Select your favourite positions, repeat until you feel the burn.

Idea Man - Paul Allen

2011-04-19

By his early thirties, Paul Allen was a world-famous billionaire- and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor- combined with the resources to launch and support new initiatives- have literally changed the world. In 2009

Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.

Games for Bored Adults - 2016-09-08

Whether you're on lockdown with your family, partner, or flatmates: Games for Bored Adults is packed full of gaming inspiration to liven up any dull situation. Why not play human Buckaroo with a sleeping stranger, take on the After Eight challenge, or laugh in the

face of pulled muscles in the ultimate 'Cereal Killer' game? Challenge your family, indulge your competitive streak and prove yourself the undisputed victor in a whole range of funny and imaginative games for every occasion.

Eternal - Cynthia Leitich Smith 2009-02-10

When Miranda's guardian angel Zachary recklessly saves her from falling into an open grave and dying, the result is that she turns into a vampire and he is left to try to reinstate his reputation by finally doing the right thing.

These Precious Days - Ann Patchett 2021-11-23

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike."

—Publisher's Weekly "Any story that starts will also end."
As a writer, Ann Patchett

knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores “what it means to be seen, to find someone with whom you can be your best and most complete self.” When Patchett chose an early galley of actor and producer Tom Hanks’ short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom’s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight.

Turning her writer’s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo’s children’s books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz’s Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author’s grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

Still Life - Louise Penny
2008-09-30

In *Still Life*, bestselling author Louise Penny introduces Monsieur L’Inspecteur Armand Gamache of the Surete du

Quebec, a modern Poirot who anchors this beloved traditional mystery series. Winner of the New Blood Dagger, Arthur Ellis, Barry, Anthony, and Dilys awards. Chief Inspector Armand Gamache of the Surêté du Québec and his team of investigators are called in to the scene of a suspicious death in a rural village south of Montreal. Jane Neal, a local fixture in the tiny hamlet of Three Pines, just north of the U.S. border, has been found dead in the woods. The locals are certain it's a tragic hunting accident and nothing more, but Gamache smells something foul in these remote woods, and is soon certain that Jane Neal died at the hands of someone much more sinister than a careless bowhunter. Still Life introduces not only an engaging series hero in Inspector Gamache, who commands his forces---and this series---with integrity and quiet courage, but also a winning and talented new writer of traditional mysteries in the person of Louise Penny. *Sex Tips for Husbands and*

Wives From 1894 - Ruth Smythers 2017-01-12
In 1894, Ruth Smythers, 'Beloved wife of The Reverend L. D. Smythers', wrote: 'One cardinal rule of marriage should never be forgotten: give little, give seldom and, above all, give grudgingly...' The Methodist wife didn't intend to be amusing, but this brief treatise written for young brides is side-splitting today and an eye-opener to how our love lives have changed in just over a century.

The Parisian Gentleman - Hugo Jacomet 2015-10-01
Perfectly attuned to the rising interest and market for men's style, The Parisian Gentleman presents the leading men's style-makers, from hidden ateliers and little-known studios to internationally renowned names such as shirtmakers Charvet, shoemakers Berluti and recently revived trunkmakers Moynat. The stories of each house, and the creatives and craftsmen behind them, bring alive the clothes, capture fading traditions, and celebrate an

unceasing dedication to quality. Hugo Jacomet personally knows many of the leaders of these sought-after marques, many of which are difficult to access, so the portrait he paints of each maker derives from first-hand knowledge. Impeccable photography, much of which was shot exclusively for this publication, provides an exquisite complement to the words. An essential addition to the well-dressed man's private wardrobe and collection.

Running Lean - Diana L. Sharples 2013

Told from their separate viewpoints, Calvin Greenlee copes with grief over his brother's recent death by racing his vintage Yamaha on rural North Carolina streets while his girlfriend, Stacey Youngblood, battles anorexia, and their relationship may not survive the strain.

