History of Spanish Literature - George Ticknor 1891

The Book of Arran - W. M. MacKenzie 1914

Paradox - River Savage 2015-03-20

What if the Knights Rebels aren't who you think they are? What if one moment in your life was altered? Or the path you took diverged from what you had planned? Will the battle of good verses evil become the ultimate game changer or will true love still prevail?

The Red Book of Grandtully - Sir William Fraser 1868

Facts and Speculations on the Origin and History of Playing Cards - William Andrew Chatto 1848

This 1848 volume is devoted to the history of playing cards and the opinions of moralists and theologians with respect to the lawfulness of the game.

A History of the Philippines - David P. Barrows 2021-01-01

First published in the year 1905, the present book 'A History of the Philippines' by David P. Barrows was written on the Philippinean government's recommendation with an aim to provide the history of their country to the students in schools.

Life of St. Francis of Assisi - Paul Sabatier 1894

The Story of My Life - Helen Keller 2021-07-20

When she was 19 months old, Helen Keller (1880–1968) suffered a severe illness that left her blind and deaf. Not long after, she also became mute. Her tenacious struggle to overcome these handicaps — with the help of her inspired and inspiring teacher, Anne Sullivan — is one of the great stories of human courage and dedication. The Story of My Life, first published in 1903, is Helen Keller's classic autobiography detailing the first 22 years of her life, including the magical moment at a water pump when, recognizing the connection between the word "water" and the cold liquid flowing over her hand, she realized that objects had names. She had many experiences which were equally thrilling and noteworthy including her joy at eventually learning to speak so that by the time she was 16, she could speak well enough to attend preparatory school followed by her education at Radcliffe, from which she graduated cum laude, and of course, her extraordinary relationship with Miss Sullivan who had shown a remarkable gift and genius for communicating with her eager and quick-to-learn pupil. Keller also writes of her friendships with Oliver Wendell Holmes, Edward Everett Hale and other notables. Keller first began to write The Story of My Life in 1902, when she was still a student at Radcliffe College. The book is dedicated to inventor Alexander Graham Bell, and the dedication reads, "To ALEXANDER GRAHAM BELL Who has taught the deaf to speak and

enabled the listening ear to hear speech from the Atlantic to the Rockies, I dedicate this Story of My Life."

The Poetry of Du Fu - Stephen Owen 2015-11-13

The Complete Poetry of Du Fu presents a complete scholarly translation of Chinese literature alongside the original text in a critical edition. The English translation is more scholarly than vernacular Chinese translations, and it is compelled to address problems that even the best traditional commentaries overlook. The main body of the text is a facing page translation and critical edition of the earliest Song editions and other sources. For convenience the translations are arranged following the sequence in Qiu Zhao'an's Du shi xiangzhu (although Qiu's text is not followed). Basic footnotes are included when the translation needs clarification or supplement. Endnotes provide sources, textual notes, and a limited discussion of problem passages. A supplement references commonly used allusions, their sources, and where they can be found in the translation. Scholars know that there is scarcely a Du Fu poem whose interpretation is uncontested. The scholar may use this as a baseline to agree or disagree. Other readers can feel confident that this is a credible reading of the text within the tradition. A reader with a basic understanding of the language of Chinese poetry can use this to facilitate reading Du Fu, which can present problems for even the most learned reader.

It Comes from the People - Mary Ann Hinsdale 1995

The closing of local mines and factories collapsed the economic and social structure of Ivanhoe, Virginia, a small, rural town once considered a dying community "on the rough side of the mountain." Documenting the creative survival techniques developed by Ivanhoe citizens in the aftermath, It Comes from the People tells how this community organized to revitalize the town and demand participation in its future. Photos, interviews, stories, songs, poems, and scenes from a local theater production tell how this process of rebuilding gradually uncovered the community's own local theology and a growing consciousness of cultural and religious values. A significant aspect of this social transformation in Ivanhoe, as in many rural areas, was the emergence of women as

leaders, educators, and organizers, developing new approaches to revive the economy and the people simultaneously. This book is unusually open about the difficult process faced by outside researchers working with community members to describe community life. It discusses the inherent dilemmas frankly and presents a model for those who engage in community studies and ethnographic research. Author note: Mary Ann Hinsdale is Associate Professor of Religious Studies at Boston College. Helen M. Lewis is Interim Director of the Appalachian Center at Berea College in Kentucky. S. Maxine Waller is President of the Ivanhoe Civic League and directs community-based student volunteer programs in Virginia.

