfortably funny... this novel continually surprises and intrigues."

Sapiens - Yuval Noah Harari 2015-02-10

New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian comes a groundbreaking narrative of humanity's creation and

evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be “human.” One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, *Sapiens* integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs, 6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.

The Boy, the Mole, the Fox and the Horse - Charlie Mackesy 2019-10-29

#1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER
“The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.”- Elizabeth Egan, The New York Times
From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that explores life’s universal lessons, featuring 100 color and black-and-white drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book, following the tale of a curious boy, a greedy mole, a wary fox and a wise horse who find themselves together in sometimes difficult terrain, sharing their greatest fears and biggest discoveries about vulnerability, kindness, hope, friendship and love. The shared adventures and important conversations between the four friends are full of life lessons that have connected with readers of all ages.

The Sun Sister - Lucinda Riley 2020-05-19

An epic and transporting novel, the latest installment of the “heart-wrenching, uplifting, and utterly enthralling” (Lucy Foley, author of *The Guest List*) Seven Sisters series, unravelling between the dazzling streets of modern-day New York City and the breathtaking plains of 1940s colonial Kenya. Electra d’Aplière is a top model who seems to have it all: beauty, fame, and wealth. But beneath the glittery veneer, she’s cracking under all the pressure. When her father dies, she turns to alcohol and drugs to ease the pain. As friends and colleagues fear for her health, Electra receives a shocking letter from a stranger who claims to be her grandmother. In 1939, New Yorker Cecily Huntley-Morgan arrives in Kenya’s Lake Naivasha region for the exciting chance to stay with her godmother, the famous socialite Kiki Preston. But after a sheltered upbringing, she’s astounded by the hedonistic antics of the other ex-pats in the infamous Happy Valley set. Cecily soon grows to love her stunning but complicated new home, and she even accepts a proposal of marriage from an enigmatic older cattle farmer. After a shocking discovery and with war looming, Cecily feels isolated and alone. Until she meets a young woman in the woods and makes her a promise that will change the course of her life forever. Featuring Lucinda Riley’s “engaging and mesmerizing” (Library Journal, starred review) storytelling and filled with unforgettable and moving characters, *The Sun Sister* explores how love can cross seemingly impossible boundaries.

The international bestselling series with over 5 million copies sold in the U.S. alone! They have always scared him in the past—the Rangers, with their dark cloaks and shadowy ways. The villagers believe the Rangers practice magic that makes them invisible to ordinary people. And now 15-year-old Will, always small for his age, has been chosen as a Ranger's apprentice. What he doesn't yet realize is that the Rangers are the protectors of the kingdom. Highly trained in the skills of battle and surveillance, they fight the battles before the battles reach the people. And as Will is about to learn, there is a large battle brewing. The exiled Morgarath, Lord of the Mountains of Rain and Night, is gathering his forces for an attack on the kingdom. This time, he will not be denied. . . . Here is the fantasy adventure that launched the Ranger's Apprentice series, an epic story of heroes and villains that has become an international phenomenon. Perfect for fans of J.R.R. Tolkien's *Lord of the Rings*, T.H. White's *The Sword in the Stone*, Christopher Paolini's *Eragon* series, and George R. R. Martin's *Game of Thrones / A Song of Ice and Fire* series.

Service Automation Framework - Jan-Willem Middelburg 2016-12-07

Service Automation is the concept of achieving customer loyalty by the use of automated technologies and builds upon a large demographic and sociological trend. We are the self-service generation, who are able to make our own decisions. The self-service generation is nowadays used to search, evaluate and purchase products online for a number of years now. This book will give you deep insight into the concept of Service Automation, the concept by which you can automate customer service in your organization. If you adequately apply Service Automation in your organization, you will see both employee and customer satisfaction rise and significantly increase the number of people who ‘like’ your company. The Service Automation Framework (SAF®) has been created to find a methodical way to discuss Service Automation. It offers a simplistic version of any organization, which includes a number of processes that every organization can think of to systematically enhance its Service. As with any model, it is a simplified version of reality, but it structures the mind and provides uniform terminology when discussing the contents with co-workers and colleagues. Nothing more, nothing less. We encourage you to adapt and apply the model in any way that you see fit and which helps you and your organization. This book is intended for anyone who has ever experienced that the level of Service in his organization can be increased and is looking for guidance on a step-by-step model to achieve this, whether you are an entrepreneur, executive, consultant or work in the field of academia.

The Eight Mountains - Paolo Cognetti 2018-03-20

For fans of Elena Ferrante and Paulo Coelho comes a moving and elegant novel about the friendship

between two young Italian boys from different backgrounds and how their connection evolves and challenges them throughout their lives. "Few books have so accurately described the way stony heights can define one's sense of joy and rightness...an exquisite unfolding of the deep way humans may love one another" (Annie Proulx). Pietro is a lonely boy living in Milan. With his parents becoming more distant each day, the only thing the family shares is their love for the mountains that surround Italy. While on vacation at the foot of the Aosta Valley, Pietro meets Bruno, an adventurous, spirited local boy. Together they spend many summers exploring the mountains' meadows and peaks and discover the similarities and differences in their lives, their backgrounds, and their futures. The two boys come to find the true meaning of friendship and camaraderie, even as their divergent paths in life—Bruno's in the mountains, Pietro's across the world—test the strength and meaning of their connection. "A slim novel of startling expansion that subtly echoes its setting" (Vogue), *The Eight Mountains* is a lyrical coming-of-age story about the power of male friendships and the enduring bond between fathers and sons. "There are no more universal themes than those of the landscape, friendship, and becoming adults, and Cognetti's writing becomes classical (and elegant) to best tell this story...a true novel by a great writer" (Rolling Stone Italia).
