Much of this material was collected by Israel Regardie and published in the massive Gems from the Equinox (1974). Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O. Lon Milo DuQuette presents readers with his own selections from this classic publication, The Best of the Equinox. Once Aleister Crowley grasped the fundamentals of sexual magick, he came to understand it to be the key that unlocks the

secrets of the universe. He dedicated the entire second half of his life to exploring its mysteries. This volume presents the bulk of Crowley's written works on the subject and includes "The Gnostic Mass," "Energized Enthusiasm," "Liber A'ash," "Liber Chath," and "Liber Stellae Rubeae."

Sexual Outlaw, Erotic Mystic

- Vere Chappell 2010-12-01

Sex, Magick, Aleister Crowley, Orgasms, Erotic Dances, Angelic Beings, Revolutionary Activism, Liberation, Persecution, Defiance, and Suicide. Persecuted by Anthony Comstock and his Society for the Suppression of Vice, this turn-of-the-century heroine was also a spiritualist who learned many secrets of high magick through her claimed wedlock to an angelic being. Born in Philadelphia in 1857, Ida Craddock became involved in occultism around the age of thirty. She attended classes at the Theosophical Society and

began studying a tremendous amount of materials on various occult subjects. She taught correspondence courses to women and newly married couples to educate them on the sacred nature of sex, maintaining that her explicit knowledge came from her nightly experiences with an angel named Soph. In 1902, she was arrested under New York's anti-obscenity laws and committed suicide to avoid life in an asylum. Now for the first time, scholar Vere Chappell has compiled the most extensive collection of Craddock's work including original essays, diary excerpts, and suicide letters--one to her mother and one to the public.

Magia Sexualis - Paschal Beverly Randolph 2012-08-27

A step-by-step guide to the

occult science of sex magic • Based on the practices of P. B. Randolph, occult rival of H. P. Blavatsky • Reveals how to perform sex magic rituals for specific real-world results, such as greater strength or enhancement of the senses • Explains how to create magical talismans, such as rings with specific planetary forces, how to enliven a painting, and how to charge an effigy Conceived by Paschal Beverly Randolph, *Magia Sexualis* has been heralded as the most influential book about sex magic ever written, surviving to the present day solely through Maria de Naglowska's French translation. Published more than 50 years after Randolph's death, the authorship of this "translation" has been repeatedly called into question: While the greater part of the content can be traced to Randolph's known works, a very significant portion cannot--leading to the conclusion that this work was supplemented by Naglowska's own sex magic work and extensive occult teachings. *Magia Sexualis*

explains Randolph's meticulous science of sex magic, practiced by the Brotherhood of Eulis and the Hermetic Brotherhood of Light. Beginning with exercises to develop essential skills, the book explains in step-by-step detail how to perform sex magic rituals for specific results, such as greater strength or enhancement of the senses, how to charge and use a "vot"—an effigy of a specific person you want to influence or protect, how to enliven a painting in order to influence those around it, and how to create magical talismans with specific planetary forces, using what Randolph calls "fluid condensers." This work from two great occult minds shows that true power of the spirit is acquired in conjunction with the power of sex—affirming that "sex is the fundamental force in every being, the most powerful force in Nature, and the most characteristic evidence of God."

With Jason as your guide in this book, you are in some of the best hands out there when it comes to approaching and working with spirits. This is a book I wish I had fifteen years ago when I began working closely with spirits." —Mat Auryn, author of *Psychic Witch Throughout history, humans have sought power and knowledge from spirits. conjure, communicate, and negotiate with these unseen powers is one of the keys to success in magic. Stealing Fire from Heaven -

Nevill Drury 2011-03-02

The Western magical traditions are currently undergoing an international resurgence. In *Stealing Fire from Heaven*, Nevill Drury offers an overview of the modern occult revival and seeks to explain this

growing interest in ancient magical belief systems.

Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as

twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred--a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as "stealing fire from heaven." Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm.

Sexual Alchemy - Donald Tyson
2000

Chances are that you've heard of Tantra and Taoist sexual practices. Now, as a result of

studying the inner mysteries of alchemy, Donald Tyson presents a Western system of sacred sexuality in *Sexual Alchemy*. Here you will learn how to have erotic relationships with loving spirits. That means the methods presented here can function as a Western alternative to Eastern sexual practices. They also can be used by a solitary person and need not depend upon the participation of a partner. The first part of this book presents a history of sex with spirits. It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick. You will also learn how to create a physical representation of the spirit you are going to use as a partner. The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself. This includes techniques of diet, exercise, breathwork, banishings,

purifications, and finally, an invocation ritual to summon the spirit who is going to be your lover! Then you will learn the previously hidden secrets of having sex with a spirit lover. You'll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy. And then, when you have accomplished your ritualized mating, you will learn how to collect and use the resulting, highly charged fluids for magical purposes. Everything we are, everything we have, is a gift from the Divine. Doesn't it make sense that we use all of our abilities to honor the source from which they came? That means we can even make use of our sensual natures to honor the Gods. If you want to follow a system based on western traditions, this book can be your guide.

