Security, Socialisation and Affect in Indian Families - Ira Raja 2016-05-23

Sociological research on Indian families has largely focused on questions of household form and structure, to the exclusion of not only the more nebulous dimensions of family life and relationships but also the discursive and imagined aspects of our familial worlds such as may be accessed through an analysis of film, literature and the electronic media. Moreover, when sociological inquiry has sought to go beyond the demographic and census aspects of the household, it has trained its eye on the heterosexual family centred on the conjugal couple, frequently at the expense of those relational patterns and diversities that fall outside the familiar circuits of desire within the family. The present volume brings together ten essays from a range of disciplines including law, literature, anthropology, sociology, and queer studies, to engage with hitherto neglected and emergent aspects of Indian family life. This book was published as a special issue of South Asia: Journal of South Asian Studies.

Down the Memory Lane - Anamika Suresh Yadav

This girl, an engineering graduate from Mumbai, shares her experience during the tours she undertook for work purposes. She describes different characters (people) she met and how they became a part of her journey called life. From some she got some good experience and from some she got to learn. She lives not only with her family and friends but shares her life with the memories of all those who accompanied her during that respective patch of the path she has travelled through. Coming from a lower-middle-class background, the journey was not easy but she sailed through. She owes her fearless approach & confident personality to all of them. She is a woman of the family who set an example for everyone.

Data India - 2004

[Yugantar: The Dream of Bharatavarsha Takes Shape 2300 Years Ago](#) - Raghavan Srinivasan 2020-11-25

The fourth century BCE is full of dangers and opportunities. Old republics are giving way to empires and cities. 'Naastik' sects are challenging the established varna system. The intellectual life of India is bristling

like new shoots after the monsoon. The domination of the Kshatriyas and the Brahmanas is being challenged. State power is up for grabs. And the Macedonians are at the gates! Most people believe that Bharatavarsha is only a dream. But not the Yugantar, a brotherhood of the wisest and most selfless thinkers of ancient India. Interesting turn of events bring ordinary people from different parts of the subcontinent into the fold of the Yugantar -- a rebel blacksmith from Ujjayini, a Siddha doctor from Madurai; a doughty mariner from Muziris; a trader from Pataliputra and a widow nun from Kaushambi. They represent a microcosm of the sub-continent. Each of them is drawn towards the Yugantar by a strange turn of events. Each has a prowess which the Yugantar can mould into a formidable force. They converge in Takshashila, the centre of learning and transformation. This is the story of how their wit and determination contribute to a united Bharatavarsha.

[Mumbai: Post 26/11](#) - Ram Puniyani 2010-01-20

This compilation analyzes the terror attacks on 26/11 in Mumbai from various angles, based on the understanding that deeper issues are hidden behind every such tragedy. It discusses terrorism, law, Indo-Pak relations, the indigenous causes of terrorism in India, the role of the state, the pattern of investigations so far, the prevalent laws, the response of civic society, the role of the media, the unsolved puzzles and the need for a deeper inquiry into the incident. Most of the chapters have been written in the immediate aftermath of the incident and bear the imprint of the pain and anguish it caused. With a focus on 26/11, the chapters discuss the entire phenomenon of terrorism. The broad contours of the analysis include the killing of non-combatants, the political motive or the statement behind such killings, and the secret planning of such attacks where the actors are even willing or keen to lay down their lives for bringing about such devastation. The book will be of great interest to the public at large and also to policy makers.

Elementary Aspects of the Political - Prathama Banerjee 2021-01-04

In Elementary Aspects of the Political Prathama Banerjee moves beyond postcolonial and decolonial critiques of European political philosophy to rethink modern conceptions of "the political" from the perspective of the global South. Drawing on Indian and Bengali practices and philosophies from the late nineteenth and early twentieth centuries, Banerjee identifies four elements of the political: the self, action, the idea, and the people. She examines selfhood in light of precolonial Indic traditions of renunciation and realpolitik; action in the constitutive tension between traditional conceptions of karma and modern ideas of labor; the idea of equality as it emerges in the dialectic between spirituality and economics; and people in the friction between the structure of the political party and the atmospherics of fiction and theater. Throughout, Banerjee reasserts the historical specificity of political thought and challenges modern assumptions about the universality, primacy, and self-evidence of the political. In formulating a new theory of the political, Banerjee gestures toward a globally salient political philosophy that displaces prevailing Western notions of the political masquerading as universal.

Six Minutes of Terror - Nazia Sayed 2016-09-12

The Mumbai 7/11 train bombings in 2006 were one of the deadliest terror attacks the city had seen after the 1993 blast. The attacks orchestrated by the terror outfit Lashkar-e-Taiba and Pakistan's Inter-Services Intelligence (the ISI) were aimed to cripple the city by attacking its lifeline—the local train. A series of seven blasts in a span of only six minutes rocked the city at seven railway stations, killing 189 and injuring over 700. Six Minutes of Terror is the first investigative book that will present a blow by blow account of the events that led to the terrorist attack, profile the people involved in the blasts as well as describe how the plot was unearthed by the police. Superbly researched, with painstaking detail, the book tries to delve into the minds of the home-grown terrorists—who created unprecedented havoc and claimed innocent lives—ten years after the horrifying attacks.