The Immortal Life of Henrietta Lacks - Rebecca Skloot
2010-02-02

#1 NEW YORK TIMES
BESTSELLER • "The story of modern medicine and

bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who

worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca

Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Shag Yourself Slim - Imah Goer 2009-09-01

Forget diets. Forget the gym. Forget everything you knew about losing weight. Every

aspect of shagging burns calories. And this book tells you how many calories each position will burn*. So get this book, get shagging and get slim! * Only aids weight loss as part of a calorie-controlled diet.

Leaders Eat Last - Simon Sinek
2014-01-07

The New York Times bestseller by the acclaimed, bestselling author of *Start With Why* and *Together is Better*. Now with an expanded chapter and appendix on leading millennials, based on Simon Sinek's viral video "Millenials in the workplace" (150+ million views). Imagine a world where almost everyone wakes up inspired to go to work, feels trusted and valued during the day, then returns home feeling fulfilled. This is not a crazy, idealized notion. Today, in many successful organizations, great leaders create environments in which people naturally work together to do remarkable things. In his work with organizations around the world, Simon Sinek noticed that some teams trust each

other so deeply that they would literally put their lives on the line for each other. Other teams, no matter what incentives are offered, are doomed to infighting, fragmentation and failure. Why? The answer became clear during a conversation with a Marine Corps general. "Officers eat last," he said. Sinek watched as the most junior Marines ate first while the most senior Marines took their place at the back of the line. What's symbolic in the chow hall is deadly serious on the battlefield: Great leaders sacrifice their own comfort--even their own survival--for the good of those in their care. Too many workplaces are driven by cynicism, paranoia, and self-interest. But the best ones foster trust and cooperation because their leaders build what Sinek calls a "Circle of Safety" that separates the security inside the team from the challenges outside. Sinek illustrates his ideas with fascinating true stories that range from the military to big business, from government to

investment banking.

The Breaker - Nick Petrie

2021-07-27

"Nonstop action at a machine gun pace. If you aren't reading Nick Petrie, now is the time to start."--C.J. Box Peter Ash tangles with dangerous enemies and terrifying technology in the newest thriller from bestselling author Nick Petrie. A man wanted by two governments, Peter Ash has found a simple, low-profile life in Milwaukee, living with his girlfriend June and renovating old buildings with his friend Lewis. Staying out of trouble is the key to preserving this fragile peace . . . but when Peter spots a suspicious armed man walking into a crowded market, he knows he can't stand by and do nothing. Peter does interrupt a crime, but it wasn't at all what he'd expected. The young gunman appeared to have one target and one mission--but when he escapes, and his victim vanishes before police arrive, it seems there is more to the encounter than meets the eye. Peter's hunch is proven correct

when a powerful associate from his past appears with an interest in the crime, and an irresistible offer: if he and June solve this mystery, Peter's record will be scrubbed clean. While Peter and Lewis trace the gunman, reporter June digs into the victim of the incident, a man whose face rings a bell in her memory. As their parallel investigations draw together, they're thrust into the path of a ruthless tech thief, an eerily cheerful assassin, a brilliant and troubled inventor, and a revolutionary technology that could wreak devastation in the wrong hands. But for Peter, even more is at stake: this investigation is his only path to a life free from the threat of prosecution or prison. Before the end, he'll have to fight harder than ever before to ensure that freedom doesn't come at too high a cost. . . .

Enraptured - Elisabeth Naughton 2019-07-21

ORPHEUS — To most he's an enigma, a devil-may-care rogue who does whatever he pleases whenever he wants. Now this loose cannon is part of the

Eternal Guardians—elite warriors assigned to protect the human realm—whether he likes it or not. Orpheus has but one goal: to locate a magical medallion with supernatural powers. He's just not expecting a woman to get in the way, especially not a Siren as gorgeous as Skyla. Unable to resist her, the two become unlikely allies. He simply has no idea she's an assassin sent to seduce, entrap, then ultimately destroy him. Yet Skyla herself might have the most to lose. There's a reason Orpheus feels so familiar, a reason her body seems to crave him. Perhaps he's not the man everyone thinks... Then again...maybe he's exactly that man. The truth could reveal a deadly secret as old as the Eternal Guardians themselves.