The Feminine and Masculine have been experiencing the feelings of separation, abandonment, betrayal, resentment, jealousy, anger, fearing each other, not understanding one another, irritated by the other, and an overall distrust for so long. Sex has been used as a weapon not only against men and women, but against children as well, and this natural power we all naturally possess as humans, have been hijacked from us by dark forces. This book gives us another chance as humans to build a healthy, divine relationship and a sexual union. An art that has been long forgotten. Finally, men can understand women and women can understand men, to the core. the potential that a sacred union holds for us? The priestesses of the original temple of Isis and Lilith bring the occult knowledge of sex magic back from the temple and show us how we can incorporate it in our modern lives. The Sorcerer's Secrets - Jason Miller 2009-01-01

"If you're interested in assuring that you obtain real tangible results with your spells and are willing to put the work into doing so, this is definitely the book for you. Completely filled with some amazing insights, ideas, and tips that come from

experience. His ideas are some that I've never seen in other books. This book alone completely changed how I approach giving offerings to spirits and deities." --Mat Aurnyn, author of *Psychic Witch*

This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that effects only inner change. While magick can and should be both of these, it is something more. The *Sorcerer's Secrets* is about success in practical magick; it is a book that aims at change in both the outer and inner worlds. Beyond a mere spell book or training course, *The Sorcerer's Secrets* is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick. The second part presents clear strategies for tackling almost any type of

issue with sorcery. In this book you will learn how to: Attack problems from multiple angles, not just by casting a spell. Blend mundane and magickal action to ensure success. Figure out whether what you are doing is working. Fix it if it isn't. Go beyond readings, into magickal intelligence-gathering. Influence the minds of other people. Work most effectively on behalf of others. *The Sorcerer's Secrets* will help rescue the art of Magick from those who have ignored, downplayed, or just outright denied the existence of practical sorcery in favor of arcane titles, intangible results, and fantasy attainments.

Carnal Alchemy - Stephen E. Flowers 2013-09-20

BDSM sexuality as a powerful tool for self-transformation and the realization of magical and spiritual aims • Details how to combine the 6 major types of S&M stimulation with sexual stimulation for magical and transformative purposes • Explores sado-magical workings from both submissive and dominant perspectives •

Traces the roots of the BDSM tradition from ancient pagan and shamanic rituals to historical figures such as the Marquis de Sade, Aleister Crowley, and Anton LaVey Sex magic allows us to tap in to the most abundant power source available: sexual energy. Magicians, shamans, and fakirs throughout history have used physical stimulation and ritual to harness sexual energy, unlock inner states of consciousness, and activate the ability to influence their surroundings. While pleasure is often the focus of this stimulation, pain is just as effective, if not more so. Combining both pleasure and pain, the sadomasochistic practice of Carnal Alchemy offers a powerful tool for self-transformation and the realization of magical and spiritual aims. Authors Stephen and Crystal Dawn Flowers explain the sado-magical workings of Carnal Alchemy from both the perspective of the submissive partner as well as the dominant. They detail the 6 major techniques of

sadomasochistic stimulation--bondage, flagellation, piercing, penetration, clamping, and heat/cold--and how they can be combined with sexual stimulation for magical purposes. They trace the roots of the BDSM tradition in ancient pagan rites of passage, in indigenous shamanic rituals, and through historical figures who used this form of sexuality in their magic and philosophy, from the Marquis de Sade to more modern exemplars such as Aleister Crowley, Ernst Schertel, and Anton LaVey. This guide also covers specialized furniture and tools and the decor of "the Chamber" to trigger states of consciousness in which the Sado-Magician can effectively express his or her will.