The Search for Ethics in Leadership, Business, and Beyond -

Joanne B. Ciulla 2020-05-05

This book brings together a wide range of topics in leadership ethics and business ethics. It approaches these topics from the perspective of the humanities as well as the social sciences. About half of the book is on leadership and the other half on topics in business ethics. Besides these general areas of research, the book explores how to teach and study ethics in both business ethics and leadership studies. Specifically, it examines issues ranging from the nature of ethical leadership, to studies of authenticity, virtue, and the public and private morality of leaders. In business ethics, the subjects covered span from moral imagination, to casuistry, meaningful work, and workplace ethics. The book includes a section on the importance of liberal arts for studying and teaching ethics in business and professional schools. It concludes with a reflection on the ethical challenges of leaders and followers in a world where some leaders have inverted moral values.

Magnalia Christi Americana - Cotton Mather 1853

Reaper - Geri Glenn 2017-05-01

Anna I've made a lot of mistakes in my life. In fact, some of them almost ruined me. But I am a good person. I want to make amends. I want to fix things with my sister and finally have my life back. I want to change, and I'm trying. But I just can't let the past go. Reaper doesn't make it easy for

me. He hates me with a passion. He's vowed to do whatever he can to get me out of my sister's life and away from his club. It doesn't matter. He won't stop me. No matter how terrified of him I am, nothing is going to stop me from changing my destiny and trying to fix the wrongs from my past. Especially when my secret is discovered, giving him all the ammunition he needs. Reaper After what seems like an endless stream of problems, things are finally going well with the club. We're finally getting back to some semblance of normal after the chaos she brought with her before she was sent away. But now she's back. She says she's changed, and maybe she has, but I don't care. She is the reason it all started, and she's not welcome here. I will stop at nothing to get her out. I won't rest until she's gone. Her beauty will not distract me, and her history doesn't even matter. I will get Anna away from my club, or die trying.

Fiske WordPower - Edward B Fiske 2018-07-03

The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.

Reminiscences of Famous Georgians - Lucian Lamar Knight 1907

Desertion - River Savage 2015-07-14

Honor. Courage. Commitment. Three things Jesse Carter has lost. A former Marine, Jesse used to stand proud of his achievements and live by the code. But when circumstance made him question everything he believed in, those most basic values didn't feel so important after all. Sex. Lies. Knights Rebels. Three things Jesse Carter has found. Reborn into a brotherhood not so different from the one he left behind, Jesse finds it all too easy to block out his past and claim the role as Rebels' fun-loving player. Until he meets Bell. Shy, awkward, and with troubles of her own, Bell Johnson's no stranger to hiding her pain. When Jesse forces himself into her life, she's at risk of her defences crumbling. Does Bell have the strength to survive Jesse and his demons or is she fated to become another casualty in the self-destruction of Jesse Carter

Post-Communist Mafia State - B lint Magyar 2016-03-01

Having won a two-third majority in Parliament at the 2010 elections, the Hungarian political party Fidesz removed many of the institutional obstacles of exerting power. Just like the party, the state itself was placed under the control of a single individual, who since then has applied the techniques used within his party to enforce submission and obedience onto society as a whole. In a new approach the author characterizes the system as the 'organized over-world', the 'state employing mafia methods' and the 'adopted political family', applying these categories not as metaphors but elements of a coherent conceptual framework. The actions of the post-communist mafia state model are closely aligned with the interests of power and wealth concentrated in the hands of a small group of insiders. While the traditional mafia channeled wealth and economic players into its spheres of influence by means of direct coercion, the mafia state does the same by means of parliamentary legislation, legal prosecution, tax authority, police forces and secret service. The innovative conceptual framework of the book is important and timely not only for Hungary, but also for other post-communist countries subjected to autocratic rules. Ÿ

Man and His Symbols - Carl G. Jung 1968-08-15

The landmark text about the inner workings of the unconscious

mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung’s revolutionary ideas “What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society.”—The Guardian “Our psyche is part of nature, and its enigma is limitless.” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life’s work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience.

Reclaimed - River Savage 2015-02-18

When the woman you love is lost, how hard will you fight to get her back? Following the birth of her daughter, Kadence Knight finds herself in a battle she never prepared for. With desperation and unhappiness threatening to overwhelm her, a sense of hopelessness pulls her away from the one thing she has always longed for: a family. As Nix watches his wife struggle with something he doesn't understand, he can't help but feel disconnected to his woman. The Kadence he once knew has drifted

into the darkness. In her place is a shadow of the woman she once was, one who is fearful of the impossible...failing their daughter. This Valentine's Day, Nix has one goal - to reclaim the woman who gave him everything.

