Simon Steinberg, a major movie producer, and Blaire Scott, an award-winning television writer, are among the most respected couples in

Hollywood. They have defied the clichés, keeping their marriage together for decades. Their children — Samantha, Scott, and Allegra — are successful and happy, but must face challenges we fear for our own children as well. As an attorney for the stars, twenty-nine-year-old Allegra Steinberg is used to negotiating major movie deals, and fielding phone calls at all hours of the day and night. But she has little time for private life — until a chance encounter with a New York writer turns her life upside down. Suddenly, Allegra finds herself planning a wedding at her parents' Bel Air home. As preparations begin for a September ceremony, surprise announcements and ever-increasing anxiety bring out the best and worst in everyone. But as couples in each generation of the Steinberg family struggle with broken vows and new hopes, the real meaning of Allegra's wedding emerges. For the bride, the ceremony is a bridge between her past and her future. For her parents, it is a reminder of the bond that holds them all together. And for both families, it is an opportunity for reconciliation, and new hope. In a compelling portrait of real people on an unreal world, Danielle Steel uses Hollywood as a backdrop to reveal the dreams, the fears, and the expectations of a ceremony that unites us all and changes lives forever.... **BONUS:** This edition includes an excerpt from Danielle Steel's *A Perfect Life*.

It gave me the same waves of happiness I get from curling up with a classic Christie...The alternating points of view keep you guessing, and guessing wrong." — Alex Michaelides, #1 New York Times bestselling author of *The Silent Patient* "Evok[es] the great Agatha Christie classics...Pay close attention to seemingly throwaway details about the characters' pasts. They are all clues." -- New York Times Book Review A wedding celebration turns dark and deadly in this deliciously wicked and atmospheric thriller reminiscent of Agatha Christie from the New York Times bestselling author of *The Hunting Party*. The bride - The plus one - The best man - The wedding planner - The bridesmaid - The body On an island off the coast of Ireland, guests gather to celebrate two people joining their lives together as one. The groom: handsome and charming, a rising television star. The bride: smart and ambitious, a magazine publisher. It's a wedding for a magazine, or for a celebrity: the designer dress, the remote location, the luxe party favors, the boutique whiskey. The cell phone service may be spotty and the waves may be rough, but every detail has been expertly planned and will be expertly executed. But perfection is for plans, and people are all too human. As the champagne is popped and the festivities begin, resentments and petty jealousies begin to mingle with the reminiscences and well wishes. The groomsmen begin the drinking game from their school days. The bridesmaid not-so-accidentally ruins her dress. The bride's oldest (male) friend gives an uncomfortably caring toast. And then someone turns up dead. Who didn't wish the happy couple well? And perhaps more important, why?
