Whether you’re juggling work, school, children, pets, travel, or all of the above, you can follow keto with the simple tips and shortcuts outlined in this book. “Crazy busy” is a phrase we use when the week seems to spin out of control—like when the school project has to be done tomorrow but necessitates a trip to the craft store, which you will do after the dental appointment and the PTA meeting on your way

to pick up the dog from the vet. How are you going to fit in a meal that leaves you feeling satisfied without kicking you out of ketosis? Kristie Sullivan has done the work for you by finding great low-carb options wherever you are, in as much or as little time as you have to eat. From grab-and-go convenience store and grocery store selections to hotel breakfasts to restaurant lunches and dinners, her quick and easy tips will streamline your keto life. There are breakfast options that are faster than a drive-thru, lunch ideas that don’t require refrigeration, and shopping tips that will save you time and money. Kristie has also included special tips for traveling, storing foods on the go, and slashing minutes off the clock each day, along with easy ways to avoid food waste. Each chapter features recipes that can be made without access to a full kitchen and that use common ingredients—no special-ordering anything online. Many of the recipes are traditional favorites that can easily be cooked in

a microwave, such as lasagna, spinach artichoke dip, and even cheesecake, which can be made with as few as five ingredients and tastes amazing! In addition, Kristie gives ideas of lightning-fast assembled meals that will hit the spot in a pinch. The book also includes shopping lists for stocking your pantry, fridge, and freezer so that you have what you need, when you need it. Recipes include: Good Morning Granola Salad Bar Crustless Quiche (grab pre-prepped ingredients from your fridge or shop the grocery store salad bar!) Lidia's Italy - Lidia Matticchio Bastianich  
2010-08-18

Featuring 140 mouthwatering new recipes, a gastronomic journey of the Italian regions that have inspired and informed Lidia Bastianich's legendary cooking. For the home cook and the armchair traveler alike, Lidia's Italy offers a short introduction to ten regions of Italy—from Piemonte to Puglia—with commentary on nearby cultural treasures by Lidia's daughter Tanya, an art historian. · In Istria, now part of Croatia, where Lidia grew up, she forages again for wild

asparagus, using it in a delicious soup and a frittata; Sauerkraut with Pork and Roast Goose with Mlinzi reflect the region's Middle European influences; and buzara, an old mariner's stew, draws on fish from the nearby sea. · From Trieste, Lidia gives seafood from the Adriatic, Viennese-style breaded veal cutlets and Beef Goulash, and Sacher Torte and Apple Strudel. · From Friuli, where cows graze on the rich tableland, comes Montasio cheese to make fricos; the corn fields yield polenta for Velvety Cornmeal-Spinach Soup. · In Padova and Treviso rice reigns supreme, and Lidia discovers hearty soups and risottos that highlight local flavors. · In Piemonte, the robust Barolo wine distinguishes a fork-tender stufato of beef; local white truffles with scrambled eggs is "heaven on a plate"; and a bagna cauda serves as a dip for local vegetables, including prized cardoons. · In Maremma, where hunting and foraging are a way of life, earthy foods are mainstays, such as slow-cooked rabbit sauce for pasta or gnocchi

and boar tenderloin with prune-apple Sauce, with Galloping Figs for dessert. · In Rome Lidia revels in the fresh artichokes and fennel she finds in the Campo dei Fiori and brings back nine different ways of preparing them. · In Naples she gathers unusual seafood recipes and a special way of making limoncello-soaked cakes. · From Sicily's Palermo she brings back panelle, the delicious fried chickpea snack; a caponata of stewed summer vegetables; and the elegant Cannoli Napoleon. · In Puglia, at Italy's heel, where durum wheat grows at its best, she makes some of the region's glorious pasta dishes and re-creates a splendid focaccia from Altamura. There's something for everyone in this rich and satisfying book that will open up new horizons even to the most seasoned lover of Italy.

**Food Matters** - Mark Bittman 2008-12-30

From the award-winning champion of culinary simplicity who gave us the bestselling *How to Cook Everything* and *How to Cook Everything Vegetarian* comes *Food Matters*, a plan for responsible eating that's as good for the planet as it is for your weight and your health. We are finally starting to acknowledge the threat carbon emissions pose to our ozone layer, but few people have focused on the extent to which our consumption of meat contributes to global warming. Think about it this way: In terms of energy consumption, serving a typical family-of-four steak dinner is the rough equivalent of driving around in an SUV for three hours while leaving all the lights on at home. Bittman offers a no-nonsense rundown on how government policy, big business marketing, and global economics influence what we choose to put on the table each evening. He demystifies buzzwords like "organic," "sustainable," and "local" and offers straightforward, budget-

conscious advice that will help you make small changes that will shrink your carbon footprint -- and your waistline. Flexible, simple, and non-doctrinaire, the plan is based on hard science but gives you plenty of leeway to tailor your food choices to your lifestyle, schedule, and level of commitment. Bittman, a food writer who loves to eat and eats out frequently, lost thirty-five pounds and saw marked improvement in his blood levels by simply cutting meat and processed foods out of two of his three daily meals. But the simple truth, as he points out, is that as long as you eat more vegetables and whole grains, the result will be better health for you and for the world in which we live. Unlike most things that are virtuous and healthful, Bittman's plan doesn't involve sacrifice. From Spinach and Sweet Potato Salad with Warm Bacon Dressing to Breakfast Bread Pudding, the recipes in *Food Matters* are flavorful and sophisticated. A month's worth of meal plans shows you how Bittman chooses to eat and offers

proof of how satisfying a mindful and responsible diet can be. Cheaper, healthier, and socially sound, Food Matters represents the future of American eating.
