Banded Vegetation Patterning in Arid and Semiarid Environments - David J. Tongway
2012-12-06

Aerial photography has revealed the striking, widespread phenomenon of repeating patterns of vegetation in more arid areas of the world. Two interdependent phases, bands of dense and sparse vegetation, alternate in the landscape. This volume synthesizes half a century's

accumulated knowledge of both theoretical and applied landscape function from a variety of these regions. It covers structure, dynamics, and methods of study, as well as disturbances to these landscapes and relevant management issues. Various chapters discuss the role of modeling in answering questions about the origins and complex processes of banded landscapes.

Consumer Behaviour in Action - Peter Ling 2015

Consumer Behaviour in Action introduces marketing students to the fundamental concepts of consumer behaviour in a contemporary context. The text provides a distinctly balanced approach as it balances theory with practical applications and research methods for understanding consumers. Practical examples and case studies provide global, regional and local industry examples. Research and insights from fields such as psychology, sociology and complex systems are included. Extended cases studies covering topics such as Nike, Cricket Australia, Target, and McDonalds in overseas markets, draw together each part of the book to

bring together the themes discussed and encourage students to encourage a deeper understanding of the material. The accompanying enriched eBook and supplementary digital resources provides superior ready-to-use support for both students and lecturers.

Organisations and the Business Environment - Tom Craig 2012-05-23

This new edition of *Organisations and the Business Environment* provides a completely revised, extended and updated edition of the original successful text. It provides contemporary and comprehensive coverage of the subject matter which is highly relevant to business and management students at undergraduate, postgraduate and professional levels. The text is written in a clear and concise

style, illustrated with topical examples and data. *Organisations and the Business Environment* (second edition) comprises four sections: * *Business Organisations* iV discusses the evolution of organisational and managerial theories and concepts with particular emphasis on their relevance in the 21st century. The different types of organisations and their missions, visions, goals and objectives are examined. * *The External Business Macro-Environment* iV describes and considers the political, economic, socio-cultural, technological, ecological and legal influences on organisations, utilizing the PESTEL framework of analysis. This section includes a review of the internationalization of businesses and examines the role of GATT and the WTO, single markets and trading blocs. * *The External Business Micro-Environment* iV provides a review of the market system and the nature of supply and demand. Market structures are examined in the light of monopolistic regimes and working for

competitive advantage. The impact of government intervention is explored via regulatory bodies, privatization, and nationalization programmes. * Business Management iV explores the major aspects of contemporary business organisations, including corporate governance and business ethics. In particular, this section tackles the areas of structure, culture, change, quality management and the principal functions of organisations. This textbook is a user-friendly resource with end of chapter questions, activities and assignments to consolidate learning. Its strong emphasis on topical examples enables students to understand how theory is applied in business contexts, including, GlaxoSmithKline, BT, Scottish and Newcastle, Hanson plc and a number of not-for-profit organisations. There is additional Tutor Resource material, including presentation slides, data charts, chapter summaries, questions and answers. "An excellent book...good use of learning objectives, questions and potential

assignments." Paul Blakely, Lecturer, University College of Warrington.

Fuel Economy (CAFE) Standards - National Research Council 2002-01-29

Since CAFE standards were established 25 years ago, there have been significant changes in motor vehicle technology, globalization of the industry, the mix and characteristics of vehicle sales, production capacity, and other factors.

This volume evaluates the implications of these changes as well as changes anticipated in the next few years, on the need for CAFE, as well as the stringency and/or structure of the CAFE program in future years.

Fine Boys - Eghosa Imasuen 2021-09-28

A coming-of-age tale told from the perspective of Nigeria's Generation X, caught amid the throes of a nascent pro-democracy movement, demoralizing corruption, and campus violence. Ewaen is a Nigerian teenager, bored at home in Warri and eager to flee from his parents' unhappy marriage and incessant quarreling. When Ewaen is admitted to the University of Benin, he makes new friends who, like him, are excited about their newfound independence. They hang out in parking lots, trading gibes in pidgin and English and discovering the pleasures that freedom affords them. But when university strikes begin and ruthlessly violent confraternities unleash mayhem on their campus, Ewaen and his new friends must learn

to adapt—or risk becoming the confras' next unwilling recruits. In his trademark witty, colloquial style, critically acclaimed author Eghosa Imasuen presents everyday Nigerian life against the backdrop of the pro-democracy riots of the 1980s and 1990s, the lost hopes of June 12 (Nigeria's Democracy Day), and the terror of the Abacha years. *Fine Boys* is a chronicle of time, not just in Nigeria, but also for its budding post-Biafran generation.
