Casa Valentina - Harvey Fierstein 2015-01-01

THE STORY: Nestled in the Catskills—1962's land of dirty dancing and Borscht Belt comedy—an inconspicuous bungalow colony catered to a very special clientele: heterosexual men who delighted in dressing and acting as women. These white-collar professionals would discreetly escape their families to spend their weekends safely inhabiting their chosen female alter-egos. But given the opportunity to share their secret lives with the world, the members of this sorority had to decide whether the freedom gained by openness was worth the risk of personal ruin. Based on real events and infused with Fierstein's trademark wit, this moving, insightful, and delightfully entertaining work offers a glimpse into the lives of a group of "self-made women" as they search for acceptance and happiness in their very own Garden of Eden.

**Crying the News** - Vincent DiGirolamo 2019-08-05

From Benjamin Franklin to Ragged Dick to Jack Kelly, hero of the Disney musical Newsies, newsboys have long intrigued Americans as symbols of struggle and achievement. But what do we really know about the children who hawked and delivered newspapers in American cities and towns? Who were they? What was their life like? And how important was their work to the development of a free press, the survival of poor families, and the shaping of their own attitudes, values and beliefs? Crying the News: A History of America's Newsboys offers an epic retelling of the American experience from the perspective of its most unshushable creation. It is the first book to place newsboys at the center of American history, analyzing their inseparable role as economic actors and cultural symbols in the creation of print capitalism, popular democracy, and national character. DiGirolamo's sweeping narrative traces the shifting fortunes of these "little merchants" over a century of war and peace, prosperity and depression, exploitation and reform, chronicling their exploits in every region of the country, as well as on the railroads that linked them. While the book focuses mainly on boys in the trade, it also examines the experience of girls and grown-ups, the elderly and disabled, blacks and whites, immigrants and natives. Based on a wealth of primary sources, Crying the News uncovers the existence of scores of newsboy strikes and protests. The book reveals the central role of newsboys in the development of corporate welfare schemes, scientific management practices, and employee liability laws. It argues that the newspaper industry exerted a formative yet overlooked influence on working-class youth that is essential to our understanding of American childhood, labor, journalism, and capitalism.

Newsies Vs. the World - Ashley Varela 2019-08

From Strike to Show The newsies' strike of 1899 was the last successful child labor riot of the 19th century, but by the time the history books were scripted and printed, it was little more than a footnote. Newsies vs. The World takes a microscope to the events of the strike and its ongoing

legacy in contemporary film and musical theatre. It explores the intense rivalry between publishing tycoons Joseph Pulitzer and William Randolph Hearst, from their vicious circulation battle and the invention of "yellow journalism" to their involvement in the Spanish-American War and the ripple effects of that war on New York City's young newspaper hawkers. It also dives headfirst into the skirmishes of the 1899 strike, chronicling the events that inspired the newsboys and newsgirls to band together against Pulitzer and Hearst and detailing the stories of their various riots and rallies. Not only do readers get the full story of the children's boycott, but they also get the inside scoop on Disney's treatment of the movement. Despite a heartfelt performance from a teenage Christian Bale, the musical talents of Academy Award-winner Alan Menken, and director Kenny Ortega's ability to transform unknown child actors into a polished anthem-belting, tap-dancing company, *Newsies* (1992) was panned by critics and audiences alike. Driven by a massive cult following in the 1990s and early 2000s, however, its surprising resurgence as a breakout Broadway musical in 2012 took Disney—and the story of the 1899 newsies—to unprecedented heights, not only spawning a successful national tour but netting two Tony Awards as well. While *Newsies* (1992) and *Newsies the Musical* were imperfect and inadequate vehicles to capture such a complex historical moment, their indomitable spirit accomplished exactly what newsboy Kid Blink and the newsies of New York City set out to do: It turned their story into a headline, and in doing so, made the world know the newsies by name.

Barrie's Christmas classic: *Peter Pan!* The inept and accident-prone Cornley Polytechnic Drama Society set out to present J.M. Barrie's classic tale of *Peter Pan*, their most audacious production to date. Flying? Pyrotechnics? Sharp hooks? What ensues is two acts of hysterical disaster. You'll laugh, they'll cry. Something so wrong has never been so right. From the mischievous minds of the West End and Edinburgh hit *The Play That Goes Wrong* comes this highly original, chaos-filled re-telling of J.M. **Caroline, or Change** - Tony Kushner 2004-09-01

"There are moments in the history of theatre when stagecraft takes a new turn. I like to think that this happened for the American musical last week, when Tony Kushner's *Caroline, or Change* (at the Public), a collaboration with composer Jeanine Tesori and the director George C. Wolfe, bushwhacked a path beyond the narrative end of the deconstructed, overfreighted musicals of the past thirty years."—John Lahr, *The New Yorker* Louisiana, 1963: A nation reeling from the burgeoning Civil Rights Movement and the Kennedy assassination. *Caroline*, a black maid, and Noah, the son of the Jewish family she works for, struggle to find an identity for their friendship. Through their intimate story, this beautiful new musical portrays the changing rhythms of a nation. Tony Kushner and composer Jeanine Tesori have created a story that addresses contemporary questions of culture, community, race and class through the lens and musical pulse of the 1960s. Tony Kushner is best known for the two-part masterwork, *Angels in America*, recently produced by HBO as a six-hour television event, directed by Mike Nichols to universal acclaim. His other plays include *Homebody/Kabul*, *A Bright Room Called Day* and *Slavs!*; as well as adaptations of Corneille's *The Illusion*, Ansky's *The Dybbuk*, Brecht's *The Good Person of Szechuan* and Goethe's *Stella*. Current projects include: *Henry Box Brown* or *The Mirror of Slavery* and *St. Cecilia* or *The Power of Music*. He recently collaborated with Maurice Sendak on an American version of the children's opera, *Brundibar*. He grew up in Lake Charles, Louisiana, and he lives in New York. Jeanine Tesori wrote the score for *Thoroughly Modern Millie*, which won the 2002 Tony and Drama Desk Awards for Best Musical and the multiple-award-winning *Violet*.
