As for Me and My House - Dr Ronnie W. Goines 2017-10-20
AS FOR ME AND MY HOUSE... Imagine if every man lived the qualifications of a Pastor. What would that do to our homes, churches, communities and nations? This book/curriculum was written under the mantra of EVERY man should pastor his home. "As for me and my house..." utilizes scripture, service, prayer, and accountability to address obstacles that keep Christian men from reaching their spiritual capacity of Discipleship. Men desire to be respected, but most don't understand their need for love, fellowship, and God's word. This curriculum lays the blueprint for discipling a man, and forges an impenetrable brotherhood amongst those who embark on this journey together! "As for me and my house..." helped our men recognize the importance of functioning as spiritual Pastors of their families." Pastor Coye Bouyer, Kingdom Life Church Lansing, MI "As it relates to systematic men's discipleship, this teaching transformed the lives of our men." Bishop James Ray Taylor, Heavenly Vision Church, Los Angeles, CA Not every "Christian" is a disciple of Jesus Christ. At Cornerstone this exciting, life-changing model transformed our men ministry into a 1Timothy 3:1-7 brotherhood. Pastor Dwight McKissick, Cornerstone Baptist Church, Arlington, TX With over 20 years in ministry, I have never seen a curriculum that offers a didactic systematic approach to discipline men in our churches like "As for me

and my house..." Pastor Ken Bennett, Connections Fellowship Church, Plano, TX RONNIE GOINES is the founding pastor of Konionia Christian Church in Arlington, Texas where he pastors over 5000 members of diverse backgrounds. With over 20 years in ministry and business, he is known most for his candid approach in articulating the Word of God. Dr. Goines merges sensationalism with scholasticism delivering straight talk in love! He resides in Mansfield, Texas with his wife, Nikki, and three sons.

Journal Your Life's Journey - Your Life's Journey 2015-07-25

Are you harnessing the power of a journal? If you are going through life right now feeling like everything is out of control or that things are not happening the way you planned, you need a journal. I don't mean to be too direct, but it is time for you to discover why you feel the way you do and then figure out what to do about it. Or you can just write stuff in it! The great thing about a lined journal is you can make it into anything you want. A day timer, travel journal, diary, notebook for school, etc. If you need to write something down, a journal is the tool you need. If you want to use it for more than just a notepad then keep reading. Benefits Of Keeping A Journal Almost every successful person seems to have kept a journal in one form or another. Success in this case is not defined by money but overall happiness. Whether or not they called it journaling doesn't matter as they kept a record of their goals, success, failures, feelings and their daily life. Your journal contains the answers to your most burning questions. It is literally the best self-help book you could ever read because it is all about you. Just some of the benefits of journaling are: Allows you to reflect on your life and the changes you are choosing to make or not make Clarifies your thinking and as Tony Robbins says "Clarity is Power" Houses all your million dollar ideas that normally get lost in all the noise of life Exposes repeated patterns of behaviors that get you the results you DON'T want Acts as a bucket for you to brain dump in - a cluttered mind leads to a disorganized life Revisits daily situations giving you a chance to look at it with a different perspective Doesn't crash and lose everything you put into it like electronics (just like electronics though don't get it wet) You may want to keep multiple journals. One that contains your truest and most secret feelings that you guard heavily, but need a way to express. Another that

contains all those fantastic ideas, dreams and awesome goals. Maybe just something you doodle in. No matter how you use it getting into the daily habit of journaling has the potential to improve the quality of your life. How To Use A journal Let's look past the simple fact you know how to physically write in a journal and dig into how to actually use your journal. It might contain all the secrets to life's biggest problems but unless you know how to uncover those secrets they stay hidden away in your words. Let the words flow from the heart and be filled with emotions, no holdbacks Make a daily journaling schedule. Each and every day take the time to record your thoughts morning and night. If you love to type notes into your phone all day transfer them to your journal after. Sit in a quiet spot and allow yourself to be judgement free. Your journal is not a reason to turn yourself into an emotional punching bag. Start small. You do not need to write a specific number of words. Just the right amount of honest words that let you feel a sense of being free from negativity and energized with possibility. If you write in your journal like someone is going to read it, you will ever allow yourself to fully express what needs to be expressed. Write like no one will ever read it because it is likely no one ever will unless you want them to. Write how you loved something, were mad at someone, wished something was different or anything you need to. Just do it. Start today writing in your journal. You could even put "Today I bought this awesome journal and will recommend all my friends do the same." Wink Wink Scroll up and hit the add to cart button now.

