A Vineyard in Andalusia - María Dueñas 2017-10-02

A sweeping historical epic by an author whose novels have sold over 6 million copies worldwide. 1861. A ruined silver-mine owner sets sail from Mexico City to seek his fortune in the New World. Mauro Larrera has just four months to pay his creditors, or his bankruptcy will be revealed and his family's honour will be in tatters. In magnificent Havana — home to beautiful women and dangerous men who deal in mysterious trades — he gambles what little he has left on what will become the greatest adventure of his life ... A Vineyard in Andalusia is a novel of glories and

defeats; of silver mines, family secrets, vineyards, cellars, and splendid cities of faded grandeur; of unexpected passion, and love in the strangest of circumstances. Once again, María Dueñas' powerful storytelling and rich historical detail transport us to a faraway time and place, and on an unforgettable adventure of a lifetime.

All Nestor Lopez wants is to live in one place for more than a few months and have dinner with his dad. When he and his mother move to a new town to live with his grandmother after his dad's latest deployment, Nestor plans to lay low. He definitely doesn't want anyone find out his deepest secret: that he can talk to animals. But when the animals in his new town start disappearing, Nestor's grandmother becomes the prime suspect after she is spotted in the woods where they were last seen. As Nestor investigates the source of the disappearances, he learns that they are being seized by a *tule vieja*—a witch who can absorb an animal's powers by biting it during a solar eclipse. And the next eclipse is just around the corner... Now it's up to Nestor's extraordinary ability and his new friends to catch the *tule vieja*—and save a place he might just call home.

Spirits of Place - Alan Moore 2016-11-22

Stories are embedded in the world around us; in metal, in brick, in concrete, and in wood. In the very earth beneath our feet. Our history surrounds us and the tales we tell, true or otherwise, are always rooted in what has gone before. The spirits of place are the echoes of people, of events, of ideas which have become imprinted upon a location, for better or for worse. They are the *genii loci* of classical Roman religion, the disquieting atmosphere of a former battlefield, the comfort and familiarity of a childhood home. Twelve authors take us on a journey; a tour of places where they themselves have encountered, and consulted with, these Spirits of Place.

The Raven / El Cuervo - Bilingual Edition: English and Spanish Edition - Edgar Allan Poe 2018-03-12

"The Raven" is a narrative poem by Edgar Allan Poe. First published in January 1845, the poem is often noted for its musicality, stylized language, and supernatural atmosphere. It tells of a talking raven's mysterious visit to a distraught lover, tracing the man's slow fall into madness. The lover, often identified as being a student, is lamenting the loss of his love, Lenore. Sitting on a bust of Pallas, the raven seems to further instigate his distress with its constant repetition of the word "Nevermore." The poem makes use of folk, mythological, religious, and classical references. "El Cuervo" (título original en inglés: The Raven) es un poema narrativo escrito por Edgar Allan Poe, publicado por primera vez en 1845. Constituye su composición poética más famosa, ya que le dio reconocimiento internacional. Son notables su musicalidad, el lenguaje estilizado y la atmósfera sobrenatural que logra recrear. El texto narra la misteriosa visita de un cuervo parlante a la casa de un amante afligido, y del lento descenso hacia la locura de este último. El amante, que a menudo se ha identificado como un estudiante, llora la pérdida de su amada, Leonora. El cuervo negro, posado sobre un busto de Palas Atenea, parece azuzar su sufrimiento con la constante repetición de las palabras "Nunca más" (Nevermore). En el poema, Poe hace alusión al folclore y a varias obras clásicas.

The Routledge Companion to Transnational American Studies - Nina Morgan 2019-04-05

The Routledge Companion to Transnational American Studies provides scholars and students of American Studies with theoretical and applied essays that help to define Transnational American Studies as a discipline and practice. In more than 30 essays, the volume offers a history of the concept of the "transnational" and takes readers from the Barbary frontier to Guam, from Mexico's border crossings to the intifada's contested zones. Together, the essays develop new ways for Americanists to read events, images, sound, literature, identity, film, politics, or performance transnationally through the work of diverse figures, such as Confucius, Edward Said, Pauline Hopkins, Poe, Faulkner, Michael Jackson, Onoto Watanna, and others. This timely volume also addresses presidential politics and interpictureorial US history from Lincoln in Africa, to Obama and Mandela, to Trump. The essays, written by prominent global Americanists, as well as the emerging scholars shaping the field, seek to provide foundational resources as well as experimental and forward-leaning approaches to Transnational American Studies.

