The New Bottoming Book - Dossie Easton 2011-06-09

Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism

Victorious, A Tame Quantum Novel - Marie Force 2020-10-22

A slightly TAMER version of Virtuous—all the romance, all the heat, just a little less erotic. He's a sexual dominant. She's sworn off sex. There's no way they can make a relationship work—or can they? Flynn and Natalie's destiny is sealed in this riveting conclusion to the initial Quantum trilogy. When Flynn pushes Natalie to her absolute limits, will she fall deeper in love or run away from him forever? From Hollywood to Las Vegas, Flynn and Natalie's whirlwind love affair has it all—romance, passion, steamy hot sex, relentless paparazzi and a murder that could be their undoing. Flynn is a dirty-talking hero who puts it all on the line for the woman he loves, who leaves no desire unfulfilled, who will do anything it takes to protect what's his... Virtuous, Valorous and Victorious are a trilogy, with cliffhanger endings in Virtuous and Valorous. Books 4-7 in the series are all standalone stories with NO cliffhangers.

When Someone You Love Is Kinky - Dossie Easton 2011-08-02

Many, many people have sexual interests or practices that are in some way unusual. These people may enjoy bondage or spanking, erotic role-playing, dressing in special clothes that turn them on, or a host of other activities that place them outside the sexual mainstream. Your mechanic might have an alternative sexuality, or your librarian, or your kids' teacher, or your boss.... If someone you love has a sexual kink, or if you suspect that she may, and you want to know more about what that means to her and how you can deal with what it means to you, this book is for you. "When Someone You Love Is Kinky will do more for family values than anything the right wing ever dreamed up, because it lets people communicate and love and respect each other on the basis of who they really are. A wonderful contribution towards a more sex-positive culture." - Dr. Carol Queen, author, Real Live Nude Girl "Dossie Easton and Catherine A. Liszt, both wise and compassionate women, and both players in the world of kink, welcome the reader gently into that world and answer everything anyone might have wanted to ask but was really afraid to find out." - Isadora Alman, syndicated sex and relationship columnist

Trust in Me - Quinn Ward 2020-08-26

He desperately wants someone to care for him. Does he dare share his secret with the ideal man? Sam is terrified of his own success. He may have set up a dream playroom at The Lodge for Daddies and their littles to play, but as a trans man, he struggles to believe anyone would want him as their boy. And though he feels an immediate connection with a handsome high school principal, he can't stand the thought of being rejected. Theron has spent his life focused on his career instead of himself. But now that he's older, he's missing that special someone to take care of. And the sexy college student who set up the playroom

seems perfect - even if there are hurdles to overcome. As the chemistry between them becomes white-hot, Sam's reluctant to introduce his new lover to his family, dreading they'll be angry about the age difference and their dynamic. And while Theron falls hard for the beautiful young man, he worries he's too old to give his sweet boy a real future. Can Sam and Theron overcome their fears to embrace the love they both deserve? Trust in Me is the scorching third book in The Lodge series set in the kinky town of Annandale. If you like blistering bedroom scenes, tender relationships, and happy endings, then you'll adore Quinn Ward's spicy story. Buy Trust in Me to settle down with pleasure today!

Wicked Nights - Gena Showalter 2012-06-26

Leader of the most powerful army in the heavens, Zacharel has been deemed nearly too dangerous, too ruthless—and if he isn't careful, he'll lose his wings. But this warrior with a heart of ice will not be deterred from his missions at any cost...until a vulnerable human tempts him with a carnal pleasure he's never known before. Accused of a crime she did not commit, Annabelle Miller has spent four years in an institution for the criminally insane. Demons track her every move, and their king will stop at nothing to have her. Zacharel is her only hope for survival, but is the brutal angel with a touch as hot as hell her salvation—or her ultimate damnation?

The Master - Tara Sue Me 2016-02-02

Tara Sue Me's New York Times bestselling Submissive series continues with a delicious new story that explores the thin line between pleasure and pain. . . . She's ready to try again. . . . Sasha Blake is scarred from a BDSM session gone wrong, but she can't deny how much a strong Master turns her on. Determined to overcome her fears and rejoin the Partners in Play community, she asks Abby and Nathaniel West to set her up with a Dom who can help her feel safe again as a sub. They know the very experienced Cole is exactly the kind of man who can push all of Sasha's buttons—and she soon wants to go much faster than she had planned. . . . Cole knows that Sasha is not the kind of submissive he needs. He wants someone who will serve him 24-7, not a part-time partner. Still, the further they go into their play, the more Cole begins to wish he could make Sasha his all the time. . . . When forbidden desires turn into scorching action, Sasha and Cole come face-to-face with their demons—and realize their scorching relationship might be too dangerous to last. . . .

