Fridge Love - Kristen Hong 2021-12-28

A one-of-a-kind guide to organizing your fridge--including practical tips for meal prep and storage, plus more than 100 recipes--that makes it easier to eat better, save money, and get the most out of your food Practicing "fridge love" is a roadmap to eating healthier, saving money, and reducing food waste while enjoying a beautiful and harder-working fridge. This book--part organizational guide and part food-prep handbook--is your guide. Author Kristen Hong adopted a nutrient-dense, plant-based diet in an effort to lose weight and improve her health. But amidst the demands of day-to-day life and a busy family, she found it impossible to stick to. The solution? A smarter, better-organized fridge that served her real-life needs. In this invaluable resource, you will discover how a beautifully

organized fridge can make your life--including healthy eating for the whole family--easier. It covers general fridge organization (for all models and configurations) as well as shopping tips, storage guidelines, the best meal-prep containers, and more than 100 easy plant-based recipes made for meal prepping.

Clean My Space - Melissa Maker 2017-03-07
The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort. Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: • Identify the

most important areas (MIAs) in your home that need attention • Select the proper products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa’s incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute “express clean” routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa’s simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

The Rehab Guide: Kitchens & baths - 1997

The Midcentury Kitchen: America's Favorite Room, from Workspace to Dreamscape.

1940s-1970s - Sarah Archer 2019-05-07

An illustrated pop history from aqua to avocado, Westinghouse to Wonder Bread Nearly everyone alive today has experienced cozy, welcoming kitchens packed with conveniences that we now take for granted. Sarah Archer, in this delightful romp through a simpler time, shows us how the prosperity of the 1950s kicked off the technological and design ideals of today’s kitchen. In fact, while contemporary appliances might look a little different and work a little better than those of the 1950s, the midcentury kitchen has yet to be improved upon. During the optimistic consumerism of midcentury America when families were ready to put their newfound prosperity on display, companies from General Electric to Pyrex to Betty Crocker were there to usher them into a new era. Counter heights were standardized, appliances were designed in fashionable colors, and convenience foods took over families’ plates. With archival photographs, advertisements, magazine pages, and movie

stills, The Midcentury Kitchen captures the spirit of an era—and a room—where anything seemed possible.
