## Slow Travel: Yorkshire Dales - Mike Bagshaw 2019-03-11

This new, thoroughly updated edition of Yorkshire Dales, part of Bradt's series of distinctive 'Slow' guides to local UK regions, remains the most comprehensive guide to the area and covers the whole of the recently extended Yorkshire Dales National Park and Nidderdale Area of

Outstanding Natural Beauty as well as some 'slow' and historic towns and villages just outside the boundaries. Dale by dale, each chapter covers wildlife, folklore, history and local food and drink, and suggests routes to follow to see the best of it all. Walking and cycling are included, as well as all the attractions and advice needed for a memorable visit. Written by an expert who has lived and worked in the area for over 30 years, the guide draws from his personal experiences as an outdoor enthusiast, naturalist and beer connoisseur. The Yorkshire Dales is famous internationally for its caves, scenic rivers, waterfalls and limestone flora but the lives and culture of the Dales folk that live there are just as fascinating. These days the area is also known for the Tour de Yorkshire, now firmly established as a hugely popular annual cycling event. Ease the pace and discover the delights of the north Pennines, where rivers from the limestone uplands have forged the dales that give the region its name. Drop in to the Tan Hill Inn, the highest pub in Britain, where sheep regularly find their way in to warm themselves by the roaring fire; journey into the depths of Gaping Gill, one of the largest underground chambers in Britain; or take a scenic rail trip on the famous Settle-Carlisle line, crossing the longest railway viaduct in the country at Ribbleshead en route. The Yorkshire Dales offer hundreds of square miles of open-access land to explore, popular long-distance footpaths including the Pennine Way and Coast to Coast Walk, renowned medieval castles

such as Skipton and Richmond, quaint stone villages and an exceptionally rich wildlife particularly associated with clean rivers and limestone-pavement flora. Discover all this and more with Bradt's Slow Travel Yorkshire Dales, the perfect companion for a successful trip.

*The Good Pub Guide 1999* - Alisdair Aird 1998

**The Inn at the Top** - Neil Hanson 2013-09-24

The delightful tale of a young couple who in the late 1970s, on impulse, became the new landlords of the most remote, bleak and lonely pub - The Tan Hill Inn - located in the bleak landscape of the Yorkshire Dales. Having seen an article in the newspaper about the pub's search for a new manager, they arrived just three weeks later as the new landlords of the The Tan Hill Inn. It is a wild, wind-swept place, set alone in a sea of peat bog and heather moorland that stretches unbroken as far as the eye can see. With only sheep and grouse for company, their closest

neighbour was four miles away and the nearest town twelve. They had no experience of licensed trade or running a pub, no knowledge of farming and a complete inability to understand the dialect of the sheep farmers who were their local customers. Eager, well-meaning, but in over their heads, our two heroes embarked on a disaster-strewn career that somehow also turned into a lifelong love affair with the Dales.The Inn at the Top is an entertaining ramble around the Inn, the breath-taking Dales countryside and a remarkable array of local characters, giving an insight into life in a very different different time and place.

**Market Entry Strategy Black Sheep Brewery** - Sabine Schulz  
2007-04-16

Document from the year 2007 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 2,1, New College Durham, 1 Literaturquelle, 26 Internetquellen entries in the bibliography, language: English, abstract: The Black Sheep Brewery Plc is a traditional English brewery based in Masham, North Yorkshire. Masham is an ancient trading place for sheeps. That is reflected in the name of the brewery. The founder is Paul Theakston (today managing director), the fifth generation of a famous Masham brewer family. The brewery is divided into 4 departments: Production, Sales and Distribution, Administration and Visitor Centre with a total of 116 employees. Last year turnover added up to 14,310,900 that result in a total gross profit of 4,815,451. In 2006 the brewery also gets a national accolade: the Brewery of the Year title by the Good Pub Guide. Black Sheep is a relatively young brewery; first pints of beer were sold in pubs in and around the Yorkshire Dales in October 1992. Today six ales are brewed: Black Sheep Ale, Best Bitter, Emmerdale, Riggwelter, Holy Grale and Golden Sheep. All these ales are special in their taste. The reasons are: Crystal clear dales water from their own well Maris Otter malted barley for extra flavour Some wheat to fortify our beers' natural head A little roasted malt for colour and flavour Generous amounts of whole English hops to make the beer really refreshing. (www.blacksheep.co.uk) The ales can be bought either in bottles or cask of different size and they can be drunken in many pubs all around the world. Despite of that, Black Sheep is always open-minded about capturing new markets.