The Fall of the House of Usher - Edgar Allan Poe 2021-08-19

The Fall of the House of Usher Edgar Allan Poe - Roderick Usher is ill, but not due to any normal causes. When the narrator of the story arrives at the House of Usher, he finds that all is not well in the old ancestral home. The house itself appears to be almost alive, and the illness of Madeline, Roderick's sister, is not all it seems. The Fall of the House of Usher by Edgar Allan Poe is a classic short story first in 1839, and was memorably adapted for film by Roger Corman in 1960. The Fall of the House of Usher is in the opinion of many scholars Poe's most famous work of prose. This unsettling macabre work is viewed as a masterpiece of American Gothic literature. Indeed, as in many of his tales, Poe borrows much from the Gothic tradition. Still, as G. R. Thomson writes in his Introduction to Great Short Works of Edgar Allan Poe: "the tale has long been hailed as a masterpiece of Gothic horror; it is also a masterpiece of dramatic irony and structural symbolism." The Fall of the House of Usher has also been criticized for being too formulaic. Poe was criticized for following his own patterns established in works like Morella and Ligeia using stock characters in stock scenes and situations. Repetitive themes like an unidentifiable disease, madness, and resurrection are also criticized. However, there is speculation that Poe used a real-life incident as the basis for his story: the entombment of two lovers at Usher House in Boston, whose bodies were discovered when the house was demolished in 1800. Scholars speculate that Poe, who was an influence on Herman Melville, inspired the character of Ahab in Melville's novel Moby-Dick. John McAleer maintained that the idea for "objectifying Ahab's flawed character" came from the "evocative force" of

Poe's The Fall of the House of Usher. In both Ahab and the house of Usher, the appearance of fundamental soundness is visibly flawed by Ahab's livid scar, and by the fissure in the masonry of Usher.

Spain, a Global History - Luis Francisco Martinez Montes 2018-11-12
From the late fifteenth to the nineteenth centuries, the Hispanic Monarchy was one of the largest and most diverse political communities known in history. At its apogee, it stretched from the Castilian plateau to the high peaks of the Andes; from the cosmopolitan cities of Seville, Naples, or Mexico City to Santa Fe and San Francisco; from Brussels to Buenos Aires and from Milan to Manila. During those centuries, Spain left its imprint across vast continents and distant oceans contributing in no minor way to the emergence of our globalised era. This was true not only in an economic sense—the Hispano-American silver peso transported across the Atlantic and the Pacific by the Spanish fleets was arguably the first global currency, thus facilitating the creation of a world economic system—but intellectually and artistically as well. The most extraordinary cultural exchanges took place in practically every corner of the Hispanic world, no matter how distant from the metropolis. At various times a descendant of the Aztec nobility was translating a Baroque play into Nahuatl to the delight of an Amerindian and mixed audience in the market of Tlatelolco; an Andalusian Dominican priest was writing the first Western grammar of the Chinese language in Fuzhou, a Chinese city that enjoyed a trade monopoly with the Spanish Philippines; a Franciscan friar was composing a piece of polyphonic music with lyrics in Quechua to be played in a church decorated with Moorish-style ceilings in a Peruvian valley; or a multi-ethnic team of Amerindian and Spanish naturalists was describing in Latin, Spanish and local vernacular languages thousands of medicinal plants, animals and minerals previously unknown to the West. And, most probably, at the same time that one of those exchanges were happening, the members of the School of Salamanca were laying the foundations of modern international law or formulating some of the first modern theories of price, value and money, Cervantes was writing Don Quixote, Velázquez was painting Las Meninas, or Goya was exposing both the dark and bright sides of the

European Enlightenment. Actually, whenever we contemplate the galleries devoted to Velázquez, El Greco, Zurbarán, Murillo or Goya in the Prado Museum in Madrid; when we visit the National Palace in Mexico City, a mission in California, a Jesuit church in Rome or the Intramuros quarter in Manila; or when we hear Spanish being spoken in a myriad of accents in the streets of San Francisco, New Orleans or Manhattan we are experiencing some of the past and present fruits of an always vibrant and still expanding cultural community. As the reader can infer by now, this book is about how Spain and the larger Hispanic world have contributed to world history and in particular to the history of civilisation, not only at the zenith of the Hispanic Monarchy but throughout a much longer span of time.

Ornamental - Juan Cárdenas 2020-06-02

A scientist recruits volunteers for the trial of a new recreational drug that exclusively affects women. Among them is "Number 4," who becomes emotionally involved with first the scientist and then his wife, a well-known visual artist in the midst of a creative crisis. The scientist is oblivious to the atrocities his new drug will bring to the city; his wife is oblivious to the superfluousness of the objects she has made her life's work exhibiting in galleries and museums. Despite prominence as designers of artificial emotional states, Number 4's presence in their lives pierces their complacency, gradually undoing the many certainties they've accumulated in their lives of ease.

¿De qué color es el mar? / What colour is the Sea? - Dubovoy Silvia 2002
A curious little fish flies through the ocean, and although he is curious to know lots of things, what most interests him is the colour of the sea. Intrigued by the mystery, he asks the night, the moon, the stars that twinkle in the sky, the sun that sheds light on everything, the other fish, the old turtle, the enormous shark... but each of them says a different colour, depending on how they see it. In his desire to know the answer, the little fish makes friends with a boy who is playing on the beach making sandcastles. And then, at last, the boy's smile lets him see the "true" colour of the sea. This story is a snippet of what the sea represents and what it gives us. Of its immense variety of fish, of the different inhabitants its waters cross, of the glints of light and the whiteness of its water when it turns to foam... It is an invitation to love and care for the sea!

