Cold Case Research Resources for Unidentified, Missing, and Cold Homicide Cases - Silvia Pettem 2012-07-27

Cases in which all investigative leads appear to be exhausted are frustrating for both investigators and victims families. Cold cases can range from those only a few months old to others that go back for decades. Presenting profiles and actual case histories, Cold Case Research: Resources for Unidentified, Missing and Cold Homicide Cases illustrat

Serendipity in Berkeley - Kay C. Beerman 2019-12-27

Dashing detective Sam Crawford has been looking for love in all the wrong places. After having rescued the love of his life in a tragic accident ten years ago, she disappeared without a trace. However, when a baffling murder investigation lands on his doorstep, things seem ready to drastically change. Alluring medical examiner Alex Wallace has been trying to fill the empty void which has existed in her life for years. A decade earlier she was saved from certain death by a fearless patrol officer. Since that moment in time she has been fruitlessly trying to reconnect with her handsome hero who had been whisked off to the burn unit in the blink of an eye. The Law of Serendipity has a way of appearing at the most fortuitous of times. When the lost soulmates are finally reunited as the result of a mysterious murder, sparks begin to fly and a smoldering fire and passion reignites. However, this is no simple killing they are investigating. It is part of a much larger and devious criminal plot which has tentacles reaching seemingly everywhere. It is leaving a path of destruction in its wake... and the pair and their lost love may very well be the next casualties.

Rope Burns - Robert Scott 2014-11-14

The true crime story of a killer couple from California, their gruesome torture chamber on wheels, and the terror they left in their wake. The true story of one of the most notorious crime couples in recent American history is told. Michelle Michaud and James Daveggio forged a perverse alliance in late 1997. After customizing Michaud's minivan into a mobile torture chamber, the pair hit the road and began a nightmare spree of incest, kidnapping, rape, torture, and murder. Sixteen Pages of Shocking Photos! Michaud and Daveggio's case was featured on Oxygen's Snapped: Killer Couples.

The World Encyclopedia of Serial Killers, Volume Four T-Z - Susan Hall 2021-01-05

The 4th volume of this comprehensive work features hundreds of serial killers from Sacramento to Soviet Russia—plus numerous unsolved cases. The World Encyclopedia of Serial Killers is the most complete reference guide on the subject, featuring more than 1,600 entries about the lives and crimes of serial killers from around the world. Defined by the FBI as a person who murders three or more people with a hiatus of weeks or months between murders, the serial killer has presented unique and terrifying challenges to have walked among us since the dawn of time—a fact this extensive record makes chillingly clear. The series concludes with Volume Four, T-Z. Entries include the Terminator Anatoly Yuriyovych Onoprienko; Trailside Killer David Joseph Carpenter; Vampire of Sacramento Richard Trenton Chase; and the Voroshilovgrad Maniac Zaven Almazyan; plus the unsolved cases of the Adelaide Child Murders; the Axeman of New Orleans; the Chillicothe Killer; the Dead Women of Juarez; the Korea Frog Boy Murders; and the Volga Maniac.

Cold Case Homicides - R.H. Walton 2006-06-13

Written by a seasoned professional with over 30 years of experience in law enforcement, *Cold Case Homicides: Practical Investigative Techniques* provides effective and accessible information to those responsible for investigating and resolving previously examined - but still unsolved - cold case homicides. The book merges theory with practice through the use of case histories, photographs, illustrations, and checklists that convey essential, fundamental concepts while providing a strong, practical basis for the investigative process. It combines proven techniques from forensics, psychology, and criminal investigation, and focuses on technologies that may not have been available at the time of the crime. This guide defines the characteristics of a cold case homicide; details various investigative methods used by law enforcement agencies; explores the actual experiences of detectives in re-opening case files; and presents current technologies such as ViCAP, HITS, and TracKRS used in the identification of cases related to the re-opened case, or its

perpetrator. It also highlights technological changes that contribute greatly to law enforcement's abilities to solve cold case homicides such as computerized print technology, the specificity of DNA, and the expanding data banks that enable the linkage of previously unknown suspects to the crimes they committed. Addressing methods particularly valuable to cold cases, *Cold Case Homicides: Practical Investigative Techniques* assists the investigator in being prepared, focused, objective - and successful in obtaining the truth.

Bloodhound in Blue - Adam Russ 2013-07-16

He was born in rural Missouri, and it was immediately clear that he was different from the rest. He caught his first criminal when he was just two years old. By his sixth birthday, he had located burglars, missing children, drug dealers, rapists, and murderers—including Utah's most wanted criminal. Known to friends as JJ, to law enforcement as Michael Serio's partner, and to captured criminals as "that damned dog," Jessie Jr., an exceptionally talented bloodhound, bayed like a sea lion that had swallowed a fog horn. Before JJ, few police departments in the West used bloodhounds, and none in Utah. But just when JJ was finally convincing naysayers, he and Officer Serio ran into something worse than resistance: the despair of failure amid high hope. JJ had been tracking Brian David Mitchell, the man who abducted Elizabeth Smart, when he was pulled off the track. Elizabeth later told investigators that on the day she was kidnapped she heard a dog baying in the woods behind her. In almost nine years of service, JJ helped apprehend nearly 300 criminal suspects in the Salt Lake City area. Here is his remarkable story, fleas and all. Click here to view the trailer for *Bloodhound in Blue*.
