*Organizational Behavior* - Steven Lattimore McShane 2000

*Managing Behavior in Organizations* - Jerald Greenberg 2013

Managing Behavior in Organizations provides a brief tour of the scientific and practical highlights of organizational behavior (OB).

**Organizational Behavior** - Debra L. Nelson 2008

This revision of ORGANIZATIONAL BEHAVIOR includes a renewed emphasis on the text's multifaceted approach, which is reflected in a new subtitle: SCIENCE, THE REAL WORLD, AND YOU. "Science" refers to roots of the discipline and the way the book is anchored in research tradition--both classic research as well as leading-edge scholarship. "The Real World" reflects current trends in organizations and takes shape as examples from all types of organizations. "You" reflects the opportunities to grow and develop both as individuals and organizations. The book helps students learn not only the concepts and theories that enhance the management of human behavior at work, but also how to practice these skills. A wealth of proven features, cases, exercises, and examples--including six new focus companies--stimulate interest and discussion; demonstrate how theories and research apply; and prompt cognitive and skill-based learning. Established organizational behavior topics are discussed, including motivation, leadership, teamwork, and communication, as are emerging issues shaping the field. The exciting theme of change clearly demonstrates how attitudes and behaviors within an organization are affected by change and the new opportunities and experiences change presents. Supporting themes focus on globalization, diversity, and ethics.

**Readings and Cases in International Human Resource Management and Organizational Behavior**

- B. Sebastian Reiche 2012-04-23

Readings and Cases in International Human Resource Management and Organizational Behavior, 5th Edition examines cross-cultural interactions between people, cultures and human resource systems in a wide variety of regions throughout the world. This is truly a Global collection. Features include: \* new readings and case studies positioned alongside trusted 'tried and true' readings and cases from past editions \* a companion website featuring supplemental material and teaching notes to enhance instructors' abilities to use the readings and cases with their students. Written to enable students to meet the international challenges that they face every day and to sensitize them to the complexity of human resource issues in the era of globalization, this text is a vital resource for all those studying international human resource management.

**Organizational Behavior** - Joseph E. Champoux 2020-04-08

The new edition of this essential resource in organizational behavior provides a balanced framework to understand the impact of increasing dynamism and complexity, the importance of collaboration, and the implications for organizational strategy. Covering both psychological and sociological perspectives on organizational behavior, this clearly written and presented textbook offers a comprehensive review of classic organizational behavior theories and approaches, illustrated with updated case studies. The sixth edition includes new material on ethical considerations; international contexts, with renewed attention to Africa and Asia; environmental pressures and responses; groups and intergroup processes; and the vital importance of building change readiness in any organization. Upper-level business and technology

students, as well as professionals in executive education courses, will find the book a useful guide to all facets of organizational behavior. A companion website, featuring an instructor manual, test bank, and PowerPoint slides, provides additional support for students and instructors.

**Group Dynamics for Teams** - Daniel Levi 2015-12-15

Incorporating the latest research throughout, Daniel Levi's Fifth Edition of Group Dynamics for Teams explains the basic psychological concepts of group dynamics, focusing on their application with teams in the workplace. Grounded in psychology research and a practical focus on organizational behavior issues, this engaging book helps readers understand and more effectively participate in teams.

*Management of Organizational Behavior* - Paul Hersey 1972

Organizational Behavior - Joseph E. Champoux 2006

Provides an introduction to the field of organizational behavior, covering critical concepts. This book provides students with online features to reinforce their knowledge of chapter content with exercises, practice and other learning opportunities.

Organizational Behavior - Jason Colquitt 2011

Religion and Its Impact on Organizational Behavior - Al-Aali, Ebtihaj 2022-02-18

Religion and its effect on individuals in organizations is critical to understand as organizational behavior and culture are dependent upon individual employees. Evaluating the link between religion and organizations is important in today's world in order to develop organizations and understand employee motivations, perspectives, and ideals. Further research into this link is needed to ensure organizations operate successfully and prosper. Religion and Its Impact on Organizational Behavior seeks to enhance the understanding of theories, concepts, procedures, and processes related to the impact and effect that religion has on the behavior of individuals in organizations. Covering a range of topics such as personality and religion, human perception of religion, and work-related attitudes, this book is ideal for practitioners, industry professionals, business owners, policymakers, researchers, academicians, instructors, and students.

