There are things that women want, and things that women need. I know deep down, with every fiber in my body, that I need Mr. Ward. He started out as my landscape designer, but became so much more. Now, my life is on the line while living with the devil himself. I have been torn down and broken, and I don't think I can take anymore. The man I need

was never the one I married. No, the man I need is the one I was never supposed to have. He's the one who showed me gentleness, kindness, and true love. Ward would put up a fight for me at any cost. I know for a fact, I could be so much happier with him... But when I come face-to-face with reality, I'm not sure if I'm brave enough to risk it all for someone I've just met, even if it seems like Mr. Ward and I

are a match made in heaven.

The Perfect Ruin - Shanora Williams 2021

"From New York Times and USA Today bestselling author Shanora Williams, a riveting novel of domestic suspense about the close relationship between two women: a severely troubled twenty-something and the mega-successful, billionaire CEO she's determined to destroy."--

They say there is happiness at the end of every love story, but they never truly mention the hardships it takes to get there. With Cane, I'd been through hell and back, and now, I was going to be walking up the altar, promising my life to a man that I'd gambled everything for. Some would call me dumb. Some would deem me insane. Others would say I

was a fool in love. But I knew what we were, and I knew what we had was real. With every marriage, there is always something that can hold you back or make you think twice, and this something was going to be one of our biggest wars yet, or our greatest victory ever.

Guardian of the Republic -

Allen West 2014-04-01

The inspiring life and uncensored views of a veteran, patriot, former Congressman, conservative icon, and warrior for personal liberty... Over the course of the past few decades, Allen West has had many titles bestowed on him, among them Lt. Colonel, U.S.

Representative, "Dad," and Scourge of the Far Left. He rose from humble beginnings in Atlanta where his father instilled in him a code of conduct that would inform his life ever after. Throughout his years leading troops, raising a loving family, serving as Congressman in Florida's 22nd district, and emerging as one of the most authentic voices in conservative politics, West has

never compromised the core values on which he was raised: family, faith, tradition, service, honor, fiscal responsibility, courage, freedom. Today, these values are under attack as never before, and as the far Left intensifies its assaults, few have been as vigorous as West in pushing back. He refuses to let up, calling out an Obama administration that cares more about big government than following the Constitution, so-called black "leaders" who sell out their communities in exchange for pats on the head, and a segment of the media that sees vocal black conservatives as threats to be silenced. Now more than ever, the American republic needs a guardian: a principled, informed conservative who understands where we came from, who can trace the philosophical roots of our faith and freedom, and who has a plan to get America back on track. West isn't afraid to speak truth to power, and in this book he'll share the experiences that shaped him and the beliefs he would die to

defend.

Don't Kiss the Bride - Carian Cole 2021-02

I guess you could say I was a damsel in distress, and he was my knight in shining armor. But more accurately, I was a girl with a lot of bad luck, and he was a guy with a lot of muscles and tattoos. Jude "Lucky" Lucketti wasn't just a sexy, brooding construction worker. He was my own personal hero who seemed to be in all the right places at the right times. Like when my car broke down and I needed a ride home, and when I face planted on the sidewalk right in front of him and had to be taken to the emergency room. Those weren't

exactly my best moments, but they were his. We became friends, and it didn't matter that he was sixteen years older than me. We had a lot in common-like our love of old rock music and vintage fast cars, and our aversion to relationships. When he approached me with a crazy idea to help me out, I couldn't say no. The arrangement was supposed to be temporary. A marriage on paper and nothing else. It should've been easy, but it wasn't. Because here I am, eighteen years-old, still in high school, and married to a man I was never supposed to fall in love with. We had just one rule- no kissing the bride. But we broke that rule, and it sealed our fate forever.

later, I'm happily married to a man who has completely changed my life...but with my health hanging in the balance, I often wonder what his future entails, because I know there is a possibility that he'll have to live without me. John, my husband, is the love of my life, and I have never questioned our love...that is until my past comes knocking at the door. Every girl has that one guy-the one whom she can't seem to forget or completely let go of, no matter how toxic the relationship was, or how bad it ended. Well, this story is a little different. This is the story of how Maximilian Grant went from being my toxic first love, to the man who ultimately saves my life... and, trust me, this will not play out the way you think it will.

"the Saint" in this sizzling tale of a mysterious aristocrat, a high-spirited American beauty, and an affair that begins with an innocent temptation...and leads to the most exquisitely dangerous of seductions. Vergil Duclairc was a man used to getting his way. And as the newly appointed guardian of Miss Bianca Kenwood, he was determined to find her and bring her back to live with his family. The last thing he expected was to find his new ward scandalously costumed and employed as a theatrical singer. Bianca had no interest in giving up her independence, but there was something compelling about this handsome and brooding viscount who seemed to think he owned her and her inheritance. As she allows herself to be swept back to his country estate, she discovers that Vergil is a man of secrets and sensuality, and that she is not immune to his inscrutable charm....nor is he to hers. Suddenly, in a moment that would change everything, they are thrust into a world of

dangerous intrigue, where enemies abound and only the passion that ignites between them can save them—or prove their glorious undoing.

The Rebel King - Kennedy Ryan
USA Today Bestselling and RITA® Award-winning author Kennedy Ryan delivers the gripping conclusion to the All the King's Men Duet .

Ambition. Revenge. Love.

Raised to resist. Bred to fight.

Survival is in my blood and surrender is never an option.

Though surrender is what Maxim Cade demanded of my

body and heart, I had other

plans. We were fast-burning

fascination and combustible

chemistry, but the man I

trusted with everything was a

trickster. A thief who stole my

love. If what we had was a lie,

why did it feel so real? The

man I swore to hate will have it all, and wants me at his side.

But power is a game, and we're

the pawns and players. Facing

insurmountable odds, will we

win the world, or will we lose it

all?

It was so easy to take advantage. But then my father died, and I was stolen. The family moved on without me. Until I was penniless with no place to go. I returned to the Rose Estate not knowing Callan was the head of it. He'd honed his body and temper in the underground fighting ring. The scars only made him more beautiful. Now I'm trapped by a seductively dark man who has nothing but vengeance running through his veins. I'd always wanted him to fight back, but you know what they say: Be careful what you wish for