[The Secret History of Western Sexual Mysticism](#) - Arthur Versluis 2008-03-25

The first book to reveal the history of Western sexual mysticism • Reveals the secret sexual practices that have been used since ancient Greece to achieve mystical union with God • Details the sects and

individuals who transmitted the radical sexual practices that orthodox Christianity never completely silenced •

Distinguishes between sexual magic and sexual mysticism Beginning with the ancient Greek Mystery traditions, Gnosticism, and the practices in early Christianity, Arthur Versluis uncovers the secret line of Western sexual mysticism that, like the Tantra of the East, seeks transcendence or union with God through sexual practices. Throughout antiquity, and right into the present day, sexuality has played an important, if largely hidden, role in religious traditions and practices. This includes not only Christian but also kabbalistic and hermetic alchemical currents of sexual mysticism, many discussed together here for the first time. In the Mystery tradition of hieros gamos (sacred marriage) and the Gnostic tradition of spiritual marriage, we see the possibility of divine union in which sexual union is the principal sign or symbol. Key to these practices is the

inner or archetypal union of above and below, the intermingling of the revelatory divine world with the mundane earthly one. Versluis shows that these secret currents of sexual mysticism helped fuel the rise of the troubadours and their erotic doctrine, the esoteric teachings of Jacob Böhme in the late 16th century, the 19th-century utopian communities of John Humphrey Noyes and Thomas Lake Harris, the free love movement of the 20th century, and the modern writings of Denis de Rougemont and Alan Watts. **Gnostic Mysteries of Sex** - Tobias Churton 2015-08-17 An exploration of the sexual practices and doctrinal secrets of Gnosticism • Reconstructs the lost world of Gnostic spiritual-erotic experience through examination of every surviving text written by heresiologists • Investigates the sexual gnosis practices of the Barbelo Gnostics of the 2nd century and their connections to the Gnostic Aeon Sophia, the Wild Lady of Wisdom • Explains the vital significance

of “the seed” as a sacrament in Gnostic practice Examining every surviving text written by heresiologists, accounts often ignored in favor of the famous Nag Hammadi Library, Tobias Churton reveals the most secret inner teaching passed down by initiated societies: the tradition of sexual gnosis-- higher union with God through the sacrament of sex. Discovering actual sex practices hidden within the writings of the Church’s authorities, he reconstructs the lost world of Gnostic spiritual-erotic experience as taught by initiated masters and mistresses and practiced by Christian couples seeking spiritual freedom from the world. Churton explores the practices of the “first Gnostic,” the historical Simon Magus, and explains the vital significance of “the seed” in Gnostic practice, showing it to be the sacramental substance par excellence. He illuminates the suppressed truth of why the name “Valentine” came to be associated with ennobling erotic love and reveals

profound parallels between sexual gnosis and Tantra, suggesting that gnosis lies at the root of the tantric path. Solving a millennia-old riddle regarding the identity and secret symbol of Sophia, the mysterious Gnostic “Aeon,” Churton investigates Sophia’s connections to Barbelo, also known as Pruneikos, the Wild Lady of Wisdom, and the central focus of the Barbelo Gnostics of the 2nd century, whose religious sex practices so shocked orthodox Christian contemporaries that they were condemned, their cults of spiritual gnosis and “redemption by sin” driven underground. Churton exposes the mystery of Sophia in the philosophy of the medieval Troubadours and explores William Blake’s inheritance of secret Renaissance sexual mysticism through the revolutionary English poet Andrew Marvell. Showing how Blake’s sexual and spiritual revolution connects to modern sexual magic, Churton also examines the esoteric meaning of the free-love explosion of the

1960s, revealing how sex can be raised from the realm of guilt into the highest magical sacrament of spiritual transformation.

Randolph, Aleister Crowley, Austin Osman Spare, Julius Evola, and Maria de Naglowska • Includes a complete overview of love magic in the Middle Ages, with accounts of the use of potions, powders, spells, and enchantments • Explores sex magic techniques of the East, including Taoist sexual alchemy Magic, almost in its entirety, is connected to sexuality. It is through the natural magic of love that sex magic operates, harnessing the forces that join lovers together. In this extensive study of sex magic in the Eastern and Western Mystery traditions, Sarane Alexandrian explains how there is a sex magic connected with every religion, spiritual belief system, and initiatory society. Exploring

sexual practices in folk magic, high magic, alchemy, and religion, the author begins with a complete overview of love magic in the Middle Ages, including accounts of the use of potions, powders, spells, and enchantments, and he reveals how these techniques related to the religious practices of the time. He introduces the Taoist sexual alchemy practices of Mantak Chia, the secret tantric practices of the Tibetan bons, sexual shiatsu, and a Vietnamese practice called "mouth moxa." Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph's white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the

radiant powers of color, number, scents, and physical movements, which intensify the activity of the human bioelectric field. Alexandrian also details the tantra practices of Margot Anand, the sexual rituals of Wicca, and magical "sex aids," including talismans and jewels. Providing complete practical information, the author explains how, through sex magic, a couple can extract from each other what they are missing by way of virility and femininity, multiplying their energies tenfold and merging the carnal and spiritual worlds to experience transcendent adventures in the deepest depths of reality.