*Organizational Behavior* - Robert Kreitner 2007

*Managing Human Behavior in Public and Nonprofit Organizations* - Robert B. Denhardt 2015-08-11

A must-read for students in public administration and nonprofit management programs! Managing Human Behavior in Public and Nonprofit Organizations, Fourth Edition, is designed to help students understand, manage, and influence the behavior of others in the workplace. Esteemed authors Robert B. Denhardt, Janet V. Denhardt, and Maria P. Aristigueta take an action-oriented approach by using real-world circumstances within public and nonprofit organizations to illustrate key concepts. Important topics such as stress, decision making, motivation, leadership, communication, teams, and change give students a foundational understanding of the basic issues that affect human behavior. In addition to new cases and examples from the public and nonprofit sectors, the Fourth Edition features new material on leadership and organizational change, cultural diversity and generational diversity, and positive organizational behavior.

**A Primer on Organizational Behavior** - James L. Bowditch 2007-11-19

This book introduces the reader to terms and concepts that are necessary to understand OB and their application to modern organizations. It also offers sufficient grounding in the field that enables the reader to read scholarly publications such as HR, CMR, and AMJ. This edition features new material on emotional intelligence, knowledge management, group dynamics, virtual teams, organizational change, and organizational structure.

**Understanding and Managing Organizational Behavior** - Jennifer M. George 2012

The authors provide an authoritative and practical introduction to organisational behaviour. Coverage of topics and issues combined with a wealth of learning tools help students experience organisational behaviour and guide them to becoming better managers.

*Organisational Behaviour* - Brian W. Stone 2001

Tertiary Education

*Organizational Behavior* - J Stewart Black 2019-06-05

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922875. The field of management and organizational behavior exists today in a constant state of evolution and change. Casual readers of publications like the New York Times, The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today's ever-changing business environment. Organizational Behavior is designed to meet the scope and sequence requirements of the introductory course on Organizational Behavior. This is a traditional approach to organizational behavior. The table of contents of this book was designed to address two main themes. What are the variables that affect how, when, where, and why managers perform their jobs? What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers? Management is a broad business discipline, and the Organizational Behavior course covers many areas such as individual and group behavior at work, as well as organizational processes such as communication in the workplace and managing conflict and negotiation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Finally, we all made an effort to present a balanced approach to gender and diversity throughout the text in the examples used, the photographs selected, and the use of both male and female in alternating chapters when referring to generic managers or employees.

**Business Psychology and Organizational Behaviour** - Eugene McKenna 2020-05-13

Business Psychology and Organizational Behaviour introduces principles and concepts in psychology and organizational behaviour with emphasis on relevance and applications. Well organised and clearly written,

it draws on a sound theoretical and applied base, and utilizes real-life examples, theories, and research findings of relevance to the world of business and work. The new edition of this best-selling textbook has been revised and updated with expanded and new material, including: proactive personality and situational theory in personality; theory of purposeful work behaviour; emotional and social anxiety in communication; decision biases and errors; and right brain activity and creativity, to name a few. There are numerous helpful features such as learning outcomes, chapter summaries, review questions, a glossary, and a comprehensive bibliography. Illustrations of practice and relevant theory and research also take the reader through individual, group, and organizational perspectives. This is an essential textbook for undergraduates and postgraduates studying psychology and organizational behaviour. What is more, it can be profitably used on degree, diploma, professional, and short courses. It's also likely to be of interest to the reflective practitioner in work organizations.

Organizational Behavior - MCSHANE 2012-01-13

Delivering what we've come to expect from this author team, McShane/Von Glinow 6e helps everyone make sense of OB, and provides the conceptual tools to work more effectively in the workplace. In their new Sixth Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. The McShane and Von Glinow text is acclaimed for: • Readability, presentation of current knowledge • Linking OB concepts and theories with reality • Strong International/Global orientation • Contemporary Theory Foundation (without the jargon) • Active Learning and Critical Thinking Support • Textbook's philosophy-OB knowledge is for everyone, not just traditional managers. Organizational Behavior, Sixth Edition is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

Organizational Behaviour - Andrzej Huczynski 2009-07-01

This text encourages participate teaching and active learning through a structured style and format, with each chapter containing a list of key concepts and objectives.

**Organizational Behavior** - Steven Lattimore McShane 2005

Aiming to show that OB knowledge is useful for everyone - sales representatives, production employees, and physicians, this book deals with OB concepts through a 'theory-practice link' approach. It helps readers connect OB theories to workplace realities through many real-life stories from across the United States and around the world.