Evelyn's Husband - Charles Waddell Chesnutt 2009-04-06

The critique of white male society that Charles W. Chesnutt launched in *A Marrow of Tradition* continues in *Evelyn's Husband*, one of six manuscripts left unpublished when this highly regarded African American innovator died. Set in Boston society, on a deserted Caribbean island, and in Brazil, *Evelyn's Husband* is the story of two men-one old, one young-in love with the same young woman. Late in his career Chesnutt embarked on a period of experimentation with eccentric forms, finishing this hybrid of a romance and adventure story just before

publishing his last work, *The Colonel's Dream*. In *Evelyn's Husband*, Chesnutt crafts a parody examining white male roles in the early 1900s, a time when there was rampant anxiety over the subject. In Boston, the older man is left at the altar when his bride-to-be flees and marries a young architect. Later, trapped on an island together, the jilted lover and the young husband find a productive middle ground between the dilettante and the primitive. Along with *A Business Career*, this novel marks Chesnutt's achievement in being among the first African American authors to defy the color barrier and write fiction with a white cast of main characters. Matthew Wilson, Bainbridge, Pennsylvania, introduces both *A Business Career* and *Evelyn's Husband*. He is associate professor of humanities and writing at Penn State University, Harrisburg. Marjan van Schaik, Bainbridge, Pennsylvania, edited both novels along with Wilson and is a part-time instructor at Millersville University.

Cuba in My Pocket - Adrianna Cuevas 2021-09-21

By the author of 2021 Pura Belpré Honor Book *The Total Eclipse of Nestor Lopez*, a sweeping, emotional middle grade historical novel about a twelve-year-old boy who leaves his family in Cuba to immigrate to the U.S. by himself, based on the author's family history. "I don't remember. Tell me everything, Pepito. Tell me about Cuba." When the failed Bay of Pigs invasion in 1961 solidifies Castro's power in Cuba, twelve-year-old Cumba's family makes the difficult decision to send him to Florida alone. Faced with the prospect of living in another country by himself, Cumba tries to remember the sound of his father's clarinet, the smell of his mother's lavender perfume. Life in the United States presents a whole new set of challenges. Lost in a sea of English speakers, Cumba has to navigate a new city, a new school, and new freedom all on his own. With each day, Cumba feels more confident in his new surroundings, but he continues to wonder: Will his family ever be whole again? Or will they remain just out of reach, ninety miles across the sea?

In Evil Hour - Gabriel García Márquez 2022-10-11

In Evil Hour is the thrilling story about the smears, defamations, infidelities, and torrential rains that afflict a small Colombian town, and

the sacrifice of a boy that brings torment and chaos to an end, from the masterful Gabriel García Márquez, author of *One Hundred Years of Solitude* and *Love in the Time of Cholera*. One morning, slanderous posters start appearing all over the town, revealing family secrets and maligning individuals. Ghosts of the past reappear, along with old feuds and infidelities. Torrential rains then flood the town and chaos is everywhere. Neighbors suspect each other, yet no one knows who is responsible. Finally, a boy is made the scapegoat and tragedy ensues. In *Evil Hour* contains vivid characters who reflect the humor and pathos of everyday life. This brooding novel clearly points the way to the flowering of García Márquez's genius in his later *One Hundred Years of Solitude*.

The Strange Case of Dr. Jekyll and Mr. Hyde (Stonehenge Classics) - Robert Louis Stevenson 2015-12-15

International Classic Best Seller By The Author Of Kidnapped And

Treasure Island Millions of copies sold world wide "One of the best...of the Victorian era!" Robert Louis Stevenson's most popular book *The Strange Case of Dr. Jekyll and Mr. Hyde* by Robert Louis Stevenson is a fascinating tale of split personalities. Dr. Jekyll is a "large, well-made, smooth-faced man of fifty with something of a slyish cast", who occasionally feels he is battling between the good and evil within himself, thus leading to the struggle between his dual personalities of Henry Jekyll and Edward Hyde. He has spent a great part of his life trying to repress evil urges that were not fitting for a man of his stature. He creates a serum, or potion, in an attempt to mask this hidden evil within his personality. However, in doing so, Jekyll transforms into the smaller, younger, cruel, remorseless, evil Hyde. Jekyll has many friends and has an amiable personality, but as Hyde, he becomes mysterious and violent. As time goes by, Hyde grows in power. After taking the potion repetitively, he no longer relies upon it to unleash his inner demon i.e., his alter ego. Eventually, Hyde grows so strong that Jekyll becomes reliant on the potion to remain conscious. A series of unsolved crimes ensues, and no one suspects the reserved, successful doctor of being the perpetrator. As the story unfolds, Dr. Jekyll has increasing difficulty hiding his double life and it appears that he enjoys his excursions into crime and cruelty. The tale comes to a dramatic climax as he seeks a final resolution to his dilemma. This classic tale is commonly credited as an influence in modern fiction, movie and television characters such as Dexter, The Hulk, Batman and other superheroes that struggle with shadow aspects of their personalities.
