The Power of Habit - Charles Duhigg
2012-02-28

Groundbreaking new research shows that by grabbing hold of the three-step "loop" all habits form in our brains--cue, routine, reward--we can

change them, giving us the power to take control over our lives. "We are what we repeatedly do," said Aristotle. "Excellence, then, is not an act, but a habit." On the most basic level, a habit is a simple neurological loop: there is a cue (my mouth feels gross), a routine (hello, Crest), and a reward (ahhh, minty fresh). Understanding this loop is the key to exercising regularly or becoming more productive at work or tapping into reserves of creativity. Marketers, too, are learning how to exploit these loops to boost sales; CEOs and coaches are using them to change how employees work and athletes compete. As this book shows, tweaking even one habit, as long as it's the right one, can have staggering effects. In *The Power of Habit*, award-winning New York Times business reporter Charles Duhigg takes readers inside labs where brain scans record habits as they flourish and die; classrooms in which students learn to boost their willpower; and boardrooms where executives dream up products that tug on

our deepest habitual urges. Full of compelling narratives that will appeal to fans of Michael Lewis, Jonah Lehrer, and Chip and Dan Heath, *The Power of Habit* contains an exhilarating argument: our most basic actions are not the product of well-considered decision making, but of habits we often do not realize exist. By harnessing this new science, we can transform our lives.

The Gospel According to Starbucks - Leonard Sweet 2008-05-20

Leonard Sweet shows you how the passion that Starbucks® has for creating an irresistible experience can connect you with God's stirring introduction to the experience of faith in The Gospel According to Starbucks. You don't stand in line at Starbucks® just to buy a cup of coffee. You stop for the experience surrounding the cup of coffee. Too many of us line up for God out of duty or guilt. We completely miss the warmth and richness of the experience of living with God. If we'd learn to see what God is doing on earth, we could participate fully in the irresistible life that he offers. You can learn to pay attention like never before, to identify where God is already in business right in your neighborhood. The doors are open and the coffee is brewing. God is serving the refreshing antidote to the unsatisfying, arms-length

spiritual life—and he won't even make you stand in line.

Bank 3.0 - Brett King 2012-11-19

The first edition of BANK 2.0—#1 on Amazon's

bestseller list for banking and finance in the US, UK, Germany, France, and Japan for over 18 months—took the financial world by storm and became synonymous with disruptive customer behaviour, technology shift, and new banking models. In *BANK 3.0*, Brett King brings the story up to date with the latest trends redefining financial services and payments—from the global scramble for dominance of the mobile wallet and the expectations created by tablet computing to the operationalising of the cloud, the explosion of social media, and the rise of the de-banked consumer, who doesn't need a bank at all. *BANK 3.0* shows that the gap between customers and financial services players is rapidly widening, leaving massive opportunities for new, non-bank competitors to totally disrupt the industry. "On the Web and on Mobile, the customer isn't king—he's dictator. Highly impatient, skeptical, cynical. Brett King understands deeply what drives this new hard-nosed customer. Banking professionals would do well to heed his advice."

Criminal Paradise - Steven M. Thomas
2009-03-24

The literature of larceny welcomes a newcomer

with some serious chops, as Steven M. Thomas muscles his way to a place at the table—elbow-to-elbow with Elmore Leonard and Carl Hiaasen—courtesy of a harrowing, hilarious, two-fisted, hard-boiled thriller that’s pure heaven for anyone who loves a hell of a crime novel. Robert Rivers is a crook. No excuses, no apologies. Breaking the law is his calling, crime is his rush, capers his reason for getting up in the morning and staying up late at night. But he’s a thief with honor, plotting and pulling off carefully choreographed heists where no shots are fired, no blood is spilled, and nobody gets hurt . . . except in the wallet. After a brief stint behind bars back in the day, he’s managed to carve out a comfortable existence, cheerfully plundering the sunny Southern California community whose streets he tools in the tweaked-out Cadillac DeVille that’s his pride and joy. But now Rob (whose name has become ironic) is pushing forty, and—like his trusty partner, Switch, who’s got a pregnant girlfriend and a hefty stash of

loot—he’s thinking about quitting the game. But then he and Switch, pulling their latest Butch and Sundance, score a payday that could end up costing them plenty. Inside a strongbox packed with greenbacks rests a disturbing black-and-white photo of a beautiful young girl, eyes full of fear as naked as she is. It’s an image that Rob can’t shake, and a wake-up call: There are rules even he won’t break. It’s also his one-way ticket into the underbelly of the underworld—a lethal landscape of sex slaves, sadistic psychopaths, and sawed-off shotguns, where honor is for fools, and trust is for suckers, where very bad people do even worse things and nice guys don’t finish at all. They just get finished off. With its alluring setting, quirky characters, and restrained and subtle prose, *Criminal Paradise* has something for every thriller fan. And with sharp natural instincts and writing skills as serious as his humor is sly, Steven M. Thomas shows as much promise as any author on the suspense scene. From the Hardcover edition.