*FUNDAMENTALS of ORGANIZATIONAL BEHAVIOR, Sixth Edition (Paperback-4C)* - Andrew DuBrin 2018-08

**Organizational Behavior** -

**Essentials of Organizational Behavior** - Terri A. Scandura 2017-12-13

Concise, practical, and based on the best available research, *Essentials of Organizational Behavior: An Evidence-Based Approach, Second Edition* equips students with the necessary skills to become effective leaders and managers. Author Terri A. Scandura uses an evidence-based approach to introduce students to new models proven to enhance the well-being, motivation, and productivity of people in the work place. Experiential exercises, self-assessments, and a variety of real-world cases and examples provide students with ample opportunity to apply OB concepts and hone their critical thinking abilities. New to this Edition A new Emotions and Moods chapter delves into important topics like emotional intelligence, emotional contagion, and affective neuroscience. A new Power and Politics chapter unpacks the most effective influence strategies and helps students develop their political skills. A streamlined table of contents now combines perception and decision making in a single chapter and change and stress in a single chapter.

New case studies, including some from SAGE Business Cases for the Interactive eBook, on topics such as virtual teams, equal pay and the gender wage gap, and the use of apps at work introduce timely and relevant discussions to help foster student engagement. The new edition has been rigorously updated with the latest research throughout and includes expanded coverage of Machiavellian leadership, ethical decision making, and organizational design through change. New Best Practices and Research in Action boxes as well as new Toolkit Activities and Self-Assessments have been added to make the text even more hands-on and practical.

**Management and Organizational Behavior Classics** - Michael T. Matteson 1993

**Essentials of Organizational Behavior** - Stephen P. Robbins 2011-06-02

**Fundamentals of Organizational Behavior** - Andrew J. DuBrin 2013-09-17

Fundamentals of Organizational Behavior: An Applied Perspective, Second Edition examines the behavior of people in organizations. Topics covered range from political maneuvering in organizations (office politics)

to the stresses facing people in managerial and professional positions. A conceptual framework for organizational behavior is presented, along with numerous case illustrations and examples from live organizational settings. This monograph consists of 14 chapters and opens with an introduction to organizational behavior and how it is influenced by principles of human behavior. The three main subareas or schools of management thought are discussed, together with the difference between knowledge work and non-knowledge work; how research and theory contribute to an understanding of organizational behavior; and the distinction between structure and process. The following chapters explore how the meaning of work relates to work motivation, as well as the link between work motivation and job performance; behavioral aspects of decision making; stresses in managerial and professional life; and political maneuvering in organizations. Small group behavior, leadership styles, and interpersonal communications are also considered, along with intergroup conflict and organizational effectiveness. This book will be of interest to students, managers, and staff specialists, as well as behavioral scientists and management theorists.

**Understanding and Managing Organizational Behaviour Global Edition** - Jennifer M. George 2014-09-10

For one-semester, undergraduate/graduate level courses in Organizational Behavior. This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Vivid examples, thought-provoking activities—get students engaged in OB. George/Jones uses real-world examples, thought- and discussion-provoking learning activities to help students become more engaged in what they are learning. This text also provides the most contemporary and up-to-date account of the changing issues involved in managing people in organizations. The sixth edition features new cases, material addressing the economic crisis, and expanded coverage of ethics and workplace diversity. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources. Visit mymanagementlab.com for more information.

**Understanding and Managing Public Organizations** - Hal G. Rainey 2009-10-16

Understanding and Managing Public Organizations provides a comprehensive analysis of research and practice on public organizations and management. In this fourth edition of his award-winning best seller, Hal Rainey reviews topics including organizational goals and performance, decision making and strategy, leadership, motivation, organizational structure and design, organizational change, and others. He analyzes effective and ineffective practices, with suggestions for managing contemporary and classic challenges in public organizations, and with illustrative vignettes and examples. Carefully revised and updated, this edition of Understanding and Managing Public Organizations extends previous editions with deeper coverage of collaboration and networks, public values, public service motivation, managerial strategy, performance assessment, innovation and organizational change, and recent trends in public sector management. Praise for the Previous Editions "The third edition of the classic text provides a comprehensive, up-to-date analysis of research on public organizations and management. Drawing on a review of the most current research about government organizations and managers, this important source offers specific suggestions for managing these challenges in today's public organizations." ? Abstracts of Public Administration "A masterful textbook, as well as an important and original contribution to the public organization theory literature ? both comprehensive in its treatment of organization theory and decidedly 'public' in its perspective." ?Public Administration Review "A tremendous contribution to the field. Rainey's ability to synthesize research streams from a variety of fields?such as political science, public administration, public policy, business administration, psychology, sociology, and others?is outstanding." ?Jeffrey L. Brudney, Albert A. Levin Chair of Urban Studies and Public Service, Cleveland State University **Organizational Behavior: Improving Performance and Commitment in the Workplace** - Jason Colquitt 2018-03-20