Southern Literature from 1579-1895 - Louise Manly 1895

Red Rex - Calinda B 2019-09-03

Bestselling book in cyberpunk, fairytales and mythology! Eighteen year old Gaige Dupond has his life all mapped out. Lose his virginity to Emily. Get married. Become a pro soccer player and travel the world. His father, a pure-bred Deltarc from another planet, whose race is growing extinct on planet Earth, has other plans—either confirm that he truly takes after his warrior father, and not his dearly departed empath mother, or snuff out his existence. All plans go awry, however, when the dangerous red darkness in Gaige is awakened like a beam of hell flickering from his right eye. Pursued by a vicious Deltarc bounty hunter, Deltarc tracking hounds and his father's wicked minions, he loses his home, his life, all that he holds dear in pursuit of the truth. In his quest to find his mother, victim to a corrupt cryopreservation project in outer space, and right the wrongs inflicted on him, he finds something far darker—his own sinister motivations and the need to feed on something other than human food. His only companion, a lab rat refugee named Sojourn, Gaige knows he'll never be loved—not in the way he'd always envisioned. Will he find the revenge he's seeking, or will he become an evil replica of his father? That's the last thing he'd ever wish on himself, but it may be his only option for survival.

Last Hit - Jessica Clare 2014-10-07

From two bestselling authors—the first in a deliciously bold new series that takes readers to the most dangerous edge of desire . . . Nikolai: I have been a contract killer since I was a boy. For years I savored the fear caused by my name, the trembling at the sight of my tattoos. The stars on my knees, the marks on my fingers, the dagger in my neck, all spoke of danger. If you saw my eyes, it was the last vision you'd have. I have ever been the hunter, never the prey. With her, I am the mark and I am

ready to lie down and let her capture me. Opening my small, scarred heart to her brings out my enemies. I will carry out one last hit, but if they hurt her, I will bring the world down around their ears. Daisy: I've been sheltered from the outside world all my life. Home-schooled and farm-raised, I'm so naive that my best friend calls me Pollyanna. I like to believe the best about people. Nikolai is part of this new life, and he's terrifying to me. Not because his eyes are cold or my friend warns me away from him, but because he's the only man who has ever seen the real me beneath the awkwardness. With him, my heart is at risk . . . and also, my life.

The Comic History of England - Gilbert Abbott À Beckett 1894

A'Beckett and Leech were original contributors to "Punch, or the London Charivari" magazine, established 1841. It became the famous "Punch" magazine and remained in publication to 2002. A'Beckett also wrote editorials for a similar concept magazine, "Figaro in London" that ceased publication in 1839. "In commencing this work, the object of the Author was, as he stated in the Prospectus, to blend amusement with instruction, by serving up, in as palatable a shape as he could, the facts of English History. He pledged himself not to sacrifice the substance to the seasoning; and though he has certainly been a little free in the use of his sauce, he hopes that he has not produced a mere hash on the present occasion. His object has been to furnish something which may be allowed to take its place as a standing at the library table, and which, though light, may not be found devoid of nutriment."--Preface.

You And Everything After - Ginger Scott 2014-12-05

I'm that teenaged girl who has MS. You haven't met me, but you've seen me around. You probably know my sister. We're twins, and she's the pretty one. Maybe you've heard about my reputation, how much I like to hook up at parties—how easy it is to get me in bed, get what you want, and forget about me after. Forget what you think you know. I'm leaving that girl behind. College is all about new beginnings. So from now on—I'm just Cass. And the rest...it isn't written yet. And no one else gets to write my story for me. ----- "Tyson Preeter doesn't do can't." That's exactly what I want people to think when they see me. I am strong,

invincible, confident, intelligent—arrogant. I'm the man who always finds a way around, over and through—until there's nothing left. Since losing my ability to walk six years ago, I've relearned life. I don't need sympathy. I don't want charity. And I don't do love. It's better this way, saves my disappointments for me, and me alone, and it saves my strength for everything I want. But Cass Owens is about to wreck everything. She's about to steal all of my strength away from me, because she needs it more. She's about to break all of my rules, and break down all of my walls. She's about to own me...completely. And I'm about to let her. * This is the second book in the Falling Series. Book 1, This Is Falling, is out now. Each book can be read as a standalone and will focus on a different couple.

The Spectacular Now - Tim Tharp 2014-02-06

Sutter's the guy you want at your party. Aimee's not. She needs help and it's up to Sutter to show Aimee a splendiferous time and then let her go forth and prosper. But Aimee's not like other girls and before long he's over his head. For the first time in his life he has the power to make a difference in someone else's life - or ruin it forever.

History of the Chicago Police From the Settlement of the Community to the Present Time, Under Authority of the Mayor and Superintendent of the Force - John Joseph Flinn 2018-02-18

The History of "Punch" - Marion Harry Spielmann 1895

Crowds and Power - Elias Canetti 2000

How do crowds work? What is the nature of their unique creation - the demagogue? This is the renowned and original analysis of one of the 20th century's most threatening and influential phenomena by the Nobel Prize-winning thinker Elias Canetti.