*** All books in the Eternal Guardians series can be read in order or as stand-alones:

Shuggie Bain - Douglas Stuart
2021-03-12

A heart-wrenchingly moving first novel set in Glasgow during the Thatcher years, Shuggie Bain tells the story of a boy's doomed attempt to save his proud, alcoholic mother from her addiction.

One Flew Over the Cuckoo's Nest - Ken Kesey 2012-01-19

Ken Kesey's bracing, insightful novel about the meaning of madness and the value of self-reliance, and the inspiration for the new Netflix original series *Ratched*. Boisterous, ribald, and ultimately shattering, Ken Kesey's *One Flew Over the Cuckoo's Nest* has left an indelible mark on the literature of our time. Turning conventional notions of sanity and insanity on their heads, the novel tells the unforgettable story of a mental ward and its inhabitants, especially tyrannical Big Nurse *Ratched*

and Randle Patrick McMurphy, the brawling, fun-loving new inmate who resolves to oppose her. We see the story through the eyes of Chief Bromden, the seemingly mute half-Indian patient who witnesses and understands McMurphy's heroic attempt to do battle with the powers that keep them all imprisoned. Hailed upon its publication as "a glittering parable of good and evil" (The New York Times Book Review) and "a roar of protest against middlebrow society's Rules and the invisible Rulers who enforce them" (Time), Kesey's powerful book went on to sell millions of copies and remains as bracing and insightful today as when it was first released. This new deluxe hardcover edition commemorates the fiftieth anniversary of the original publication of the novel on February 1, 1962, and will be a must have for any literature lover.

Dark Object - Don Ledger

2008-12-10

The facts confirm the UFO crash happened. Officials deny

it. What don't they want us to know? In 1965 a massive wave of UFO sightings occurs worldwide. In 1967 residents of Shag Harbor, Canada, witness a huge UFO crash into the bay. Three Royal Canadian Mounties watch it float before sinking. Navy divers mount an extensive search. Now officials say nothing ever happened. Why? Researchers Don Ledger and Chris Styles—Styles himself an eyewitness to the Shag Harbor crash—have tackled one of the best documented and most top-secret incidents in the annals of UFO sightings. What they have found out will astound—and outrage—readers. From mysterious surveillance twenty-five years after the crash to the sudden disappearance of written records, someone wanted the investigation stopped. But Ledger and Styles now file their stunning report—and reach a chilling conclusion about the Dark Object, what really happened, and what remains hidden today. . . .

How to Poo at Work - Mats
2011-11-29

The perfect gag gift for anyone who appreciates a little toilet humor! Don't let number 2 stop you from being number 1 on the job. Face the facts. You poop every day-more or less-but making a misstep when you've got to go at the office could land you in some serious doo-doo. How to Poo at Work is the ultimate guide to handling a range of potentially awkward situations, including what to do when: • The boss is in the next stall • The toilet gets clogged • A colleague follows you into the bathroom • There's no toilet paper Flush with useful diagrams, this handy book can save your career from going down the toilet.

Basin and Range - John
McPhee 1982-04-01

The first of John McPhee's works in his series on geology and geologists, Basin and Range is a book of journeys through ancient terrains, always in juxtaposition with travels in the modern world—a history of vanished landscapes, enhanced by the histories of

people who bring them to light. The title refers to the physiographic province of the United States that reaches from eastern Utah to eastern California, a silent world of austere beauty, of hundreds of discrete high mountain ranges that are green with junipers and often white with snow. The terrain becomes the setting for a lyrical evocation of the science of geology, with important digressions into the plate-tectonics revolution and the history of the geologic time scale.

The Hypnotist's Love Story -
Liane Moriarty 2012-06-14

A “sharp and funny romantic tale” (O, the Oprah Magazine) from the #1 New York Times bestselling author of Big Little Lies, Nine Perfect Strangers and Apples Never Fall. Ellen O’Farrell is a professional hypnotherapist who works out of the eccentric beachfront home she inherited from her grandparents. It’s a nice life, except for her tumultuous relationship history. She’s stoic about it, but at this point, Ellen wouldn’t mind a lasting one.