"Organizational Behavior 6th edition by Colquitt, LePine, and Wesson continues to offer a novel approach using an integrative model and roadmap to illustrate how individual, team, leader, and organizational

factors shape employee attitudes, and how those attitudes impact performance and commitment. This model reminds students where they are, where they've been, and where they're going. They include two unique chapters on job performance and organizational commitment. Those topics are critical to managers and students alike, and represent critical outcomes in OB. Each successive chapter then links back to those outcomes, illustrating why OB matters in today's organizations"--

**Organisational Behaviour** - Knud Sinding 2018-02-16

**Reframing Organizations** - Lee G. Bolman 2013-07-16

In this fifth edition of the bestselling text in organizational theory and behavior, Bolman and Deal's update includes coverage of pressing issues such as globalization, changing workforce, multi-cultural and virtual workforces and communication, and sustainability. A full instructor support package is available including an instructor's guide, summary tip sheets for each chapter, hot links to videos & extra resources, mini-assessments for each of the frames, and podcast Q&As with Bolman & Deal.

**Organizational Behavior: Improving Performance and Commitment in the Workplace** - Jason A Colquitt 2018-01-23

Organizational Behavior 6th edition by Colquitt, LePine, and Wesson continues to offer a novel approach using an integrative model and roadmap to illustrate how individual, team, leader, and organizational factors shape employee attitudes, and how those attitudes impact performance and commitment. This model reminds students where they are, where they've been, and where they're going. They include two unique chapters on job performance and organizational commitment. Those topics are critical to managers and students alike, and represent critical outcomes in OB. Each successive chapter then links back to those outcomes, illustrating why OB matters in today's organizations.

*Organisational Behaviour 6e* - Steven McShane 2018-09-23

Organisational Behaviour 6e and its rich suite of digital educational resources leads the market in this exciting field. Now in its sixth edition, the engaging text has been developed to satisfy the evolving needs of learners and academics with its offerings of contemporary theory and research, real-world examples, learning resources and visually stimulating design. *ORGB 3* - Debra L. Nelson 2013

**FUNDAMENTALS of ORGANIZATIONAL BEHAVIOR, Fifth Edition (Paperback-B/W)** - Andrew Dubrin 2018-08

Organizational Behavior - Robert P. Vecchio 1995

In response to the need for an alternative to broad-coverage organizational behavior books, Bob Vecchio has written Organizational Behavior: Core Concepts. With solid coverage of theory, research, and practice, this new edition provides the foundation for understanding micro and macro views of organizational behavior.

*Organizational Behavior* - Steven McShane 2014-01-16

Organisational Behavior, 7e by McShane/Von Glinow helps everyone make sense of Organizational Behavior, and provides the conceptual tools to work more effectively in the workplace. This author duo continue the trailblazing innovations that made previous editions of Organizational Behavior recognised and adopted by the new generation organisational behavior (OB) instructor. The McShane and Von Glinow product is acclaimed for: Readability, presentation of current knowledge Linking OB concepts and theories with reality Strong International/Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy OB knowledge is for everyone, not just traditional managers. Organisational Behavior, 7e is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

Handbook of Research on Positive Organizational Behavior for Improved Workplace Performance - Baykal, Elif 2019-11-15

Positive psychology focuses on finding the best one has to offer and repairing the worst to such a degree that one becomes a more responsible, nurturing, and altruistic citizen. However, since businesses are composed of groups and networks, using positive psychology in the workplace requires applications at both the individual and the group levels. There is a need for current studies that examine the practices and efficacy of positive psychology in creating organizational harmony by increasing an individual's wellbeing. The Handbook of Research on Positive Organizational Behavior for Improved Workplace Performance is a collection of innovative research that combines the theory and practice of positive psychology as a means of ensuring happier employees and higher productivity within an organization. Featuring coverage on a broad range of topics such as team building, spirituality, and ethical leadership, this publication is ideally designed for human resources professionals, psychologists, entrepreneurs, executives, managers, organizational leaders, researchers, academicians, and students seeking current research on methods of nurturing talent and empowering individuals to lead more fulfilled, constructive lives within the workplace.