Breathless - Cara Dee 2020-11-19

Breathless is the third standalone novel in The Game Series. "Will you beat me without knowing the reason?" That's the question I ask when I go to clubs to seek out Sadists. Most men say no immediately. They see the flags my question raises and walk away. They're the good guys. They're the guys who adhere to safe, sane, and consensual. They wanna be aware of the risks and cause no harm. But I'm not looking for a good guy. I'm looking for punishment. The strobe lights hit me as I reach their table. The heavy, industrial music is deafening, and my head is swimming with images of grief, fire, and accusation. I hear the piercing tone of a machine letting me know that I have to tell my two kid brothers that our sister's heart will never beat again. Maybe these two twin Sadists will help me. The only thing bigger than River and Reese Tenley is their reputation. They better not let me down. I ask my question. I ask if they'll beat me without knowing why I want it. They give me a stone-cold onceover, and I don't know if it's River or Reese who responds. He has a menacing-looking tattoo on his neck. "Sure. It's your funeral." The Game Series is a BDSM series with gay pairings where romance meets the reality of kink. Sometimes we fall for someone we don't match with, sometimes vanilla business gets in the way of kinky pleasure, and sometimes we have to compromise and push ourselves to overcome trauma and insecurities. No matter what, two things are certain. This is not a perfect world, and life never turns out the way you planned.

Worship - Ella James 2020-06-25

Book One in an epic, forbidden MM romance duet from USA Today Bestselling Author Ella James... You think you know me. That's the way I want it. Making you feel like we know each other-or we could-and if we did, we'd be go-out-and-grab-a-cold-one buddies-is part of my job. Maybe the most vital part. There are millions of you. Followers. To each of you, I'm someone personal. Some of you dropped into my lap-inherited, you might say. I brought others into the fold by being really, really good at social media. Still more of you gravitate to me because of my looks. Yeah, I know. I'm easy on the eyes, single at 35, and born richer than sin. My aesthetic matters much more than it should, but all the better for my worthy cause. And it's a worthy cause. I'm well-known-let's be honest: famous-for connecting people. I've made an art of making you feel good, and what's better? My influence makes you want to be good. Good like me. You think you know me, but you don't. Everyone has secrets. Mine could cost me everything. If my dark secret comes to light, it ends a dynasty. So I'm a fortress. No one's ever gotten close. Until tonight. See that man, the tall guy dripping on the bow of my yacht? The one I just pulled from the ocean? He's the one who's going to cost me everything.

Detransition, Baby - Torrey Peters 2021-01-12

NATIONAL BESTSELLER • The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in “one of the most celebrated novels of the year” (Time) “Reading this novel is like holding a live wire in your hand.”—Vulture Named one of the Best Books of the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women’s Prize • Roxane Gay’s Audacious Book Club Pick • New York Times Editors’ Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn't hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn't happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames's boss and lover, Katrina, reveals that she's pregnant with his baby—and that she's not sure whether she wants to keep it—Ames wonders if this is the chance he's been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the

emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can't reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and deeply moving novel.

In Flight - R.K. Lilley 2014-12-03

The Feminine Mystique - Betty Friedan 2010

When Betty Friedan produced *The Feminine Mystique* in 1963, she could not have realized how the discovery and debate of her contemporaries' general malaise would shake up society. Victims of a false belief system, these women were following strict social convention by loyally conforming to the pretty image of the magazines, and found themselves forced to seek meaning in their lives only through a family and a home. Friedan's controversial book about these women - and every woman - would ultimately set Second Wave feminism in motion and begin the battle for equality. This groundbreaking and life-changing work remains just as powerful, important and true as it was forty-five years ago, and is essential reading both as a historical document and as a study of women living in a man's world. 'One of the most influential nonfiction books of the twentieth century.' New York Times 'Feminism began with the work of a single person: Friedan.' Evolution's Rainbow - Joan Roughgarden 2013-09-14

