Central Labor Councils and the Revival of American Unionism: - Immanuel Ness 2015-04-08

Central Labor Councils are the local arm of the labor movement responsible for coordinating collective activities among different unions in a region. Once quite powerful organizations with important political roles at local and regional levels, CLCs waned significantly during the 1940s and 50s. This work examines the recent re-emergence of Central Labor Councils and how they are being utilized as effective bodies to help rejuvenate the labor movement. It combines comprehensive history of the CLCs in America since the early 19th century and case studies by CLC leaders in Atlanta, Milwaukee, San Jose, and Seattle -- the regions where CLCs have re-emerged as important players in advancing the labor movement.

American Governor - Matt Katz 2016-01-19

The ultimate insider to Chris Christie's 2016 presidential campaign delivers a definitive biography of the popular and controversial governor of New Jersey—including the true story behind the Bridgegate lane-closure scandal. Journalist Matt Katz has been covering Christie since 2011 and has seen firsthand how the governor appeals to the public through his tactics, rhetoric, and personality. In *American Governor*, Katz weaves a compelling on-the-ground political narrative that begins with the roots of his family's journey to America and takes us through his upset victory over Governor Jon Corzine and then along the road to his announcement of his candidacy for the highest office in the country. Packed with exclusive information, interviews, and anecdotes, *American Governor* illustrates how Christie evolved from an unpopular perennial candidate running for local office to the most watched Republican in the country, a populist with leadership skills, charm, and luck seemingly unparalleled by any other up-and-coming politician. Christie has proven himself a dynamic force of nature by emerging wounded but not unbowed after Bridgegate—a scandal that would have destroyed another politician's rising star. A political biography by an inside source who's been on the Chris Christie beat longer than any reporter in New Jersey, *American Governor* is a thrilling and absorbing look at the modern making of a man and a politician.

Explorer's Guide New Jersey (Second Edition) - Andi Marie Cantele 2010-03-01

The second edition of this guide to the "Garden State" reveals the historic, cultural, and ecological diversity of the state. Includes extensive coverage of the Jersey Shore and Atlantic City. New Jersey is a state full

of wonders to surprise curious travelers and residents alike. This guide leads you away from the busy interstate highways to reveal the cultural, historic, and geographical diversity that lies beyond the New Jersey Turnpike. For wine connoisseurs, there are more than 25 wineries that offer tours, tastings, and festivals; for history buffs, New Jersey, known as the "Cockpit of the Revolution," offers battlefield state parks, monuments, and reenactments. And that's not all: New Jersey's 127-mile shoreline has many diverse communities, including the historic Victorian seaside resort of Cape May, itself a national historic landmark; the casinos of Atlantic City; the natural beauty of Island Beach State Park, with sand dune-scattered, long, white beaches, nature trails, birding, surfing, and guided kayak tours; and the hip shore town of Red Bank, with art galleries, boutiques, bistros, and jazz clubs. In addition, this comprehensive guide to the state includes opinionated listings of inns, B&Bs, hotels, and vacation cabins; hundreds of dining reviews, from diners to four-star restaurants; up-to-date maps; an alphabetical "What's Where" subject guide to aid in trip planning; and handy icons that point out family-friendly establishments, wheelchair access, places of special value, and lodgings that accept pets.

Love May Fail - Matthew Quick 2015-06-16

"Quick celebrates the power of ordinary, flawed human beings to rescue themselves and each other. His writing is shot through with wit and humanity and an ultimately optimistic view of people, without ever becoming sentimental." —GRAEME SIMSION, AUTHOR OF THE ROSIE PROJECT
Portia Kane is having a meltdown. After escaping her ritzy Florida life and her cheating pornographer husband, she finds herself transported back to South Jersey, where things remain largely unchanged from her unhappy childhood. In need of saving herself, she sets out to find and resurrect a beloved high school English teacher who has retired after a horrific scandal. Will a sassy nun, an ex-heroin addict, a metal-head little boy, and her hoarder mother help or hurt Portia's chances in this bid for renewed hope in the human race? This is a story of the great highs and lows of existence: the heartache and daring choices it takes to become the person you know (deep down) you are meant to be.
