**The Life of Our Lord** - Charles Dickens 2013-01-22

Charles Dickens's other Christmas classic, with a new introduction by Dickens's great-great-grandson, Gerald Charles Dickens. Charles Dickens wrote *The Life of Our Lord* during the years 1846-1849, just about the time he was completing *David Copperfield*. In this charming, simple retelling of the life of Jesus Christ, adapted from the Gospel of St. Luke, Dickens hoped to teach his young children about religion and faith. Since he wrote it exclusively for his children, Dickens refused to allow publication. For eighty-five years the manuscript was guarded as a precious family secret, and it was handed down from one relative to the next. When Dickens died in 1870, it was left to his sister-in-law, Georgina Hogarth. From there it fell to Dickens's son, Sir Henry Fielding Dickens, with the admonition that it should not be published while any child of Dickens lived. Just before the 1933 holidays, Sir Henry, then the only living child of Dickens, died, leaving his father's manuscript to his wife and children. He also bequeathed to them the right to make the decision to publish *The Life of Our Lord*. By majority vote, Sir Henry's widow and children decided to publish the book in London. In 1934, Simon & Schuster published the first American edition, which became one of the year's biggest bestsellers.

His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. The story is seen through the eyes of Uhtred, a dispossessed nobleman, who is captured as a child by the Danes and then raised by them so that, by the time the Northmen begin their assault on Wessex

(Alfred's kingdom and the last territory in English hands) Uhtred almost thinks of himself as a Dane. By now he is a young man, in love, trained to fight and ready to take his place in the dreaded shield wall. Above all, though, he wishes to recover his father's land, the enchanting fort of Bebbanburg by the wild northern sea. This thrilling adventure—based on existing records of Bernard Cornwell's ancestors—depicts a time when law and order were ripped violently apart by a pagan assault on Christian England, an assault that came very close to destroying England.

**Teachings of Presidents of the Church: Brigham Young** - The Church of Jesus Christ of Latter-day Saints 2000

The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the

prophet, seer, and revelator, President Brigham Young.

But an oath is a strong, almost sacred commitment and such a promise had been exchanged between Uhtred and Aethelstan, his onetime companion in arms and now a potential king. Uhtred was tempted to ignore the demands of the oath and stay in his northern fastness, leaving the quarrelling Anglo-Saxons to sort out their own issues. But an attack on him by a leading supporter of one of the candidates and an unexpected appeal for help from another, drives Uhtred with a small band of warriors south, into the battle for kingship—and England's fate.