Sobonfu Some 2000-01-05

A renowned, respected teacher and mentor to thousands, Sobonfu Somi is one of the first and foremost voices of African spirituality to come to the West. Somi was born in Dano, Burkina Faso, a remote West African village with a population of about two hundred people. Dano has preserved the old ways of African village life, with family structures, spiritual practices, and methods of living that have been in place for more than ten thousand years. In The Spirit of Intimacy, Somi distills the ancient teachings and wisdom of her native village to give insight into the nature of intimate relationships. Somi generously applies the subtle knowledge from her West African culture to this one. Simply and beautifully, she reveals the role of spirit in every marriage, friendship, relationship, and community. She shares ancient ways to make our intimate lives more

fulfilling and secure and offers powerful insights into the "illusion of romance," divorce, and loss. Her important and fascinating lessons from the heart include the sacred meaning of pleasure, preparing a ritual space for intimacy, and the connection between sex and spirituality. Her ideas are intuitively persuasive, provocative, and healing--and supported by sound practical advice, along with specific rituals and ceremonies based on those used for thousands of years. With this book, the spiritual insights of indigenous Africa take their place alongside those of native America, ancient Europe, and Asia as important influences on Western readers. Sexual Sorcery - Jason

Augustus Newcomb

2005-08-15

In plain, straightforward language, Jason Newcomb, author of 21st Century Mage

and The New Hermetics, tackles a subject that many magical texts gloss over or ignore--the practice of sex magick. Sexual Sorcery covers the many aspects of using sex as a sacrament, a ritual, or an expression of divine love. It also provides plenty of practical information helpful to any modern sexual sorcerer. Sexual Sorcery includes preliminaries to practice, such as how to broach the subject of sex magick with a partner (or how to find a partner), explanations of sexual technique as well as etiquette and energy, and the value of love in any relationship, especially a sexual relationship incorporating magick. From this base, Sexual Sorcery delves into the various techniques, types, and rituals of sex magick--using magick to enhance sex, ecstatic and mystical experiences during sex, and more esoteric techniques of sexual invocation, evocation, and alchemy. Newcomb defines a sorcerer as a solitary magician who is outside any particular

faith or group, unbounded by the prohibitions of an order or coven, and able to explore the furthest realms of a subject without restriction. In this case the subject is sex magick, and Sexual Sorcery is the perfect guide for any 21st-century sexual sorcerer. It follows no one particular traditional path, but incorporates what works from other esoteric sexual practices.

Celtic Sex Magic - Jon G.

Hughes 2001-12-01

The first written account by a contemporary Welsh initiate of the ancient tradition of sex magic as practiced by generations of Celtic druids. • Reveals authentic, accurate, and fully illustrated instructions. • Provides detailed instructions for crafting, purifying, and energizing all the necessary ritual tools. Sex magic is an important component of Celtic spiritual practice. Unlike other ritual practices that look to intermediaries or deities to execute the participants' wishes, druids believe that individuals can directly

influence exterior reality by focusing their own internal sexual energy. Sex magic potentizes and projects this energy so that it reaches its full power, allowing the participants to liberate their consciousness from everyday awareness and influence reality at will. Written by a practicing druid with more than forty years in the tradition, Celtic Sex Magic explains the fundamental principles involved in channeling the vast amounts of energy generated during orgasm for the purpose of projecting spells and elevating consciousness. The secrets of this tradition have been passed down orally for generations and are revealed here in print for the first time. This workbook contains authentic, accurate, and fully illustrated instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. The author also provides detailed instructions for crafting the necessary ritual tools and brewing the potions used in these rituals. Celtic Sex

Magic offers the keys to unlocking and directing the enormous potential of sexual energy.