Pretzel Logic - John Paul Allen 2016-03-31

Pretzel Logic is a collection of nine short stories from John Paul Allen. Stories found in this collection: Weeping Mary - When Marissa Ruiz entered foster care she was warned, "Don't let them get too close to you, don't let them get you alone and don't let them tuck you in at night." She was prepared for anything until the white van pulled up and she met Shepherd, who taught her of The Church of the Weeping Mary. Hello Neighbor - Bill Metter is landscaping his yard. A neighbor doesn't like it. Yaz the cat is missing. House Guest - Terribly injured in a car crash, Chastity Bream lives on life support in the guest room of her parents' home. Her boyfriend lives in her closet. A story of love winning against all odds. Pit Stop at Hoo Hoo Hollow - While on the run from the law, Kerry and Robin learn the meaning of that special room in hell waiting for those deserving. Prader-Willi - Mike Pratt's cousin is kind of entertaining. That's what he tells his friends. It appears she'll eat anything.

Little Miss - An imprisoned mother explains to a tv reporter that it isn't important how one wins as long as one wins. Runs Like Rabbit - Family drama over major life changes and an answering machine with interesting voices. Marquee - Scott Dryden just can't get rid of Duffy, the maintenance guy. Even getting killed doesn't do the trick. What invisible thread holds these two together? Monkey Love - When Professor Sandra Rixx lost her husband in a terrorist bombing, she turned toward her work for salvation. When Richard kept his vow and returned three years later, she learned to mix business with pleasure. Sometimes we can't help who we love. Sometimes we can't help what we love.

How Starbucks Saved My Life - Michael Gates Gill 2007-09-20

Now in paperback, the national bestselling riches-to-rags true story of an advertising executive who had it all, then lost it all—and was finally redeemed by his new job, and his twenty-eight-year-old boss, at Starbucks. In his fifties, Michael Gates Gill had it all: a mansion in the suburbs, a wife and loving children, a six-figure salary, and an Ivy League education. But in a few short years, he lost his job, got divorced, and was diagnosed with a brain tumor. With no money or health insurance, he was forced to get a job at Starbucks. Having gone from power lunches to scrubbing toilets, from being served to serving, Michael was a true fish out of water. But fate brings an unexpected teacher into his life who opens his eyes to what living well really looks like. The two seem to have nothing in

common: She is a young African American, the daughter of a drug addict; he is used to being the boss but reports to her now. For the first time in his life he experiences being a member of a minority trying hard to survive in a challenging new job. He learns the value of hard work and humility, as well as what it truly means to respect another person. Behind the scenes at one of America's most intriguing businesses, an inspiring friendship is born, a family begins to heal, and, thanks to his unlikely mentor, Michael Gill at last experiences a sense of self-worth and happiness he has never known before. Watch a QuickTime trailer for this book.

Liderando ao Estilo Starbucks - Joseph A.

Michelli 2014-11-05

- Seguir os passos da Starbucks pode ser o caminho para o seu sucesso - 5 princípios levaram uma simples cafeteria a se tornar uma marca admirada no mundo todo. - Autor considerado best-seller pelo The New York Times No livro Liderando ao Estilo Starbucks -

Cinco princípios que irão ajudá-lo a conectar-se com seus clientes, seus produtos e seus próprios funcionários, o autor Joseph A. Michelli examina quais foram os fatores que transformaram uma simples cafeteria em uma marca admirada mundialmente e mostra como essas táticas podem ser adaptadas em diferentes tipos de negócios. Michelli nos oferece uma perspectiva sobre os princípios de liderança que levaram essa icônica empresa fornecedora de café a ressurgir das cinzas depois de enfrentar sérios problemas durante a crise econômica mundial de 2008 - protagonizando uma das poucas histórias de verdadeira recuperação dessa época. E a empresa continua a crescer vertiginosamente, adentrando novos mercados e novos canais com produtos e tecnologias inovadores. Para produzir o livro, Joseph A. Michelli teve acesso direto a inúmeros funcionários da Starbucks, de atendentes ao próprio Howard Schultz, presidente e diretor-executivo (CEO) da empresa. Fruto de minucioso trabalho de