When she meets Patrick, she's optimistic. He's attractive, single, employed, and best of all, he seems to like her back. Then comes that dreaded moment: He thinks they should have a talk. Braced for the worst, Ellen is pleasantly surprised. It turns out that Patrick's ex-girlfriend is stalking him. Ellen thinks, Actually, that's kind of interesting. She's dating someone worth stalking. She's intrigued by the woman's motives. In fact, she'd even love to meet her. Ellen doesn't know it, but she already has.

Curious Wine - Katherine V. Forrest 2011-04-19

The intimacy of a cabin at Lake Tahoe provides the combustible circumstances that bring Diana Holland and Lane Christianson together in this passionate novel of first discovery. Originally published by Naiad Press in 1983, Bella Books is proud to bring the bestselling romantic lesbian novel of all time back to print. With multiple printings and translations worldwide, Curious Wine is an enduring classic and

on everyone's list of the very best in our literature.

Out of My Mind - Sharon M. Draper 2012-05

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

F*ck Yourself Fit -

ShaggingWorld 2020-08-13

The fun way to get from fat to fit! ShaggingWorld's revolutionary approach to fitness enables you to get in shape without ever having to go hungry, or horny, again - the perfect relief for anyone following a strict diet plan. With 60 positions and instructional diagrams showing the number of calories burned, sins earned, and sex points gained, getting fit has never been more fun.

The Fifth Child - Doris Lessing 2010-11-17

Doris Lessing's contemporary gothic horror story—centered on the birth of a baby who seems less than human—probes society's

unwillingness to recognize its own brutality. Harriet and David Lovatt, parents of four children, have created an idyll of domestic bliss in defiance of the social trends of late 1960s England. While around them crime and unrest surge, the Lovatts are certain that their old-fashioned contentment can protect them from the world outside—until the birth of their fifth baby. Gruesomely goblin-like in appearance, insatiably hungry, abnormally strong and violent, Ben has nothing innocent or infant-like about him. As he grows older and more terrifying, Harriet finds she cannot love him, David cannot bring himself to touch him, and their four older children are afraid of him. Understanding that he will never be accepted anywhere, Harriet and David are torn between their instincts as parents and their shocked reaction to this fierce and unlovable child whose existence shatters their belief in a benign world.

On the Come Up - Angie Thomas
2019-02-05

#1 New York Times bestseller · Seven starred reviews · Boston Globe-Horn Book Award Honor Book “For all the struggle in this book, Thomas rarely misses a step as a writer. Thomas continues to hold up that mirror with grace and confidence. We are lucky to have her, and lucky to know a girl like Bri.”—The New York Times Book Review This digital edition contains a letter from the author, deleted scenes, a picture of the author as a teen rapper, an annotated playlist, Angie’s top 5 MCs, an annotated rap, illustrated quotes from the book, and an excerpt from Concrete Rose, Angie's return to Garden Heights. Sixteen-year-old Bri wants to be one of the greatest rappers of all time. Or at least win her first battle. As the daughter of an underground hip hop legend who died right before he hit big, Bri’s got massive shoes to fill. But it’s hard to get your come up when you’re labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours her anger

and frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. But with an eviction notice staring her family down, Bri doesn't just want to make it—she has to. Even if it means becoming the very thing the public has made her out to be. Insightful, unflinching, and full of heart, *On the Come Up* is an ode to hip hop from one of the most influential literary voices of a generation. It is the story of fighting for your dreams, even as the odds are stacked against you; and about how, especially for young black people, freedom of speech isn't always free. Don't miss *Concrete Rose*, Angie Thomas's powerful prequel to her phenomenal bestseller, *The Hate U Give!*

To the Lighthouse - Virginia Woolf 2019-05-04

To the Lighthouse (5 May 1927) is a novel by Virginia Woolf. A landmark novel of high modernism, the text, centering on the Ramsay family

and their visits to the Isle of Skye in Scotland between 1910 and 1920, skillfully manipulates temporality and psychological exploration. *To the Lighthouse* follows and extends the tradition of modernist novelists like Marcel Proust and James Joyce, where the plot is secondary to philosophical introspection, and the prose can be...