In this innovative celebration of diversity and affirmation of individuality in animals and humans, Joan Roughgarden challenges accepted wisdom about gender identity and sexual orientation. A distinguished evolutionary biologist, Roughgarden takes on the medical establishment, the Bible, social science—and even Darwin himself. She leads the reader through a fascinating discussion of diversity in gender and sexuality among fish, reptiles, amphibians, birds, and mammals, including primates. *Evolution's Rainbow* explains how this diversity develops from the action of genes and hormones and how people come to differ from each other in all aspects of body and behavior. Roughgarden reconstructs primary science in light of feminist, gay, and transgender criticism and redefines our understanding of sex, gender, and sexuality. Witty, playful, and daring, this book will revolutionize our understanding of sexuality. Roughgarden argues that principal elements of Darwinian sexual selection theory are false and suggests a new theory that emphasizes social inclusion and control of access to resources and mating opportunity. She disputes a range of scientific and medical concepts, including Wilson's genetic determinism of behavior, evolutionary psychology, the existence of a gay gene, the role of parenting in determining gender identity, and Dawkins's "selfish gene" as the driver of natural selection. She dares social science to respect the agency and rationality of diverse people; shows that many cultures across the world and throughout history accommodate people we label today as lesbian, gay, and transgendered; and calls on the Christian religion to acknowledge the Bible's many passages endorsing diversity in gender and sexuality. *Evolution's Rainbow* concludes with bold recommendations for improving education in biology, psychology, and medicine; for democratizing genetic engineering and medical practice; and for building a public monument to affirm diversity as one of our nation's defining principles.

Beyond Role and Play - Markus Montola 2004

Lovely - Elizabeth SaFleur 2014-11-03

Intimate Relationships - Ralph Erber 2016-01-08

Intimate Relationships covers both classic and current material in a concise yet thorough and rigorous manner. Chapters range from attraction to love, attachment to jealousy, conflict to relationship dissolution — all written in a warm, personal, and engaging voice. Each chapter is organized around the major issues and relevant theories, in addition to a critical evaluation about the research. When appropriate, the authors discuss and evaluate popular ideas about relationship processes in the context of scientific research. This includes critical evaluations of evolutionary approaches to attraction, victim-based accounts of abuse, and the separate-cultures view of the sexes.

Open Mind - Morningstar Ashley 2019-01-24

At twenty-eight, Jamie Gray has realized his dream of becoming a traveling nurse. After years of moving from place to place, he's met so many new people but hasn't formed any true connections. Jamie knows it's time to stop avoiding his life, like he's been doing since the death of his mother; his only family. Moving to the big city of Powell's Point to share an apartment with his best friend is exactly what he needs. It feels like the best time to set down some roots and get into a routine...and maybe, just maybe find love. Ronan Kincaid comes from a long line of doctors. Not being one to conform to the desires of his parents or society, his small practice focuses on the people in the BDSM community of Powell's Point. Often misunderstood, the community needs someone who knows and lives their lifestyle...someone who will take care of them the way they deserve. With his well-respected practice and exceptional bedside manner—coupled with afterhours scenes and kinky house calls—the nickname Dr. Kink takes hold, much to his dismay. Needing to replace his long-time nurse, he hires the best candidate for his growing practice, figuring his mild attraction is of no consequence. But as time passes, he finds it harder and harder to keep his thoughts and hands

away from his new nurse. If only Jamie wasn't so captivating, drawing Ronan to touch. As their mounting attraction becomes impossible to ignore, their secrets are revealed, changing everything between them. Heated glances turn into heated touches, and they find themselves wondering: Is what they have a passing phase of pleasure and kink, or can they both open their minds to the possibility of a forever love? Author's Note: For those of you that prefer warnings use the "Look Inside" feature to find them within the first several pages. For those of you that prefer to be surprised, ignore them. . . Happy reading!

Pursuits of Happiness - Stanley Cavell 1981

Women on Top - Nancy Friday 2014-02-07

A classic work on how women think about sex, from the New York Times—bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday's groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women's sexual fantasies, detailing how women's erotic lives have changed—and remained the same. "This absorbing, titillating and empowering feminist book is also a ribald bedside companion."