Advanced Sex Magic - Maria de Naglowska 2011-07-25

The first English translation of Maria de Naglowska's treatise on advanced sexual magic practices, *Le mystère de la pendaison* • Details

Naglowska's advanced occult teachings on the Third Term of the Trinity and the spiritually transformative power of sex •

Explains the mystical erotic hanging rituals of *La confrérie de la Flèche d'Or* [The Brotherhood of the Golden Arrow], the notorious occult order of 1930s Paris •

Continues the sexual initiatory teachings first expounded in Naglowska's *The Light of Sex* Available for the first time in English, *Advanced Sex Magic* illuminates the revolutionary occult teachings of Maria de Naglowska--Russian mystic, esoteric high priestess, and self-styled "Satanic Woman" of 1930s Paris. Her religious system, called the Third Term of the Trinity, considered the

Holy Spirit (or Wholesome Spirit) to be feminine and taught the importance of sex for the regeneration of the world and the uplifting of humanity. A complement to her *The Light of Sex*, this book on the hanging mystery initiation details her advanced teachings on the Third Term of the Trinity and the spiritually transformative power of sex and reveals the erotic ritual hanging and other sensory deprivation practices of her magical group, *La confrérie de la Flèche d'Or* [The Brotherhood of the Golden Arrow]. These advanced mystical sexual practices were required for initiation into the brotherhood, and, as Naglowska shows, only through the union of the masculine and the feminine can we bring about a reconciliation of the light and dark forces in nature.

Secrets of Western Sex

Magic - U. D. (Frater) 2001

HARNESS THE MOST POWERFUL ENERGIES YOU HAVE EVER EXPERIENCED

Unlock the powerful energies raised during the sex act and use them to manifest your deepest desires. During the sex act, your attention becomes focused into a "laser beam" of concentration. This power of concentrated thought is the foundation of all magical systems. Sex Magic's "secret" is that it's a tremendously powerful and easily learned way to consciously direct sexual energy and accomplish material and personal goals. Male and female energies are often entirely different and it would be folly to deny this; but

experience shows that female magicians can be particularly successful in using and developing Sex Magic. Consequently, this book is aimed at both male and female readers unlike more traditional teachings written for men. Of all secret lore, Sex Magic has been reputed through the centuries to be the most dangerous. Today we know that this attitude was largely a reflection of the hostility held towards the flesh held by repressive religions. If we learn one thing from the shamanic cultures, it is the strong emphasis upon the role of the body in magic. Mind and Body are two facets of the One Thing in which Will, Imagination and Gnostic Trance are the three pillars of success. Contrary to the principles of Eastern Tantra, Western Sex Magic emphasizes the importance of actual orgasm, both male and female. Orgasm is the moment when the walls between consciousness and subconsciousness are sundered and direct access to the deeper levels of the psyche become

possible, freeing up possible paranormal powers. Orgasm itself is sufficient to achieve gnostic trance provided that control is maintained and one does not simply lose consciousness, as most people do at the moment of ecstasy. Secrets Western Sex Magic teaches one of the oldest disciplines of this secret lore. It is a complete system of Sex Magic, in theory and practice - with exercises to develop related abilities for visualization, concentration, breath control, psychic energy arousal and flow along with full instructions on the projection of sexual energies for healing and manifestation, their use in Sigil Magic and the charging of Amulets & Talismans, Group Ritual, and the assumption of god-forms when working as a priestly couple, and the divine "Chymical Marriage" of ultimate union. This book is also an introduction to the entire field of practical magic, using our natural interest and involvement in sexual pleasure to illustrate and develop magical abilities and

techniques.

Protection & Reversal

Magick - Jason Miller

2006-06-15

You could be the target of a spell or curse and not even know it! All people, witches or not, are susceptible to these attacks. The difference: witches and magicians can do something about it. Now you can too. *Protection & Reversal Magick* is a complete how-to manual on preventing, defending, and reversing magickal attacks of any kind. You will learn to: Set up early-warning systems. Appease angry spirits through offerings. Perform daily banishings and make amulets that will prevent most attacks. Make magickal “decoys” to absorb attacks against you. Summon guardian spirits or gods for help. Bind, confuse, or expel a persistent enemy who will not leave you be. These techniques aren't just for witches, either, but for ceremonial magicians, rootdoctors, and anyone else who puts magick to a practical use. Like the cunning men and women of old, now you can

defend yourself and your loved ones against even the strongest attacks! “This book is not only one of my favorite books on ‘defense against the dark arts’, but is actually one of my favorite books in my whole library. Throughout the book Jason provides not only on protection, but also on recognizing the symptoms of attack and creating early warning system to alert you of magickal attacks.” —Mat Aurnyn, author of *Psychic Witch The Sacred Sex Bible* - Cassandra Lorus 2011-11

The Sacred Sex Bible is a comprehensive illustrated guide to sex and spirituality, which looks at historical and cultural currents in sexuality and the influence of both Western and Eastern traditions. From pagan rites to neo-Tantra (Tantra in the West) there are examples of sexual practice and rituals, along with exercises on breathing and visualization as pathways to sacred sex, or blissful union with the divine.