The Olivia Letters - Emily Edson Briggs 1906

Tease - Geri Glenn 2015-11-27

Laynie Smile when you're happy, cry when you're sad and don't ever be afraid to try something new. These are the words I live by. We only get one shot at this life, and I intend to live the best one I can. I had it all growing up. Popularity, beauty, great friends and a perfect family. But then one day, it all changed - now I'm blind. I've never let that stop me though. Life is an adventure and I believe in making the best out of every moment. I spend my days with a job I love, online friends and a sexy new book boyfriend every week. I know in my heart that someday, my own prince charming will come along and appreciate me for exactly who I am - I won't settle for anything less. Meeting Tease seems like the beginning of my fairy tale ... until he opens his mouth. Tease I don't trust people - ever. Every single person I've ever loved has contributed, in one way or another, to the shit show that is my life. Keeping everyone I meet at arm's length, I work hard at being the star of most people's nightmares. People think I'm a monster and honestly - they're right. Laynie's beauty is what caught my eye, but her personality is what held it. Laynie's the only person to ever see past my appearance and break down the walls I've worked so hard to build. I'll do whatever it takes to keep her. When things heat up with a rival club, and Laynie gets caught in the crossfire, I will unleash hell on earth to protect the woman who makes me want to trust someone again. When bullets start flying and bodies start piling up,

keeping her safe may be the last thing I ever do.

Hetch - River Savage 2016-05-11

Save verb1 a. Keep safe or rescue (someone or something) from harm or danger. Synonyms: rescue, come to someone's rescue, save someone's life, set free, liberate, deliver, extricate. Saving lives is the end goal. It's a responsibility I live with every day, the reason I wear the badge. Built on a brotherhood that runs deeper than blood, this way of life has become my very existence... Until Liberty. I thought I was saving her. I never expected her to be the one saving me.

Reminiscences and Memoirs of North Carolina and Eminent North Carolinians - John Hill Wheeler 1884

Afro-Latin American Studies - Alejandro de la Fuente 2018-04-26

Alejandro de la Fuente and George Reid Andrews offer the first systematic, book-length survey of humanities and social science scholarship on the exciting field of Afro-Latin American studies. Organized by topic, these essays synthesize and present the current state of knowledge on a broad variety of topics, including Afro-Latin American music, religions, literature, art history, political thought, social movements, legal history, environmental history, and ideologies of racial inclusion. This volume connects the region's long history of slavery to the major political, social, cultural, and economic developments of the last two centuries. Written by leading scholars in each of those topics, the volume provides an introduction to the field of Afro-Latin American studies that is not available from any other source and reflects the disciplinary and thematic richness of this emerging field.

Witchcraft, Magic & Alchemy - Grillot de Givry 1971-01-01

Prints, drawings, documents, and text illuminate the development of the occult sciences to the nineteenth century

A Rebel War Clerk's Diary at the Confederate States Capital - John Beauchamp Jones 1866

Plague and Music in the Renaissance - Remi Chiu 2017-06-15

Plague, a devastating and recurring affliction throughout the

Renaissance, had a major impact on European life. Not only was pestilence a biological problem, but it was also read as a symptom of spiritual degeneracy and it caused widespread social disorder. Assembling a picture of the complex and sometimes contradictory responses to plague from medical, spiritual and civic perspectives, this book uncovers the place of music - whether regarded as an indispensable medicine or a moral poison that exacerbated outbreaks - in the management of the disease. This original musicological approach further reveals how composers responded, in their works, to the discourses and practices surrounding one of the greatest medical crises in the pre-modern age. Addressing topics such as music as therapy, public rituals and performance and music in religion, the volume also provides detailed musical analysis throughout to illustrate how pestilence affected societal attitudes toward music.

Personal Recollections of Sherman's Campaigns in Georgia and the

Carolinas - George Whitfield Pepper 1866

The Book of the Sacred Magic of Abramelin the Mage - 2012-07-12
DIVMedieval manuscript of ceremonial magic. Basic document in Aleister Crowley, Golden Dawn groups. /div

Brawn - Laurann Dohner 2012-12-01

One look at Brawn, and Becca is wondering how he'd look without his clothes. He's also instantly attracted to her, but has sworn never to touch a human female. When they're both kidnapped and locked together in a cage, Brawn finds himself reliving a nightmare when he's once again subjected to breeding experiments at the hands of New Species' enemies.

Westward Ho! - Charles Kingsley 1920

The magnificent paintings of N. C. Wyeth complement an action-packed saga of romance and seafaring adventure set against the dramatic backdrop of Elizabethan England, the battle of the Spanish Armada, and the exploration of North America.