Infinite Jest - David Foster Wallace 2009-04-13

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction

without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*

Straight Talking - Jane Green

2003-09-23

Meet Tasha—single and still searching. A producer for Britain's most popular morning show working under a nightmare boss, Tash is well-versed in the trials and tribulations of twenty-first century dating. She and her three best friends certainly haven't lived the fairy tale they thought they would: there's Andy, who's hooked on passion, but too much of a tomboy to have moved much beyond the beer-drinking contest stage; Mel, stuck in a steady but loveless relationship; and Emma, endlessly waiting for her other half to propose. Their

love lives are only complicated by the sort of men who seem to drift in and out:

Andrew—suave, good-looking and head over heels in love . . . with himself; Simon, who is allergic to commitment but has a bad-boy nature that's impossible to resist; and Adam—perfectly attractive, but too sweet to be sexy. The bestselling first novel that launched Jane Green, one of the brightest stars in contemporary women's fiction, *Straight Talking* sets the record straight regarding the real world of dating, and follows the adventures of Tash and her friends as they search for fulfillment and the right kind of love. Funny, flirty, and ultimately tender, *Straight Talking* gets at the heart of modern romance.

Sentimental Education -

Gustave Flaubert 2016-03-03

'For certain men the stronger their desire, the less likely they are to act.' With his first glimpse of Madame Arnoux, Frédéric Moreau is convinced he has found his romantic destiny, but when he pursues

her to Paris the young student is unable to translate his passion into decisive action. He also finds himself distracted by the equally romantic appeal of political action in the turbulent years leading up to the revolution of 1848, and by the attractions of three other women, each of whom seeks to make him her own: a haughty society lady, a capricious courtesan, and an artless country girl. Flaubert offers a vivid and unsparing portrait of the young men of his generation, struggling to salvage something of their ideals in a city where corruption, consumerism, and a pervasive sense of disenchantment undermine all but the most compromised erotic, aesthetic, and social initiatives. Sentimental Education combines thoroughgoing irony with an impartial but unexpectedly intense sympathy in a novel whose realism competes with that of Balzac and whose innovations in narrative plot and perspective mark a turning-point in the

development of literary modernism. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Westing Game - Ellen Raskin 2020-10-13

BE CLASSIC with The Westing Game, introduced by New York Times bestselling author Mac Barnett. A highly inventive mystery begins when sixteen unlikely people gather for the reading of the very stranger will of the very read Samuel W. Westing. They could become millionaires, depending on how they play a game. All they have to do is find the answer - but the answer to what? The Westing game is tricky and dangerous, but the heirs play

on - through blizzards, burglaries, and bombings, Sam Westing may be dead ... but that won't stop him from playing one last game! Winner of the Newbery Medal Winner of the Boston Globe/Horn Book Award An ALA Notable Book A School Library Journal One Hundred Books That Shaped the Century "A supersharp mystery...confoundingly clever, and very funny." —Booklist, starred review "Great fun for those who enjoy illusion, word play, or sleight of hand." —The New York Times Book Review "A fascinating medley of word games, disguises, multiple aliases, and subterfuges—a demanding but rewarding book." —The Horn Book

The Football Factory - John King 2012-09-30

The Football Factory centres on Tom Johnson, a reasoned 'Chelsea hooligan' who represents a disaffected society operating by brutal rules. We are shown the realities of life - social degradation, unemployment, racism, casual violence, excessive drink and bad sex - and, perhaps more

importantly, how they fall into a political context of surveillance, media manipulation and division.

Graphic and disturbing, sometimes very funny, and deeply affecting throughout, The Football Factory is a vertiginous rush of adrenaline - the most authentic book yet on the so-called English Disease.

Couldn't Keep It to Myself - Wally Lamb 2004-02-03

In a stunning work of insight and hope, New York Times bestselling author Wally Lamb once again reveals his unmatched talent for finding humanity in the lost and lonely and celebrates the transforming power of the written word. For several years, Lamb has taught writing to a group of women prisoners at York Correctional Institution in Connecticut. In this unforgettable collection, the women of York describe in their own words how they were imprisoned by abuse, rejection, and their own self-destructive impulses long before they entered the criminal justice system. Yet these are powerful

stories of hope and healing, told by writers who have left victimhood behind. In his moving introduction, Lamb describes the incredible journey of expression and self-awareness the women took through their writing and shares how they challenged him as a teacher and as a fellow author. *Couldn't Keep It to Myself* is a true testament to the process of finding oneself and working toward a better day.