pesquisa e análise, Liderando ao Estilo Starbucks estabelece cinco princípios práticos que promoveram na empresa uma vivência de sustentabilidade global de longo prazo, e que podem ser utilizados em qualquer organização, seja qual for o seu setor: 1. Prove e aprimore – É vital saber maximizar o entusiasmo dos clientes pelos produtos, serviços e experiências que sua empresa fornece. 2. Ame para ser amado – É essencial desenvolver fortes laços emocionais com os clientes. 3. Busque um denominador comum – Todas as coisas são iguais, exceto por suas diferenças, e todas elas são diferentes, exceto por suas similaridades! 4.

2015-10-27

A celebration of the extraordinary courage, dedication, and sacrifice of this generation of American veterans on the battlefield and their equally valuable contributions on the home front. Starbucks CEO Howard Schultz and National Book Award nominee Rajiv Chandrasekaran honor acts of uncommon valor in Iraq and Afghanistan, including an army sergeant who runs into a hail of gunfire to protect his comrades; two marines who chose to stand and defend their outpost from an oncoming truck bomb; and a sixty-year-old doctor who joined the navy after his son was killed at war, saving dozens of lives during his service. We also see how veterans turn their leadership skills into community-building initiatives once they return home: former soldiers who aid residents in rebuilding after natural disasters; an infantry officer who trades in a Pentagon job to teach in an inner-city neighborhood; the spouse of a severely injured

soldier assisting families in similar positions. These powerful, unforgettable stories demonstrate just how indebted we are to those who protect us and what they have to offer our nation when their military service is over.

"Build a better brew by mastering 10 manual methods, from French Press to Chemex, with this comprehensive guide." —Imbibe Magazine Named a top food & drink book of 2017 by Food Network, Wired, Sprudge, and Booklist This comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home. Unlike other coffee books, this one focuses exclusively on coffee—not espresso—and explores multiple pour-over, immersion, and cold-brew techniques on 10 different devices. Thanks to a small but growing number of dedicated farmers, importers, roasters, and baristas, coffee quality is at an all-time high. But for nonprofessionals, achieving café quality at home can seem out of reach. With dozens of equipment options, conflicting information on how to use that equipment, and an industry language that, at times, doesn't seem made for the rest of us, it can be difficult to know where to begin. *Craft Coffee: A Manual*, written by a coffee enthusiast for coffee

enthusiasts, provides all the information readers need to discover what they like in a cup of specialty coffee—and how to replicate the perfect cup day after day. From the science of extraction and brewing techniques to choosing equipment and deciphering coffee bags, *Craft Coffee* focuses on the issues—cost, time, taste, and accessibility—that home coffee brewers negotiate and shows that no matter where you are in your coffee journey, you can make a great cup at home. “Engaging and fun . . . I really can’t recommend *Craft Coffee: A Manual* enough. If you’re even mildly curious about brewing coffee at home, it’s absolutely worth a read.” —BuzzFeed

More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process

outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The *Startup Owner's Manual* guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- Avoid the 9 deadly sins that destroy startups' chances for success
- Use the Customer Development method to bring your business idea to life
- Incorporate the Business Model Canvas as the organizing principle for startup hypotheses
- Identify your customers and determine how to "get, keep and grow" customers profitably
- Compute how you'll drive your startup to

repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

An Invincible Summer - Matthew Turk

2021-02-23

In 2022, the possibility of a full-time position as an analyst at one of Chicago's most renowned investment banks draws the starry-eyed ambitions of an unnamed protagonist better within reach. Straight out of college with only loans to her name, she comes to an excruciating realization, however, lurking just underneath the

surface: she's a small-town girl from a fishing town in Maine—lost in the claptrap hustle-and-bustle of urban life. In an attempt to find a new home, this character throws herself into a romantic relationship that quickly results in coercion into nonconsensual sex. In the amorphous predicament, she cannot discern the assailant's intentions but rationalizes the decision of sticking with him as he begins to gain international acclaim as a movie producer. Lured again by financial stability and prestige, she dares to want something else—but is it too late? By the end of this story, *An Invincible Summer* illustrates the complications of a rapidly growing industrialized capitalist country in the 21st century as the narrator struggles to reconcile the potential hard hours of a dead-end job versus trying to maintain romance. Amid struggles with excessive drinking and familial alienation, this character's widespread relatability reveals the conditions of the modern individual, as well as the depths, and how one

balances the light and the dark—now and for the future.