Autobiography of John Ball - John Ball 1925

Waiting for Morning - Margaret Brownley 2013-01-07

Molly Hatfield comes to Arizona Territory seeking stability and security. But living in Cactus Patch provides her with more than she ever dreamed of. There is nothing Molly wouldn't do for her teenaged brother, Donny. Blaming herself for the accident that left him wheel-chair bound, Molly has dedicated her life to his care. But in 1896, gainful employment for a woman is hard to come by. So when Molly learns that an eccentric rancher in Cactus Patch, Arizona, is looking for an heiress--someone to take over management of the ranch in exchange for future ownership--she jumps at the chance to provide a real home for her brother. If she proves to have a knack for ranching and agrees to remain single for life, the ranch can be hers. Neither stipulation worries Molly. She's resourceful and hardworking. And she gave up dreams of marriage long ago when she dedicated her life to her brother's well-being. However, Molly didn't bank on meeting Dr. Caleb Fairbanks, the town's handsome and charismatic young doctor. Caleb has a way with Molly that makes her nervous. But it's how he is with her brother that really alarms her. Caleb sees past the wheelchair and genuinely likes Donny, but Molly fears he's putting unrealistic ideas into her brother's head. Falling in love with Caleb would threaten everything she's worked for, even her brother's future happiness. But it could be the very reason God brought her to Last Chance Ranch.

Armenia's Velvet Revolution - Anna Ohanyan 2020-09-03

In April 2018, Armenia experienced a remarkable popular uprising leading to the resignation of Prime Minister Serzh Sargsyan and his replacement by protest leader Nikol Pashinyan. Evoking Czechoslovakia's similarly peaceful overthrow of communism 30 years previously, the uprising came to be known as Armenia's 'Velvet Revolution': a broad-based movement calling for clean government, democracy and economic reform. This volume examines how a popular protest movement, showcasing civil disobedience as a mass strategy for

the first time in the post-Soviet space, overcame these unpromising circumstances. Situating the events in Armenia in their national, regional and global contexts, different contributions evaluate the causes driving Armenia's unexpected democratic turn, the reasons for regime vulnerability and the factors mediating a non-violent outcome. Drawing on comparative perspectives with democratic transitions across the world, this book will be essential reading for those interested in the regime dynamics, social movements and contested politics of contemporary Eurasia, as well as policy-makers and practitioners in the fields of democracy assistance and human rights in an increasingly multipolar world.

[Awaken](#) - 2021-01-02

Amarah Rey is like any other human. She works a meaningless job and lives her life going through the motions never actually living. More like surviving. Sure, she has family, friends, and her fair share of heartbreak just like everyone else, but something always seems to be missing. Nothing and no one ever seems to fill the hole in her heart. One night, that all changes when a handsome stranger named Logan Lewis, shows up and turns her world upside down with talk of power, Fey, demons, and a war that is on the verge of ending humanity. Why should Amarah care about any of this? Turns out, she's not human at all. She is a powerful key to keeping the demons from destroying the world she knows and the world she doesn't. Amarah and Logan seemed to be drawn to each other somehow. It doesn't help that he is everything she's ever wanted. The connection is instant, and this type of intoxicating, all-consuming feeling is dangerous in its own way. What does it mean? Who is he and can she trust him? Does she have a choice?

Azara The Little Princess Who Loves Dresses - Asha C Pieters
2021-01-07

This book was made to empower children, it's about a little girl who loves dressing up, but her mom wants her to know that while it is nice to look good on the outside, it is what's on the inside that is most important. Everything in this book is true; Azara is my 4-year-old daughter who loves dresses and wants to wear them as soon as she gets out of bed in the morning. She is a fascinating little person with lots of energy and a big personality, so writing about her was easy and fun. I wanted to write something simple, fun and true that was an expression of love between mother and daughter.

Hell Hath No Fury! - Elaine alford 2019-02-04

There be a captain, only 12 is she. With a crew of zombies the legends be! Her hair as white as clouds above but far from Angel, she be no dove! Innocent she looks but deadly she be for when ye travel, beware her sea! Some say her name be lil Beth but those what lived, call her "WHITE

DEATH!"Beware the fog for it is she, from deep within yer end will be!If her gaze meets yer line of sight, ye better run a most hasteful flight!Don't look back and never return for now it's yer life, she'll long to earn!

Broadcast Television in Transition - Daniel J. Fettoni 2011

Market and technological changes are creating challenges to the long-standing business models employed by broadcast television networks and local television stations, but at the same time generating potential opportunities for those networks and stations. These changes generally are strengthening the position of parties that control popular program content in their negotiations with distributors of that programming. The changes also may be affecting the three pillars of U.S. government media policy - localism, diversity of voices and competition - and damping the effectiveness of existing regulations intended to foster them. This book explores the transitions being made in broadcast television with a focus on the market forces affecting broadcast news networks and the Satellite Television Extension and Localism Act of 2010 (STELA).