[The Help](#) - Kathryn Stockett
2011

Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.

Apron Anxiety - Alyssa Shelasky
2012-05-22

"Hot sex, looking good, scoring journalistic triumphs . . .

nothing made Alyssa love herself enough until she learned to cook. There's a racy plot and a surprising moral in this intimate and delicious book." --Gael Greene, creator of *Insatiable-Critic.com* and author of *Insatiable: Tales from a Life of Delicious Excess*
Apron Anxiety is the hilarious and heartfelt memoir of quintessential city girl Alyssa Shelasky and her crazy, complicated love affair with...the kitchen. Three months into a relationship with her TV-chef crush, celebrity journalist Alyssa Shelasky left her highly social life in New York City to live with him in D.C. But what followed was no fairy tale: Chef hours are tough on a relationship. Surrounded by foodies yet unable to make a cup of tea, she was displaced and discouraged. Motivated at first by self-preservation rather than culinary passion, Shelasky embarked on a journey to master the kitchen, and she created the blog *Apron Anxiety* ([ApronAnxiety.com](#)) to share her stories. This is a memoir (with recipes) about learning to

cook, the ups and downs of love, and entering the world of food full throttle. Readers will delight in her infectious voice as she dishes on everything from the sexy chef scene to the unexpected inner calm of tying on an apron.

Skinny Boy - Gary A. Grahl
2007

A licensed professional counselor shares how he conquered his out-of-control compulsion to exercise and starve himself which led to multiple hospitalizations and how he overcame a shaming inner voice, which he calls "IT," that convinced him to become thinner.

Al Capone Does My Shirts -
Gennifer Choldenko
2006-04-20

The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. Al Capone Does My Shirts has become an instant classic for all kids to read! Today I moved to Alcatraz, a

twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. How to Bonk in Public - Mats
and Mats and Enzo 2021-01-21

Paper Towns - John Green 2013
Quentin Jacobson has spent a
lifetime loving Margo Roth

Spiegelman from afar. So when
she cracks open a window and
climbs into his life - dressed
like a ninja and summoning
him for an ingenious campaign
of revenge - he follows. After
their all-nighter ends, Q arrives
at school to discover that
Margo has disappeared.
Let's Pretend This Never
Happened - Jenny Lawson
2012-04-17

The #1 New York Times
bestselling (mostly true)
memoir from the hilarious
author of *Furiously Happy*.
"Gaspingly funny and
wonderfully
inappropriate."—O, The Oprah
Magazine When Jenny Lawson
was little, all she ever wanted
was to fit in. That dream was
cut short by her fantastically
unbalanced father and a
morbidly eccentric childhood.
It did, however, open up an
opportunity for Lawson to find
the humor in the strange
shame-spiral that is her life,
and we are all the better for it.
In the irreverent *Let's Pretend
This Never Happened*,
Lawson's long-suffering
husband and sweet daughter

help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside [Zen and the Art of Motorcycle Maintenance](#) - Robert M. Pirsig 2009-04-21

THE CLASSIC BOOK THAT HAS INSPIRED MILLIONS A penetrating examination of how we live and how to live better Few books transform a generation and then establish themselves as touchstones for the generations that follow. [Zen and the Art of Motorcycle Maintenance](#) is one such book. This modern epic of a man's

search for meaning became an instant bestseller on publication in 1974, acclaimed as one of the most exciting books in the history of American letters. It continues to inspire millions. A narration of a summer motorcycle trip undertaken by a father and his son, [Zen and the Art of Motorcycle Maintenance](#) becomes a personal and philosophical odyssey into fundamental questions on how to live. The narrator's relationship with his son leads to a powerful self-reckoning; the craft of motorcycle maintenance leads to an austere beautiful process for reconciling science, religion, and humanism. Resonant with the confusions of existence, this classic is a touching and transcendent book of life. This new edition contains an interview with Pirsig and letters and documents detailing how this extraordinary book came to be.
